Council Member

APPROVED AS TO FORM AND LEGALITY

Carol Helton, City Attorney

AGREEMENT

Resolution Number: 66398P

Work Order: 66398P

THIS AGREEMENT is by and between Board of Public Works of the City of Fort Wayne, Indiana (hereinafter called Buyer) and Engineered Fluid, Inc. (hereinafter called Seller).

Buyer and Seller, in consideration of the mutual covenants hereinafter set forth, agree as follows:

ARTICLE 1 – GOODS AND SPECIAL SERVICES

- 1.01 Seller shall furnish the Goods and Special Services as specified or indicated in the Contract Documents. The Goods and Special Services to be furnished are described in Section 011100, Summary of Goods and Special Services.

ARTICLE 2 – THE PROJECT

- 2.01 The Project for which the Goods and Special Services to be furnished under the Contract Documents is generally described as procurement of a packaged water pumping station. The title of the Project is:

CITY OF FORT WAYNE
COLDWATER PUMP STATION PROCUREMENT
FORT WAYNE, INDIANA

ARTICLE 3 – ENGINEER AND DESIGNER

- 3.01 The Engineer will act as Buyer's representative, will assume all duties and responsibilities, and have the rights and authority assigned to Engineer in the Contract Documents in connection with the furnishing of Goods and Special Services in accordance with the Contract Documents. The Engineer will be named at a later date.

ARTICLE 4 – POINT OF DESTINATION

- 4.01 The place where the Goods are to be delivered is defined in the General Conditions as the Point of Destination and is designated as:

Coldwater Pump Station
Mailing Address TBD
Station location is approximately 750 feet south of Pion Road and directly west of Coldwater road
Fort Wayne, IN 46845

ARTICLE 5 – CONTRACT TIMES

- 5.01 Time of Essence
- A. All time limits for Milestones, if any, the delivery of Goods and the furnishing of Special Services as stated in the Contract Documents are of the essence of the Contract.
- 5.02 Days for Submittal of Shop Drawings

A. All Shop Drawings and Samples required by the Contract Documents not required to be submitted with the bid will be submitted to Buyer for Engineer's review and approval within times stated below after the date when the Contract Times commence to run as provided in Paragraph 2.03 of the General Conditions.

1. 60 days for station programming submittals in sections 331223 Water Utility Pumping Stations and 406113 Process Control Systems General Provisions. All other submittals in these sections will be required with the bid.
2. 90 days for submittals in sections: 017823 Operations and Maintenance Data, 017913 System and Facility Performance Testing Procedures, 017923 Instruction of Operations and Maintenance Personnel.

5.03 Days for Delivery of Goods

A. The Goods are to be delivered to the Point of Destination and ready for Buyer's receipt of delivery within the times stated below.

1. Delivery of the Goods specified in Section 331223 Water Utility Pumping Stations and 406113 Process Control Systems General Provisions: Not later than May 1, 2017.

5.04 Days for Furnishing Special Services

A. The days for furnishing of Special Services to Buyer will commence within 15 days after Engineer's written notice to Seller. The Special Services are expected to be furnished within the times stated below after the date when the Contract Times commence to run as provided in Paragraph 2.03 of the General Conditions.

1. Furnishing the Special Services including but not limited to system checkout, programming, performance testing, instruction, startup, and systems demonstration specified in Sections 331223 Water Utility Pumping Stations, 406113 Process Control Systems General Provisions, 017823 Operations and Maintenance Data, 017913 System and Facility Performance Testing Procedures, 017923 Instruction of Operations and Maintenance Personnel: Commence approximately 15 days after delivery of the Goods and be completed no later than 45 days after delivery of the Goods.

5.05 Liquidated Damages

A. Buyer and Seller recognize that time is of the essence of this Agreement and that Buyer will suffer financial loss if the Goods are not delivered at the Point of Destination and ready for receipt of delivery by Buyer within the times specified in Paragraph 5.03 above, plus any extensions thereof allowed in accordance with Article 7 of the General Conditions. The parties also recognize that the timely performance of services by others involved in the Project are materially dependent upon Seller's specific compliance with the requirements of Paragraph 5.03. Further, they recognize the delays, expense and difficulties involved in proving the actual loss suffered by Buyer if complete acceptable Goods are not delivered on time. Accordingly, instead of requiring such proof, Buyer and Seller agree that as liquidated damages for delay (but not as a penalty) Seller shall pay Buyer \$1000 for each day that expires after the time specified in Paragraph 5.03 for delivery of acceptable Goods.

