RE: WPCP Headworks Biotrickling Filter
Res. #2358-2010, W.O. #75510

The contractor shall furnish all labor, insurance, equipment, materials and power for the completion of the project: "WPCP Headworks Biotrickling Filter "as follows: The purpose of this project is to provide a Biotrickling Filter to capture and treat hydrogen sulfide emissions at the Water Pollution Control Plant. The improvements include: Biotrickling Filter system, FRP fume exhauster, FRP and stainless steel ductwork, dampers, channel covers, concrete pad, sidewalk, process piping, valves, concrete, electrical, control, and instrumentation, all to make a functional treatment system.

Implications of not being approved:

Hydrogen Sulfide (H₂S) is a common component in untreated sewage. H₂S gas can escape from the sewage during turbulent or mixing processes as it flows through the plant. Even at very low concentrations, H₂S gas is corrosive to metals and will deteriorate equipment and wiring. If delayed or not approved the City will risk damage to electrical components, equipment, and infrastructure in and around the Headworks Facility at the Water Pollution Control Plant.

If Prior Approval is being Requested, Justify: N/A

THIS AGREEMENT made and entered into by and between the **CITY OF FORT WAYNE**, hereinafter referred to as **OWNER** and **Mason Engineering**, hereinafter referred to as **CONTRACTOR**,

WITNESSETH:

WHEREAS, the **CONTRACTOR** is the apparent low bidder on construction project commonly referred to as the **WPCP Headworks Biotrickling Filter**, which project was bid under **RESOLUTION NUMBER 2358-2010**; and

WHEREAS, **CONTRACTOR** agrees that the goal for qualified Minority-owned Business Enterprises or Women-owned Business Enterprises, hereinafter sometimes referred to as "**M.B.E.'S/W.B.E.'S**" as subcontractors on this project is **12% (7% MBE, 5% WBE)** of the contract amount;

NOW, THEREFORE, in consideration of the foregoing and of the mutual agreements hereinafter contained, the sufficiency of which consideration is hereby acknowledged, the parties hereto agree as follows:

1. **Conditional Award** - Subject to approval by the Common Council of the City of Fort Wayne as stipulated in the construction contract to which this Rider is attached, **OWNER** awards the construction contract to the **CONTRACTOR**.
2. **MBE/WBE. Retainage requirements** - If the **CONTRACTOR** is in compliance with the provisions of the construction contract to which this Rider is attached, the **OWNER** will make payments for such work performed and completed. However, in any such case, the **OWNER** will retain **five percent (5%)** of the total amount owing to insure satisfactory completion of the contract and to insure **CONTRACTOR'S** compliance with this MBE/WBE Rider. Upon final inspection and acceptance of the work, and determination by the Fort Wayne Board of Public Works that the **CONTRACTOR** has made a good faith effort to subcontract **12% (7% MBE, 5% WBE)** of the contract amount to Minority/Women business enterprises, the **CONTRACTOR** will be paid in full. In the event there is a determination that good faith compliance with this MBE/WBE Rider has not occurred, appropriate reduction in the final payment pursuant to Paragraph 6 of this MBE/WBE Rider will be made.

If the contract is in excess of \$100,000, the contract will be subject to the standard Board of Public Works escrow agreement. However, payments to the **CONTRACTOR** are not to exceed 95% of the total contract amount until the **OWNER** has verified that the **CONTRACTOR** has made good faith efforts to attain the MBE/WBE goal stipulated in this MBE/WBE Rider. 3. **Request for Waiver** - If, at the time final payment application is made, **CONTRACTOR** has not attained the **eleven 12% (7% MBE, 5% WBE)** goal, **CONTRACTOR** shall file with the final payment application a "Request for Waiver." Said Request for Waiver shall contain a written description of the efforts taken by **CONTRACTOR** to attain the **12% (7% MBE, 5% WBE)** goal.

4. **Determination of Waiver Requests** - The Contract Compliance Department of the City of Fort Wayne shall examine all Requests for Waiver to determine if **CONTRACTOR'S** efforts constitute good faith efforts to attain such goal and shall submit recommendations concerning said requests for Waiver for the final determination of the Board of Public Works of the City of Fort Wayne.
5. **Good Faith Per Se** - In any case, a **CONTRACTOR** shall be deemed to have made good faith efforts at compliance where MBE/WBE's have subcontracted for every sub-contract for which there are qualified MBE/WBE's available.
6. **Consequence of noncompliance** - In the event the Board of Public Works approves a recommendation that **CONTRACTOR** failed to make good faith efforts at compliance, the contract shall be reduced by the amount calculated as the difference between **5%** and the percentage level met. Said amount shall be added to the City of Fort Wayne MBE/WBE Guarantee Fund and **CONTRACTOR** agrees to accept the reduced amount as full payment under the terms of his/her contract.
7. **Waiver approved** - In the event the Board of Public Works determines that a good faith effort to comply with this MBE/WBE Rider has been made, the contract shall not be reduced, and the balance owing to the **CONTRACTOR** shall be paid in full.
