15 sufficiently hazardous or dangerous as to require immediate inspection to
16 safeguard the Animal(s) or the public health or safety, the officer shall first
17 present proper credentials and request entry, explaining the reasons therefor.
18 If entry is refused or cannot be obtained because the attending Person(s)
19 having ownership or control of the property cannot be found after reasonable
20 search, the attending officer shall have recourse to secure lawful entry and
21 inspect the property.

22 **§ 91.109 DISPOSITION OF MONEY.**

20 In the event of a dispute regarding such physical condition or illness, the
21 Department may require such Horse be examined by a veterinarian to
22 determine its ability to safely Work in a Rental Horse Business. The cost of
23 any such examination shall be borne solely by the Rental Horse Business. A
24 Horse which has been removed from Work under this division shall not
25 return to Work until it has completely recovered from the condition causing
26 removal from Work, or until such condition has improved sufficiently that a
27 return to Work will not aggravate the condition or otherwise endanger the
28 health of the Horse. A violation of this division shall be presumed if a Horse
29 is found at Work within forty-eight (48) hours following such removal in the
30 same or similar sick or disabled condition which caused the original removal.
Such presumption may be rebutted by a written statement from the

1 veterinarian who examined the Horse after the removal from Work but prior
2 to its return to Work, which confirms his/her professional opinion that it was
3 suitable for the Horse to return to Work prior to the expiration of the forty-
4 eight (48) hour period. Such written statement shall be carried with the
5 Horse during the presumed forty-eight (48) hour recovery period, and
6 provided to the Department upon request.

7
8 (N) Saddles, blankets, harnesses, bridles and bits and all other equipment
9 shall be properly fitted to each Horse and kept in good repair.

10
11 (O) Horses shall be kept clean while at Work and in the Stable. Horses