5.06 Final Inspection

A. After all of the Goods have been incorporated by the construction contractor into the Coldwater Pump Station project, tested in accordance with such testing requirements as are specified, and are functioning, as intended, Buyer or Engineer will make final inspection. Final inspection will be made not sooner than 30 days after systems demonstration and not later than September 13, 2017.

ARTICLE 6 – CONTRACT PRICE

- 6.01 Buyer shall pay Seller for furnishing the Goods and Special Services in accordance with the Contract Documents in current funds
- 6.02 Buyer shall pay Seller for furnishing the Goods and Special Services in accordance with the Contract Documents in current funds as follows:
- A. A Lump Sum of \$424,658.00.

ARTICLE 7 – PAYMENT PROCEDURES

- 7.01 Submittal and Processing of Payments.
- A. Seller shall submit Applications for Payment in accordance with Article 10 of the General Conditions. Applications for Payment will be processed by Engineer as provided in the General Conditions.
- 7.02 Progress Payments
- A. Buyer shall make progress payments on account of the Contract Price on the basis of Seller's Applications for Payment as follows:
1. Upon receipt of the first Application for Payment submitted in accordance with Paragraph 10.01.A.1 of the General Conditions and accompanied by Engineer's recommendation of payment in accordance with Paragraph 10.02.A of the General Conditions, an amount equal to 10% of contract price, less such amounts as Engineer may determine in accordance with Paragraph 10.02.A.3 of the General Conditions.
 2. Upon receipt of subsequent such Applications for Payment accompanied by Engineer's recommendation of payment in accordance with Paragraph 10.01.A.2 of the General Conditions, the amounts listed below, less such amounts as Engineer may determine in accordance with Paragraph 10.02.A.3 of the General Conditions.
 - a. Second Application for Payment after approval of the Submittals related to programming, operations and maintenance manuals, and station training: An amount sufficient to increase total payments to Seller to 20 percent of the Contract Price.
 - b. Third Application for Payment after receipt of the Goods specified in Section 331223 Water Utility Pumping Stations: An amount sufficient to increase total payments to Seller to 80 percent of the Contract Price.
 - c. Fourth Application for Payment after special services in Sections 331223 Water Utility Pumping Stations, 406113 Process Control Systems General Provisions, 017823 Operations and Maintenance Data, 017913 System and Facility Performance Testing Procedures, 017923 Instruction of Operations and Maintenance Personnel is complete: An amount sufficient to increase total payments to Seller to 95 percent of the Contract Price.
- 7.03 Final Payment
- A. Upon receipt of the final Application for Payment accompanied by Engineer's recommendation of payment in accordance with Paragraph 10.06 of the General Conditions, Buyer shall pay the remainder of the Contract Price as recommended by Engineer.

ARTICLE 8 – INTEREST

- 8.01 All monies not paid when due as provided in Article 10 of the General Conditions shall bear interest at the maximum rate allowed by law at the place of the project.

ARTICLE 9 – SELLER'S REPRESENTATIONS

9.01 In order to induce Buyer to enter into this Agreement, Seller makes the following representations:

- A. Seller has examined and carefully studied the Contract Documents and the other related data identified in the Bidding Documents.
- B. If specified or if, in Seller's judgment, any local condition may affect cost, progress or the furnishing of the Goods and Special Services, Seller has visited the Point of Destination and become familiar with and is satisfied as to the local conditions that may affect cost, progress or the furnishing of the Goods and Special Services.
- C. Seller is familiar with and is satisfied as to all local federal, state and local Laws and Regulations that may affect cost, progress and the furnishing of the Goods and Special Services.
- D. Seller has carefully studied and correlated the information known to Seller, and information and observations obtained from Seller's visits, if any, to the Point of Destination, with the Contract Documents.
- E. Seller has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Seller has discovered in the Contract Documents, and the written resolution thereof by Engineer is acceptable to Seller.
- F. The Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for furnishing Goods and Special Services.

ARTICLE 10 – CONTRACT DOCUMENTS

10.01 Contents

- A. The Contract Documents consist of the following:

ARTICLE 11 – MISCELLANEOUS

11.01 Defined Terms

- A. Terms used in this Agreement will have the meanings indicated in the General Conditions and the Supplementary Conditions.

