**NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE
CITY OF FORT WAYNE, INDIANA:**

SECTION 1. That, the Resolution previously designating the above described property as an "Economic Revitalization Area" is confirmed in all respects.

SECTION 2. That, the hereinabove described property is hereby declared an "Economic Revitalization Area" pursuant to I.C. 6-1.1-12.1, said designation to begin on the effective date of this Resolution and shall terminate on December 31, 2021, unless otherwise automatically extended in five year increments per I.C. 6-1.1-12.1-9.

SECTION 3. That, said designation of the hereinabove described property as an "Economic Revitalization Area" shall apply to a deduction of the assessed value of personal property for new manufacturing equipment.

SECTION 4. That, the estimate of the number of individuals that will be employed or whose employment will be retained and the estimate of the annual salaries of those individuals and the estimate of the value of the new manufacturing equipment, all contained in Petitioner's Statement of Benefits are reasonable and are benefits that can be reasonably expected to result from the proposed described installation of the new manufacturing equipment.

SECTION 5. The current year approximate tax rates for taxing units within the City would be:

- (a) If the proposed new manufacturing equipment is not installed, the approximate current year tax rates for this site would be \$3.3722/\$100.
- (b) If the proposed new manufacturing equipment is installed and no deduction is granted, the approximate current year tax rate for the site would be \$3.3722/\$100 (the change would be negligible).

SECTION 6. Pursuant to I.C. 6-1.1-12.1, it is hereby determined that the deduction from the assessed value of the new manufacturing equipment shall be for a period of five years.

SECTION 7. The deduction schedule from the assessed value of new manufacturing equipment pursuant to I.C. 6-1.1-12.1-17 shall look like this:

Year of Deduction	Percentage
1	100%
2	80%
3	60%
4	40%
5	20%
6	0%

SECTION 8. The benefits described in the Petitioner's Statement of Benefits can be reasonably expected to result from the project and are sufficient to justify the applicable deductions.

SECTION 9. For new manufacturing equipment, a deduction application must contain a performance report showing the extent to which there has been compliance with

1 the Statement of Benefits form approved by the Fort Wayne Common Council at the time of
2 filing. This report must be submitted to the Allen County Auditor's Office, and the City of Fort
3 Wayne's Community Development Division and must be included with the deduction
4 application. For subsequent years, the performance report must be updated and submitted
along with the deduction application at the time of filing.

5 **SECTION 10.** The performance report must contain the following information

9 as a result of the deduction.
10 (c) The total salaries of the employees hired through the end of the preceding
11 calendar year as a result of the deduction.

18 has received a deduction under section 3 or 4.5 of said chapter may be required to repay the
19 deduction amount as determined by the county auditor in accordance with section 12 of said
20 chapter if the property owner ceases operations at the facility for which the deduction was
21 granted and if the Common Council finds that the property owner obtained the deduction by
22 intentionally providing false information concerning the property owner's plans to continue
23 operation at the facility.
