#### **ARTICLE 3: PROGRESS PAYMENTS AND RETAINAGE**

The CONTRACTOR may submit requests for payments no more often than every thirty (30) days for work performed and accepted under the Contract. If the CONTRACTOR is in compliance with the provisions of the contract, the Board will make payments for such work performed and completed. However, in any such case, the Board will retain five percent (5%) of the total amount owing to insure CONTRACTOR'S compliance with the E.B.E. provisions in Article 17 attached to this contract. Payments to the CONTRACTOR are not to exceed 5% of the total Contract amount until the OWNER has verified that the CONTRACTOR has made good faith efforts to attain the E.B.E. goal stipulated in Article 17.

If the contract is in excess of \$100,000, the contract will be subject to the standard Board escrow agreement. However, payment of the final 5% of the total contract amount will be dependent upon good faith efforts to comply with the E.B.E. goals stipulated in Article 17 attached hereto, and subject to appropriate reduction in the event of non-compliance, as provided in paragraph 6 of the aforementioned Article 17.

#### ARTICLE 4: ACCEPTANCE AND FINAL PAYMENT

Final payment shall be due at the time the work is fully completed and accepted and the contract, including the E.B.E. provisions in Article 17 attached hereto, is fully performed. Upon filing of a Completion Affidavit by the CONTRACTOR that the work is ready for final inspection and acceptance, the Board will direct the Engineering Department of the OWNER to promptly make such inspection, and will direct the City's Office of Vendor Compliance Department of the OWNER to make a final recommendation on whether the CONTRACTOR made good faith efforts to attain the E.B.E. goal stipulated in Article 17.

When the Engineering Department finds the work acceptable under the contract, and the contract is fully performed, it shall so inform the Board. Likewise, when the Vendor Compliance Department determines that the CONTRACTOR'S efforts constitute good faith efforts to attain the E.B.E. goal as agreed in Article 17 and that all required Vendor Compliance reports have been submitted, it shall so inform the Board of Public Works through an E.B.E. Compliance Final Report.

Upon receiving both the Engineering Department's and the Vendor Compliance Department's recommendations, the Board shall issue a final certificate stating that the work provided for in this Contract has been completed and is accepted, and further stating that the aforementioned E.B.E. goal in Article 17 has been met. Thereupon, the entire balance of the Contract sum shall be due and payable to the CONTRACTOR; provided only that CONTRACTOR shall first furnish OWNER, if requested to do so, satisfactory evidence that all persons who have supplied labor, material, or equipment for the work have been fully paid, and all required Vendor Compliance reports for this project have been submitted.

In the event that the Board determines that good faith compliance with the E.B.E. goals and provisions in Article 17 has not occurred, appropriate reduction in the final payment will be made, pursuant to paragraph 6 of the aforementioned Article 17 attached hereto. Said amount shall be added to the City E.B.E. Bond Guarantee Fund and the CONTRACTOR agrees to accept the reduced amount as full payment under the terms of his/her contract.

If the contract is in excess of \$100,000, the contract will be subject to the standard Board escrow agreement. CONTRACTOR and its subcontractors shall not knowingly employ or contract with an unauthorized alien or retain an employee or contract with a person that CONTRACTOR or its subcontractor subsequently learns is an unauthorized alien. If CONTRACTOR violates this Section 16.23, OWNER shall require CONTRACTOR to remedy the violation not later than thirty (30) days after OWNER notifies CONTRACTOR. If CONTRACTOR fails to remedy the violation within the thirty (30) day period, OWNER shall terminate the contract for breach of contract. If OWNER terminates the contract, CONTRACTOR shall, in addition to any other contractual remedies, be liable to OWNER for actual damages.   Department shall examine all Requests for Waiver to determine if Contractor's efforts
  constitute good faith efforts to attain such goal and shall submit recommendations
  concerning said requests for Waiver for the final determination of the Board.
- 5. Good Faith Per Se. In any case, a CONTRACTOR shall be deemed to have made good faith efforts at compliance where E.B.E.'s have subcontracted for every sub-contract for which there are qualified E.B.E.'s available.
- 6. <u>Consequence of noncompliance</u> In the event the Board approves a recommendation that contractor failed to make good faith efforts at compliance, the contract shall be reduced by the amount calculated as the difference between 10% and the percentage level met. Said amount shall be added to the City of Fort Wayne E.B.E. Bond Guarantee Fund and CONTRACTOR agrees to accept the reduced amount as full payment under the terms of his/her contract.
- 7. <u>Waiver approved</u> In the event the Board determines that a good faith effort to comply with this Article has been made, the contract shall not be reduced, and the balance owing to the contractor shall be paid in full.

#### **ARTICLE 18: PREMATURE WORK COMMENCEMENT**

CONTRACTOR shall not commence any work or operation as described in these Project Specifications and/or Project Bid items, in part or whole, prior to the Notice-to-Proceed. Work performed prior to the date of the Notice to Proceed shall be considered work outside of the scope of the contract for purposes of payment. CONTRACTOR agrees that any work or operation, as described in the Project Specifications and/or Project Bid Items, in part or whole, prior to the Notice to Proceed shall be deducted from the project Bid Quantities and Project Cost. CONTRACTOR agrees that such action is at the CONTRACTOR'S risk and without liability on the part of the City.

# ARTICLE 19: FINDING DETERMINATION OF RESPONSIBILITY FOLLOWING COMMENCEMENT OF WORK

A determination of responsibility may be made after work has commenced if the CONTRACTOR fails to remedy certain violations under IC 5-16-13 within thirty (30) days. For purposes of this determination, the term "contractor" refers generally to a contractor in any contractor tier. For example, a contractor may be found not responsible for a period up to forty-eight (48) months if one of the following occur:

- (1) The contractor does not maintain general liability insurance in the amount of \$1,000,000 for each occurrence and \$2,000,000 for the general aggregate;
- (2) The Tier 1 contractor does not contribute 15% of the contract in work, materials, or services;
- (3) The contractor does not fit within the "contractor tier" structure, as that term in defined under IC 5-16-13-4:
- (4) The contractor pays cash to any individual for work performed in connection with the contract; or

(5)	The contractor fails to provide the City with the E-verify case verification number for thos
	individuals required to be verified prior to beginning work on the contract.

When making a determination of responsibility after work has commenced, the severity of the violation will be taken into consideration when determining the length of time the contractor will be found not responsible. The period during which the contractor is considered not responsible begins on the date of substantial completion of the public works project.
