BILL NO. R-12-06-01

DECLARATORY RESOLUTION NO. R-

A DECLARATORY RESOLUTION designating an "Economic Revitalization Area" under I.C. 6-1.1-12.1 for property commonly known as 4420 Airport Expressway, Fort Wayne, Indiana 46809 (GT Automation Group)

WHEREAS, Petitioner has duly filed its petition dated May 24, 2012 to have the following described property designated and declared an "Economic Revitalization Area" under Sections 153.13-153.24 of the Municipal Code of the City of Fort Wayne, Indiana, and I.C. 6-1.1-12.1, to wit:

Attached hereto as "Exhibit A" as if a part herein; and

WHEREAS, said project will create three full-time, permanent jobs for a total new, annual payroll of \$140,000, with the average new annual job salary being \$46,666 and retain 27 full-time, permanent jobs for a total current annual payroll of \$1,797,155, with the average current, annual job salary being \$66,561.30; and

WHEREAS, the total estimated project cost is \$200,000; and

WHEREAS, it appears the said petition should be processed to final determination in accordance with the provisions of said Division 6.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That, subject to the requirements of Section 6, below, the property hereinabove described is hereby designated and declared an "Economic Revitalization Area" under I.C. 6-1.1-12.1. Said designation shall begin upon the effective date of the Confirming Resolution referred to in Section 6 of this Resolution and shall terminate on December 31, 2011, unless otherwise automatically extended in five year increments per I.C. 6-1.1-12.1-9.

SECTION 2. That, upon adoption of the Resolution:

- (a) Said Resolution shall be filed with the Allen County Assessor;
- (b) Said Resolution shall be referred to the Committee on Finance requesting a recommendation from said committee concerning the advisability of designating the above area an "Economic Revitalization Area";
- (c) Common Council shall publish notice in accordance with I.C. 6-1.1-12.1-2.5 and I.C. 5-3-1 of the adoption and substance of this resolution and setting this designation as an "Economic Revitalization Area" for public hearing;

SECTION 3. That, said designation of the hereinabove described property as an "Economic Revitalization Area" shall apply to a deduction of the assessed value of personal property for new manufacturing and information technology equipment.

SECTION 4. That, the estimate of the number of individuals that will be employed or whose employment will be retained and the estimate of the annual salaries of those individuals and the estimate of the value of new manufacturing and information technology equipment, all contained in Petitioner's Statement of Benefits, are reasonable and are benefits that can be reasonably expected to result from the proposed described installation of new manufacturing and information technology equipment.

SECTION 5. That, the current year approximate tax rates for taxing units within the City would be:

- (a) If the proposed new manufacturing and information technology equipment is not installed, the approximate current year tax rates for this site would be \$3.1537/\$100.
- (b) If the proposed new manufacturing and information technology equipment is installed and no deduction is granted, the approximate current year tax rate for the site would be \$3.1537/\$100 (the change would be negligible).
- (c) If the proposed new manufacturing and information technology equipment is installed and a deduction percentage of eighty percent (80%) is assumed, the approximate current year tax rate for the site would be \$3.1537/\$100 (the change would be negligible).

SECTION 6. That, this Resolution shall be subject to being confirmed, modified and confirmed, or rescinded after public hearing and receipt by Common Council of the above described recommendations and resolution, if applicable.

SECTION 7. That, pursuant to I.C. 6-1.1-12.1, it is hereby determined that the deduction from the assessed value of the new manufacturing and information technology equipment shall be for a period of ten years.

SECTION 8. That, the benefits described in the Petitioner's Statement of Benefits can be reasonably expected to result from the project and are sufficient to justify the applicable deductions.

SECTION 9. That, the taxpayer is non-delinquent on any and all property tax due to jurisdictions within Allen County, Indiana.

SECTION 10. That, pursuant to I.C. 6-1.1-12.1-12 et al, any property owner that has received a deduction under section 3 or 4.5 of said chapter may be required to repay the deduction amount as determined by the county auditor in accordance with section 12 of said chapter if the property owner ceases operations at the facility for which the deduction was granted and if the Common Council finds that the property owner obtained the deduction by

1	intentionally providing false information concerning the property owner's plans to continue				
2	operation at the facility.				
3	SECTION 11. That, this Resolution shall be in full force and effect from and a its passage and any and all necessary approval by the Mayor.

PERSONAL PROPERTY INFORMATION

Complete this section of the application if you are requesting a deduction from assessed value of new manufacturing, research and development, logistical distribution or information technology equipment.

List below the equipment for which you are seeking an economic revitalization area designation.

Manufacturing equipment must be used in the direct production, manufacture, fabrication, assembly, extraction, mining, processing, refining, or finishing of other tangible personal property at the site to be designated. Research and development equipment consists of laboratory equipment, research and development equipment, computers and computer software, telecommunications equipment or testing equipment used in research and development activities devoted directly and exclusively to experimental or laboratory research and development for new products, new uses of existing products, or improving or testing existing products at the site to be designated. Logistical distribution equipment consists of racking equipment, scanning or coding equipment, separators, conveyors, fork lifts or lifting equipment, transitional moving equipment, packaging equipment, sorting and picking equipment, software for technology used in logistical distribution, is used for the storage or distribution of goods, services, or information. Information technology equipment consists of equipment, including software used in the fields of information processing, office automation, telecommunication facilities and networks, informatics, network administration, software development and fiber optics: (use additional sheets, if necessary)

GT has not yet identified the equipment to be acquired, although it will be similar in nature and function to our already existing CNC machining Centers. Depending on the persistence of our

function to our already existing CNC machining Centers. Depending on the persistence of our capacity constraints we will add between 2 and 5 machines each of which will necessitate at least 1 operator per machine. Our ability to find appropriate personnel to work our second shift will increase our new hires and reduce our equipment expenditures. Additional expenditures would be for IT equipment to maintain and enhance computational and presentational capabilities.

Yes No Has the above equipment for which you are seeking a designation, ever before been used for any purpose in Indiana? If yes, was the equipment acquired at an arms length transaction from an entity not affiliated with the applicant? Yes No Will the equipment as to this answer since the equipment has not been identified. One machine we are looking at is not in Indiana.

Yes No Will the equipment be leased?

Equipment purchase date (month/year): TBD (target between now and April 2014 mostly up front)

applicant? Yes No Will the equipment be leased?

Equipment purchase date (month/year): TBD (target between now and April 2014 mostly up front)

Equipment installation date (month/year): Between June 2012 and April 2014.

Please provide the depreciation schedule term for equipment under consideration for personal property tax abatement: Equipment would generally be 7 year equipment.

ELIGIBLE VACANT BUILDING INFORMATION

Complete this section of the application if you are requesting a deduction from the current assessed value of a vacant building

Yes No Has the building for which you are seeking designation for tax abatement been unoccupied for at least one year? Please provide evidence of occupation. (i.e. certificate of occupancy, paid utility receipts, executed lease agreements)

Describe any structure(s) that is/are currently on the property:

Describe the condition of the structure(s) listed above:

Projected occupancy date (month/year):

Describe the efforts of the owner or previous owner in regards to selling, leasing or renting the eligible vacant building during the period the eligible vacant building was unoccupied including how much the building was offered for sale, lease, or rent by the owner or a previous owner during the period the eligible vacant building was unoccupied.
