Interoffice Memo

Date: May 7, 2014
To: Common Council Members
From: DeWayne Nodine, Program Manager – Capital Project Services **RE: Sale of 9.348 acres of land-North of 1118 W. Till Rd., Fort Wayne, Indiana**

Council Introduction Date: May 13, 2014—Council District #: 3

Background & supporting information:

In 2011, City Utilities purchased a 19.24 acres parcel of land north of Till Road to alleviate stormwater problems. This parcel's southerly 9.9 acres is low-lying and being utilized for this stormwater project. However, the remaining 9.348 acres to the north consists of developable ground that is ideal for residential improvements.

Implications of not being approved: If not approved, the northerly 9.348 acre remainder will not be improved and will not make contributions to the property tax base. Further, City Utilities will own a parcel of land for which it lacks a purpose.

Justification if prior approval is being requested: Not applicable

Funding source: Not applicable
