WITNESSETH:

WHEREAS, Declarant is the fee simple owner of record in fee simple of certain real estate located in Fort Wayne, Allen County, Indiana, the legal description of which is attached hereto as Exhibit "A" (herein, the "Real Estate"); and

WHEREAS, Declarant has submitted a Zoning Map Amendment Application with the City of Fort Wayne Plan Commission ("Plan Commission"), bearing number REZ-2019-____ (the "Zoning Application") with respect to the Real Estate; and

WHEREAS, pursuant to the Zoning Application, Declarant has requested the Real Estate be rezoned to C-3 pursuant to the City of Fort Wayne Zoning Ordinance (the "Ordinance"); and

WHEREAS, Declarant, in conjunction with the Zoning Application, has submitted this written commitment to the Plan Commission, voluntarily, pursuant to section 157.503 of the Ordinance and Indiana Code 36-7-4-1015, for the purpose of limiting certain off site impacts and certain uses arising from development upon the Real Estate.

NOW, THEREFORE, in consideration of the above and foregoing recitals, Declarant hereby impresses upon the Real Estate certain restrictions and covenants which shall run with the Real Estate and be binding upon Declarant and all future owners of the Real Estate, and all lessees of all or a portion of the Real Estate.

1. **Use Limitations.** All uses that are permitted as a matter of right in the C-3 (General Commercial) zoning district pursuant to Section 157.216 of the Ordinance that are not also permitted as a matter of right in the C-2 (Limited Commercial) zoning district pursuant to Section 157.213 of the Ordinance shall be prohibited, except for the following:

- a. Automobile car wash;
- b. Gas station;
- c. Propane / bottled gas sales and service as an accessory use to a gas station or convenience store; and

PROJECT SUMMARY

- The site is fully developed with gas pumps/canopy, convenience store and attached retail.
- The site was rezoned to B1 in 1959 (currently C2/Limited Commercial)
- The gas station was completed in 2005, the attached retail was completed in 2013.

The petitioner requests a rezoning from C2/Limited Commercial to C3/General Commercial to allow the existing use of the property to comply with the current zoning ordinance. The existing gas station, convenience store, and canopy are located along the east side of Wayne Trace on the southeast corner of Wayne Trace and Oxford Street. The property was rezoned to B1 in 1959, which later became CM2 via an Ordinance update. Prior to the current use, the property operated commercially until 2005 when the gas station was constructed as a permitted use in the CM2 zoning district. The CM2 zoning later became C2/Limited Commercial via a Zoning Ordinance amendment. The 2014 zoning ordinance amendment removed gas stations as a permitted use from the C2 district. The attached retail building will not be affected by the proposed rezoning.

The petitioner seeks the allowance of the existing gas station, and the ability to maintain, expand and improve as allowed for a permitted use. The current gas station developed on the property under existing zoning which permitted the development without requiring a rezoning.

Along with the rezoning request, the petitioner has submitted a voluntary Written Commitment governing uses on the property. If approved, all but four C3 /General Commercial uses will be **prohibited**. Those new C3 uses proposed to be **permitted** are:

- (1) Automobile car wash
- (2) Gas station
- (3) Propane/bottled gas sales and service as an accessory to a gas station or convenience store
- (4) Truck fueling station

The Comprehensive Plan encourages development that will not adversely affect the current conditions of an area or the character of the current structures in the area. The gas station and convenience store with attached retail are located at fully developed commercial intersection and the existing gas station was developed in accordance with the Ordinance effective in 2005 and was a permitted use. This proposal does not include any request to change or increase the intensity of the existing use. Staff is not opposed to bringing the existing use into compliance with the ordinance, with a Written Commitment.

The comprehensive plan supports this development through the following objectives:

LU1. Encourage carefully planned growth by utilizing the conceptual development map as part of the community's land use decision-making process;

LU3. Use land resources efficiently by encouraging new development, revitalization and redevelopment in areas already served by infrastructure;

LU8. Use land resources efficiently by encouraging compact development alternatives in infill areas where utilities and other infrastructure currently exist.

FORT WAYNE PLAN COMMISSION • FINDINGS OF FACT

Rezoning Petition REZ-2019-0053

APPLICANT:	Baksho, LLC
REQUEST:	To rezone property from C2/Limited Commercial to C3/General Commercial to bring the existing gas station use in conformance with the Zoning Ordinance.
LOCATION:	The address of the subject property is 3505 Wayne Trace (Section 17 of Adams Township).
LAND AREA:	Approximately 1.3 acres
PRESENT ZONING:	C2/Limited Commercial
PROPOSED ZONING:	C3/General Commercial

The Plan Commission recommends that Rezoning Petition REZ-2019-0053, with a Written Commitment, be returned to Council with a “Do Pass” recommendation after considering the following:

1. Approval of the rezoning request will be in substantial compliance with City of Fort Wayne Comprehensive Plan, and should not establish an undesirable precedent in the area. The existing gas station was developed in 2005 as a permitted use under the Zoning Ordinance. No changes are proposed to the development. The purpose of the rezoning is to allow an existing use to comply with the zoning ordinance.
2. Approval of the request will not have an adverse impact on the current conditions in the area, or the character of current structures and uses in the area. The existing development received Plan Commission and legislative review and approval. A proposed Written Commitment prohibiting all but existing C3 uses will protect surrounding property owners from new intensive or incompatible uses.
3. Approval is consistent with the preservation of property values in the area. This proposal does not increase the intensity of the existing use, and allows for the property to be maintained, expanded and/or improved, allowing for investment when desired or necessary.
4. Approval is consistent with responsible development and growth principles based on existing uses and infrastructure in the area.

These findings approved by the Fort Wayne Plan Commission on August 19, 2019.

Effect of Passage: Property will be rezoned to the C3-General Commercial zoning district, along with a Written Commitment to prohibit other C3 uses. The rezoning will allow the existing use to conform to the ordinance.

Effect of Non-Passage: The property will remain zoned C2-Limited Commercial, which does not permit new gas stations. The existing investment is non-conforming, which affects how the property can be developed or expanded in the future.