11.02 Assignment

- A. Buyer has the right to assign the Contract for furnishing Goods and Special Services hereunder and Seller shall accept such assignment. Forms documenting the assignment of the Contract, and consent of Seller's surety to the assignment are attached as exhibits to this Agreement.
- 1. The Contract will be executed in the name of Buyer initially, and will be assigned to a construction contractor designated by Buyer. The assignment will occur on the effective date of the agreement between Buyer and the construction contractor, which is expected to occur about March, 2017. As of the date of acceptance of assignment by the construction contractor, all references in the Contract Documents to Buyer shall mean the designated contractor whose responsibilities will include the installation and incorporation of the Goods.
 - 2. The assignment of the Contract shall relieve Buyer from all further obligations and liabilities under the Contract. After assignment, Seller shall become a subcontractor or supplier to the assignee and, except as noted herein, all rights, duties, and obligations of Buyer under the Contract shall become the rights, duties and obligations of the assignee.
 - 3. After assignment:

- a. All performances warranties and guarantees required by the Contract Documents will continue to run for the benefit of Buyer and, in addition, for the benefit of the assignee.
 - b. Except as provided in this Paragraph 11.02.A.3.b, all rights, duties and obligations of Engineer to assignee and Seller under this Contract will cease.
 - 1) Engineer will review Seller's Applications for Payment and make recommendations to assignee for payments as provided in Paragraphs 10.02 and 10.06 of the General Conditions.
 - 2) Upon the written request of either the assignee or Seller, Engineer will issue with reasonable promptness such clarifications or interpretations of the Contract Documents, which shall be consistent with or reasonably inferable from the overall intent of the Contract Documents. Such written clarifications and interpretations will be final and binding on assignee and Seller unless:
 - a) an appeal from Engineer's clarification or interpretation is made within the time limits and in accordance with the dispute resolution procedures set forth in Article 13 of the General Conditions; or
 - b) if no such dispute resolution procedures have been set forth, a written notice of intention to appeal is delivered by assignee or Seller to the other within 30 days after the date of such decision, and a formal proceeding is instituted by the appealing party in a forum of competent jurisdiction within 60 days after the date of such decision (unless otherwise agreed to in writing by assignee and Seller), to exercise such rights or remedies as the appealing party may have with respect to such clarification or interpretation in accordance with applicable Laws and Regulations.
 - 3) When rendering a clarification or interpretation under Paragraph 11.02.A.3.b.2, Engineer will not show partiality to assignee or Seller and will not be liable in connection with any clarification or interpretation rendered in good faith.
- B. No other assignment by a party hereto of any rights under or interests in the Contract Documents will be binding on another party hereto without the written consent of the party sought to be bound. Specifically but without limitation, moneys that may become due and moneys that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law). Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

11.03 Successors and Assigns

- A. Buyer and Seller each binds itself, its partners, successors, assigns and legal representatives to the other party hereto, its partners, successors, assigns and legal representatives in respect to all covenants, agreements and obligations contained in the Contract Documents.

11.04 Severability

- A. Any provision or part of the Contract Documents held to be void or unenforceable under any Law or Regulation shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon Buyer and Seller. The Contract Documents shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

IN WITNESS WHEREOF, Buyer and Seller have signed this Agreement in triplicate. One counterpart each has been delivered to Buyer, Seller, and Engineer. All portions of the Contract Documents have been signed or identified by Buyer and Seller or on their behalf.

Council District # City Wide

The contractor shall furnish all labor, insurance, equipment, materials and power for the completion of the project: "Coldwater Pump Station Procurement" as follows: Procurement of pump station equipment and all appurtenances.

Implications of not being approved:

This pump station is the foundation for a planned additional pressure zone supporting growth and development at the northern edge of the water distribution system. The pump station upon implementation would increase the water hydraulic gradeline, fire flows, and reliability to our water customers.

If Prior Approval is being Requested, Justify: N/A

This project was advertised to contractors on November 4, 2016, November 11, 2016 in the Journal Gazette and the News Sentinel and November 9, 2016 in Frost Illustrated, Inc.

The contract for Resolution #66398P awarded to Engineered Fluid, Inc for \$424,658.00 is the only bid and 6% above the Engineer's estimate of \$399,000.00.

The cost of said project funded by Water Utility.
