### E.B.E. RIDER

THIS AGREEMENT made and entered into by and between the CITY OF FORT WAYNE, hereinafter referred to as OWNER and Dunigan Bros, Inc., hereinafter referred to as CONTRACTOR.

### WITNESSETH:

WHEREAS, the CONTRACTOR is the apparent low bidder on construction project commonly referred to as the Swift Interceptor Relief Sewer, which project was bid under Resolution Number 2425-2011; and

WHEREAS, CONTRACTOR agrees that the goal for qualified Emerging Business Enterprises, hereinafter sometimes referred to as E.B.E.'s, as subcontractors on this specific project is ten percent (10%) of the Contract Price; and

WHEREAS, OWNER has, pursuant to Executive Order 90-01 (as amended 5-8-06), adopted a goal of at least 10% of the Contract Price to Emerging Business Enterprises as defined under said Executive Order (as amended 5-8-06); and

WHEREAS, said Executive Order (as amended 5-8-06) states:

"Section 2, Paragraph C. Each contractor shall be required to make a good faith effort to subcontract 10% of the contract amount to Emerging Business Enterprises on each construction contract he/she is awarded. In the event a contractor is unable to subcontract 10% of the contract amount or secure services of an Emerging Business Enterprise, he/she will be required to submit a completed Request for Waiver form on which he/she will provide a written description of the efforts taken to comply with the participation goals."

**NOW, THEREFORE,** in consideration of the foregoing and of the mutual agreements hereinafter contained, the sufficiency of which consideration is hereby acknowledged, the parties hereto agree as follows:

- 1. <u>Conditional Award</u> Subject to approval by the Common Council of the City of Fort Wayne as stipulated in the construction Contract to which this Rider is attached, OWNER awards the construction Contract to the CONTRACTOR.
- 2. <u>E.B.E. Retainage requirements</u> If the CONTRACTOR is in compliance with the provisions of the construction Contract to which this Rider is attached, the OWNER will make payments for such work performed and completed. However, in any such case, the OWNER will retain five percent (5%) of the total amount owing to insure compliance with this E.B.E. Rider. Upon final inspection and acceptance of the work, and determination by the Fort Wayne Board of Public Works that the CONTRACTOR has made a good faith effort to subcontract ten percent

(10%) of the Contract Price to emerging business enterprises, the CONTRACTOR will be paid in full.

In the event there is a determination that good faith compliance with this E.B.E. Rider has not occurred, appropriate reduction in the final payment pursuant to paragraph 6 of this E.B.E. Rider will be made.

If the Contract Price is in excess of \$100,000, the contract will be subject to the standard Board of Public Works escrow agreement. However, payments to the CONTRACTOR are not to exceed 95% of the total Contract Price until the OWNER has verified that the CONTRACTOR has made good faith efforts to attain the 10% E.B.E. goal stipulated in this E.B.E. Rider. Payment of the final 5% of the total Contract Price will be dependent upon good faith efforts to comply with this E.B.E. Rider, and subject to reduction in the event of non-compliance as provided in paragraph 6 of this E.B.E. Rider.

- 3. Request for Waiver If, at the time final payment application is made, CONTRACTOR has not attained the ten percent (10%) E.B.E. goal, CONTRACTOR shall file with the final payment application a "Request for Waiver." Said Request for Waiver shall contain a written description of the efforts taken by CONTRACTOR to attain the ten percent (10%) E.B.E. goal.
- 4. <u>Determination of Waiver Requests</u> The Contract Compliance Department of the City of Fort Wayne shall examine all Requests for Waiver to determine if CONTRACTOR'S efforts constitute good faith efforts to attain such goal and shall submit recommendations concerning said requests for Waiver for the final determination of the Board of Public Works of the City of Fort Wayne.
- 5. Good Faith Per Se. In any case, a CONTRACTOR shall be deemed to have made good faith efforts at compliance where E.B.E.'s have subcontracted for every sub-contract for which there are qualified E.B.E.'s available.
- 6. Consequence of noncompliance In the event the Board of Public Works approves a recommendation that CONTRACTOR failed to make good faith efforts at compliance, the Contract Price shall be reduced by the amount calculated as the difference between five percent (5%) and the percentage level met. Said amount shall be added to the City of Fort Wayne E.B.E. Bond Guarantee Fund and CONTRACTOR agrees to accept the reduced amount as full payment under the terms of his/her Contract.
- 7. Waiver approved In the event the Board of Public Works determines that a good faith effort to comply with this E.B.E. Rider has been made, the Contract Price shall not be reduced, and the balance owing to the CONTRACTOR shall be paid in full.

IN WITNESS WHEREOF, the parties have executed the E.B.E. Rider this of day of

RE:

Swift Interceptor Relief Sewer

Res. #2425-2011, W.O. #75448

The contractor shall furnish all labor, insurance, equipment, materials and power for the completion of the project: "Swift Interceptor Relief Sewer" as follows: installation of approximately 6,520 LF of 30" PVC sanitary sewer for the purpose of relieving wet-weather related capacity issues in the existing Swift Interceptor

<u>Implications of not being approved:</u> Flows in the existing Swift Interceptor exceed capacity during heavy rain events resulting in basement backups. If this relief sewer is not constructed, basement backups will continue to be a possibility in the Burning Tree and Pine Valley subdivisions resulting in property damage and reduced property values.

