Mr. Larry Campbell, Fleet Manager City of Fort Wayne One Main Street Fort Wayne, IN 46802

Mr. Campbell,

It is with great pleasure and pride that I can inform you that **General Motors** (GM) has graciously extended the awarded bid pricing on vehicles awarded to *Kelley Chevrolet*, *LLC* within **The City of Fort Wayne's ITB** # 3313, through the build-out of all 2012 awarded vehicle models. This extension gives many Local and County Agencies additional time in which to get their needs addressed and orders placed As of this letter, no Fleet Order Cut-Off Dates have been announce for any of the 2012 Model Year vehicles.

We are proud to be able to work with the **City of Fort Wayne** and agencies within Allen County, fulfilling their vehicle needs. I would also like to thank the **City of Fort Wayne** for allowing other Governmental Agencies throughout the State of Indiana to attach their vehicle needs and orders via the "Piggy-Back Clause" contained within the contract. This provision has allowed many various Local, County, Volunteer and State Agencies, throughout this Great State of Ours, to conserve considerable amounts of taxpayer dollars, while getting the necessary vehicles for day-to-day operations.

Sincerely,

Mark T. Wright

## Memo

To: Council & Purchase

From: Larry Campbell, Fleet Director

**Date:** March 5, 2012

Re: 2012 Vehicle purchases by Department and Gm roll over pricing

Below please find the requested vehicle purchases for the City and roll over for GM pricing from 2011 for 2012 model year. The cost break down reflects the bid prices using GSA spec's and purchase prices from ITB #3313; these amounts have already been approved in their Capital budget lines. Four (4) of these vehicles will all be replacements for over life cycle units. (Years, maintenance cost, & mileage).

Will have to go out for vans and smaller pickup that Ford had in the Awarding of ITB #3313

Water Pollution Control Maintenance (WPCM):

(2) pickups

Water Pollution Control Plant (WPCP):

(1) Van

Water Maintenance (WMS):

(1) Van

Total cost for all four units \$110,000.00

4 vehicles total for all City departments
