Subject: Annual Computer Contract Compensation

Members of City Council:

This ordinance is to authorize the payment of \$202,000 to Allen County for the projected use of computer equipment and services shared by the Utility and Allen County.

The IT contract provides metrics on how much we pay for each IT service. Using these metrics, the City, City Utilities, and County met and projected their shared cost for 2015. This is the cost shown in this ordinance. The City, Utility and County meet monthly to review the costs on the current month.

If you have any questions, please call me at 427-1461.