<u>If Prior Approval is being Requested, Justify:</u> The contractor is eager to mobilize forces to take advantage of optimal construction conditions and coordinate his restoration efforts to occur in the late spring which is the optimal growing season and thus reduce inconvenience to property owners along the route. Contractor has recently completed another job and workers are on layoff until this project begins.

This project was advertised to contractors on September 9, 2011, September 16, 2011 in the Journal Gazette and the News Sentinel and September 14, 2011 in Frost Illustrated, Inc.

The contract for Resolution # 2425-2011 awarded to **Dunigan Brothers for \$1,814,810.50** was the lowest most responsive bidder of 8 bidders and 25% below the Engineer's estimate of \$2,412,000. The second lowest bidder was \$265,449.65 above Dunigan Brothers bid.

The cost of said project funded by: 2010 Sewer Revenue Bond.

### E.B.E. RIDER

THIS AGREEMENT made and entered into by and between the CITY OF FORT WAYNE, hereinafter referred to as OWNER and Dunigan Bros, Inc., hereinafter referred to as CONTRACTOR,

### WITNESSETH:

WHEREAS, the CONTRACTOR is the apparent low bidder on construction project commonly referred to as the Swift Interceptor Relief Sewer, which project was bid under Resolution Number 2425-2011; and

WHEREAS, CONTRACTOR agrees that the goal for qualified Emerging Business Enterprises, hereinafter sometimes referred to as E.B.E.'s, as subcontractors on this specific project is ten percent (10%) of the Contract Price; and

WHEREAS, OWNER has, pursuant to Executive Order 90-01 (as amended 5-8-06), adopted a goal of at least 10% of the Contract Price to Emerging Business Enterprises as defined under said Executive Order (as amended 5-8-06); and

WHEREAS, said Executive Order (as amended 5-8-06) states:

"Section 2, Paragraph C. Each contractor shall be required to make a good faith effort to subcontract 10% of the contract amount to Emerging Business Enterprises on each construction contract he/she is awarded. In the event a contractor is unable to subcontract 10% of the contract amount or secure services of an Emerging Business Enterprise, he/she will be required to submit a completed Request for Waiver form on which he/she will provide a written description of the efforts taken to comply with the participation goals."

**NOW, THEREFORE,** in consideration of the foregoing and of the mutual agreements hereinafter contained, the sufficiency of which consideration is hereby acknowledged, the parties hereto agree as follows:

- 1. <u>Conditional Award</u> Subject to approval by the Common Council of the City of Fort Wayne as stipulated in the construction Contract to which this Rider is attached, OWNER awards the construction Contract to the CONTRACTOR.
- 2. <u>E.B.E. Retainage requirements</u> If the CONTRACTOR is in compliance with the provisions of the construction Contract to which this Rider is attached, the OWNER will make payments for such work performed and completed. However, in any such case, the OWNER will retain five percent (5%) of the total amount owing to insure compliance with this E.B.E. Rider. Upon final inspection and acceptance of the work, and determination by the Fort Wayne Board of Public Works that the CONTRACTOR has made a good faith effort to subcontract ten percent

(10%) of the Contract Price to emerging business enterprises, the CONTRACTOR will be paid in full.

In the eyent there is a determination that good faith compliance with this E.B.E. Rider has not occurred, appropriate reduction in the final payment pursuant to paragraph 6 of this E.B.E. Rider will be made.

If the Contract Price is in excess of \$100,000, the contract will be subject to the standard Board of Public Works escrow agreement. However, payments to the CONTRACTOR are not to exceed 95% of the total Contract Price until the OWNER has verified that the CONTRACTOR has made good faith efforts to attain the 10% E.B.E. goal stipulated in this E.B.E. Rider. Payment of the final 5% of the total Contract Price will be dependent upon good faith efforts to comply with this E.B.E. Rider, and subject to reduction in the event of non-compliance as provided in paragraph 6 of this E.B.E. Rider.

- 3. Request for Waiver If, at the time final payment application is made, CONTRACTOR has not attained the ten percent (10%) E.B.E. goal, CONTRACTOR shall file with the final payment application a "Request for Waiver." Said Request for Waiver shall contain a written description of the efforts taken by CONTRACTOR to attain the ten percent (10%) E.B.E. goal.
- 4. <u>Determination of Waiver Requests</u> The Contract Compliance Department of the City of Fort Wayne shall examine all Requests for Waiver to determine if CONTRACTOR'S efforts constitute good faith efforts to attain such goal and shall submit recommendations concerning said requests for Waiver for the final determination of the Board of Public Works of the City of Fort Wayne.
- 5. Good Faith Per Se. In any case, a CONTRACTOR shall be deemed to have made good faith efforts at compliance where E.B.E.'s have subcontracted for every sub-contract for which there are qualified E.B.E.'s available.
- 6. Consequence of noncompliance In the event the Board of Public Works approves a recommendation that CONTRACTOR failed to make good faith efforts at compliance, the Contract Price shall be reduced by the amount calculated as the difference between five percent (5%) and the percentage level met. Said amount shall be added to the City of Fort Wayne E.B.E. Bond Guarantee Fund and CONTRACTOR agrees to accept the reduced amount as full payment under the terms of his/her Contract.
- 7. Waiver approved In the event the Board of Public Works determines that a good faith effort to comply with this E.B.E. Rider has been made, the Contract Price shall not be reduced, and the balance owing to the CONTRACTOR shall be paid in full.
