

**A CONFIRMING RESOLUTION designating an
"Economic Revitalization Area" under I.C. 6-1.1-12.1 for
property commonly known as 817 S. Calhoun St, Fort
Wayne, Indiana 46802 (817 S. Calhoun LLC)**

WHEREAS, Common Council has previously designated and declared by Declaratory Resolution the following described property as an "Economic Revitalization Area" under Sections 153.13-153.24 of the Municipal Code of the City of Fort Wayne, Indiana, and I.C. 6-1.1-12.1, to wit:

Attached hereto as "Exhibit A" as if a part herein; and

WHEREAS, said project will create two full-time, four part-time permanent jobs for a total additional payroll of \$160,000, with the average new annual job salary being \$26,667

WHEREAS, the total estimated project cost is \$528,400; and

WHEREAS, a recommendation has been received from the Committee on Finance; and

WHEREAS, notice of the adoption and substance of said Resolution has been published in accordance with I.C. 6-1.1-12.1-2.5 and I.C. 5-3-1 and a public hearing has been conducted on said Resolution; and

WHEREAS, if said Resolution involves an area that has already been designated an allocation area under I.C. 36-7-14-39, The Fort Wayne Redevelopment Commission has adopted a Resolution approving the designation.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That, the Resolution previously designating the above described property as an "Economic Revitalization Area" is confirmed in all respects.

SECTION 2. That, the hereinabove described property is hereby declared an "Economic Revitalization Area" pursuant to I.C. 6-1.1-12.1, said designation to begin on the effective date of this Resolution and shall terminate on December 31, 2011, unless otherwise automatically extended in five year increments per I.C. 6-1.1-12.1-9.

SECTION 3. That, said designation of the hereinabove described property as an "Economic Revitalization Area" shall apply to a deduction of the assessed value of real estate.

SECTION 4. That, the estimate of the number of individuals that will be employed or whose employment will be retained and the estimate of the annual salaries of those individuals and the estimate of the value of redevelopment or rehabilitation, all contained in

Petitioner's Statement of Benefits are reasonable and are benefits that can be reasonably expected to result from the proposed described redevelopment or rehabilitation.

SECTION 5. The current year approximate tax rates for taxing units within the City would be:

... If the proposed development does not occur, the approximate current year tax rates for this site would be \$3.1537/\$100.

... If the proposed development occurs and no deduction is granted, the approximate current year tax rate for the site would be \$3.1537/\$100 (the change would be negligible).

... If the proposed development occurs, and a deduction percentage of fifty percent (50%) is assumed, the approximate current year tax rate for the site would be \$3.1537/\$100 (the change would be negligible).

SECTION 6. Pursuant to I.C. 6-1.1-12.1, it is hereby determined that the deduction from the assessed value of the real property shall be for a period of ten years.

SECTION 7. The benefits described in the Petitioner's Statement of Benefits can be reasonably expected to result from the project and are sufficient to justify the applicable deductions.

SECTION 8. For real property, a deduction application must contain a performance report showing the extent to which there has been compliance with the Statement of Benefits form approved by the Fort Wayne Common Council at the time of filing. This report must be submitted to the Allen County Auditor's Office, and the City of Fort Wayne's Community Development Division and must be included with the deduction application. For subsequent years, the performance report must be updated each year in which the deduction is applicable at the same time the property owner is required to file a personal property tax return in the taxing district in which the property for which the deduction was granted is located. If the taxpayer does not file a personal property tax return in the taxing district in which the property is located, the information must be provided by May 15.

SECTION 9. The performance report must contain the following information

- . The cost and description of real property improvements.
- . The number of employees hired through the end of the preceding calendar year as a result of the deduction.
- . The total salaries of the employees hired through the end of the preceding calendar year as a result of the deduction.
- . The total number of employees employed at the facility receiving the deduction.
- . The total assessed value of the real property deductions.
- . The tax savings resulting from the real property being abated.

SECTION 10. That, the taxpayer is non-delinquent on any and all property tax due to jurisdictions within Allen County, Indiana.

SECTION 11. That, pursuant to I.C. 6-1.1-12.1-12 et al, any property owner that has received a deduction under section 3 or 4.5 of this chapter may be required to repay the deduction amount as determined by the county auditor in accordance with section 12 of said chapter if the property owner ceases operations at the facility for which the deduction was granted and if the Common Council finds that the property owner obtained the deduction by intentionally providing false information concerning the property owner's plans to continue operation at the facility.

SECTION 12. That, this Resolution shall be in full force and effect from and after its passage and any and all necessary approval by the Mayor.

According to the Bureau of Investigation, while the FBI is not a U.S. Chapter of organized crime, it is the leader of the property crime and consumer fraud fight, and is the principal agency, and by dissemination of information to the various departments, the education and conduct of investigation and community, and thereby reflect the following questions and recommendations:

1. The Board is responsible for the system's maintenance by the means of a system of monitoring the system. It has the right to the access of a system being a subject to the Board's maintenance system.

1. What is the purpose of the study?
The purpose of the study is to determine the effect of the use of the Internet on the learning of English as a second language.
2. What are the research questions?
The research questions are: (1) What is the effect of the use of the Internet on the learning of English as a second language? (2) What are the factors that influence the use of the Internet in the learning of English as a second language?
3. What are the hypotheses?
The hypotheses are: (1) The use of the Internet will have a positive effect on the learning of English as a second language. (2) The factors that influence the use of the Internet in the learning of English as a second language are: (a) the availability of the Internet, (b) the cost of the Internet, and (c) the quality of the Internet.

... ..

 13. *What is the overall summary?*
 14. *What is the final conclusion?*
 15. *What is the final summary?*

It appears to me that the
only thing necessary to do is to let the people know
of the existence of the various state and local health departments and to let them know
that they are the best place to go for information and advice.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

1. The first objective of the study was to determine the effect of the treatment on the growth of the fish. The results showed that the treatment had a significant effect on the growth of the fish. The fish in the treatment group grew significantly faster than the fish in the control group.

Handwritten text, likely bleed-through from the reverse side of the page. The text is mostly illegible due to the quality of the scan and the angle of the handwriting.

Found that by direct work, that is covered by a heavy black-silver compound and left in the laboratory atmosphere, properly stored, for a total period of 12 months or longer, it is possible that 12 inch metal specimens of this or such weight, regardless of the thickness of metal and the compound, lose less than 10% of original weight of the metal base or metal mass. The above treatment of the building on the subject, and the building on the laboratory subject is recommended, due to its weight, and heavy chemical stress, the black-silver compound and as the first, and a few days, according to the last buildings of the first study, and the
