Interoffice Memo

Date: August 2, 2017
To: Common Council Members
From: Seth Weinglass, Program Manager – Capital Project Services – Telephone: 427-1330
RE: **Purchase of Vacant Lot in the 700 Block of Nuttman Ave., Fort Wayne, Indiana 46809**

Council Introduction Date: August 8, 2017 - Council District #: 5

Background & supporting information:

City Utilities is planning a storm and sanitary improvement project for the area around Quimby Village, Vesey Avenue, Gruber Avenue and Kinsmoor Avenue. To address concerns about flooding and standing water, the project will involve the construction of a storm sewer and detention basin. Storm inlets will also be removed from the sanitary systems in the area.

City Utilities will need to purchase a number of properties for this project, beginning with this undeveloped lot in the 700 Block of Nuttman Avenue. The present owner is the Allen County Community Development Corporation (ACCDC), which acquired the property after it went unsold at a tax sale in 2003. The purchase price for the property is \$200.

The map attached to this memo highlights each of the properties that City Utilities presently intends to purchase in connection with this project, showing the land under consideration here as property number 2.

Implications of not being approved:

If this property purchase is not approved, the project will need to be redesigned, causing delays to the flood relief that the project is intended to bring about, and necessitating the purchase of a different property, all at additional cost.

Justification if prior approval is being requested: Not applicable

Funding source: Storm Revenue
