RE: Purchase of 520 Wagner St., Fort Wayne, Indiana 46805

Council Introduction Date: June 24, 2014—Council District #: 5

Background & supporting information:

City Utilities has an ongoing, multi-year program of purchasing houses on the south side of Wagner Street, immediately adjacent to the north side of the Water Filtration Plant, for a security zone and planned future expansion of the Water Filtration Plant. City Utilities would now like to purchase 520 Wagner Street for this purpose. The purchase price is \$41,000.00, which is the average of two appraisals. As an update to Council, City Utilities has previously purchased 15 of the 29 properties along the south side of Wagner Street. A map is attached to this memo highlighting the properties purchased along with the current one under consideration.

Implications of not being approved:

City Utilities watches the Wagner Street real estate market in case any of the houses are listed for sale or become uninhabited. If the property is not purchased, at this time, it will most likely cost more to purchase at a later date as the real estate market returns to its natural rate of increasing real estate values.

Justification if prior approval is being requested: Not applicable
