MEMORANDUM

TO: Common Council of the City of Fort Wayne

FM: Nancy Townsend / James C. Lindsay *JCL*

RE: Rescission of Economic Development Areas and Urban Renewal Area (EDA/URA)

DT: July 15, 2016

On May 9, 2016, the Fort Wayne Redevelopment Commission adopted Resolutions 2016-36, 2016-37 and 2016-38, copies attached, which propose to rescind the Washington Center Coldwater Road EDA, Moeller Meyer Road EDA and Baker Street URA. These entities ("TIF Districts") were created in 1989, 2002 and 1992.

The provisions of the Washington Center Coldwater Road Economic Development Area plan have been fulfilled and the Commission has determined that the powers enabled by statute are no longer needed. The provisions of the Moeller Meyer Road Economic Development Plan were never engaged or implemented due to a key element of the project never materializing. The provisions of the Baker Street URA were never engaged due to alternate sources of funding being used to stabilize the station when it was under City ownership.

Pursuant to I.C. 36-7-14-16 and 36-7-14-41, the Plan Commission determined that these resolutions and action contemplated are in in general conformity to the plan of development for the City of Fort Wayne (Plan It Allen) at its business meeting on June 13, 2016 per the attached resolution. In order for these actions to move forward, each must be approved by the Common Council of the City of Fort Wayne. As such, the purpose of this memo is to request that consideration of these resolutions (attached hereto) be made by City Council. If approved, these resolutions will be presented to the Redevelopment Commission for final consideration following a legal public hearing.
