WITNESSETH:

WHEREAS, Declarant is the fee simple owner of record in fee simple of certain real estate located in Fort Wayne, Allen County, Indiana, the legal description of which is attached hereto as Exhibit “A” (herein, the “Real Estate”); and

WHEREAS, Declarant has submitted a Zoning Map Amendment Application with the City of Fort Wayne Plan Commission (“Plan Commission”), bearing number REZ-2019-____ (the “Zoning Application”) with respect to the Real Estate; and

WHEREAS, pursuant to the Zoning Application, Declarant has requested the Real Estate be rezoned to C-3 pursuant to the City of Fort Wayne Zoning Ordinance (the “Ordinance”); and

WHEREAS, Declarant, in conjunction with the Zoning Application, has submitted this written commitment to the Plan Commission, voluntarily, pursuant to section 157.503 of the Ordinance and Indiana Code 36-7-4-1015, for the purpose of limiting certain off site impacts and certain uses arising from development upon the Real Estate.

NOW, THEREFORE, in consideration of the above and foregoing recitals, Declarant hereby impresses upon the Real Estate certain restrictions and covenants which shall run with the Real Estate and be binding upon Declarant and all future owners of the Real Estate, and all lessees of all or a portion of the Real Estate.

1. Use Limitations. All uses that are permitted as a matter of right in the C-3 (General Commercial) zoning district pursuant to Section 157.216 of the Ordinance that are not also permitted as a matter of right in the C-2 (Limited Commercial) zoning district pursuant to Section 157.213 of the Ordinance shall be prohibited, except for the following:

- a. Automobile car wash;
- b. Gas station;
- c. Propane / bottled gas sales and service as an accessory use to a gas station or convenience store; and
- d. Truck fueling station.

Notwithstanding anything contained herein to the contrary, and for purposes of the avoidance of doubt, all uses that are permitted as a matter of right in the C-2 (Limited Commercial) zoning district pursuant to Section 157.213 of the Ordinance shall continue to be permitted uses on the Real Estate.

2. Permits. No permits shall be issued under the Ordinance by the Zoning Administrator until this Commitment is recorded with the Allen County Recorder. The Declarant shall deliver to the Zoning Administrator and the Plan Commission an executed and recorded copy of this Commitment.

3. Successors and Assigns. This Commitment and the restrictions set forth above shall inure to the benefit of all persons who own property comprising the Real Estate, their successors and assigns, and shall also inure to the benefit of the Zoning Administrator of the City of Fort Wayne and the Plan Commission. This Commitment and the restrictions and limitations set forth herein shall run with the Real Estate, and any conveyance thereof, shall be binding upon Declarant and its successors and assigns as owners of the Real Estate.

4. Enforcement Rights. The City of Fort Wayne Zoning Administrator (the "Zoning Administrator") and the Plan Commission each shall have the option (but not the obligation) to enforce this Commitment, at law or in equity, in the event of a breach of an obligation in this Commitment; and in the event such an enforcement action is commenced, the Zoning Administrator or the Plan Commission (as applicable) shall have the remedies allowed by the Ordinance (or the ordinance governing the Real Estate at the time of the enforcement action) and I.C. §36-7-4-1015, which remedies shall be cumulative and not exclusive. A violation of this Commitment shall be deemed a violation of the Ordinance, or the ordinance governing the Real Estate at the time of the violation; provided, however, that nothing in this Commitment shall be construed as giving any person the right to compel enforcement of it by the Zoning Administrator or the Plan Commission, or any successor agency having zoning jurisdiction over the Real Estate.

PROJECT SUMMARY

- The site is fully developed with gas pumps/canopy and convenience store.
- The site was rezoned to B1 in 1956 (currently C2/Limited Commercial)
- The gas station was built in in 2013

STAFF DISCUSSION:

The petitioner requests a rezoning from C2/Limited Commercial to C3/General Commercial to allow the existing use of the property to comply with the current zoning ordinance. The existing gas station, convenience store, and canopy are located along the west side of South Calhoun Street just west of Southgate Shopping Center. The property was rezoned to B1 in 1956. B1 later became CM2 with a Zoning Ordinance update. The property was used commercially until the site redeveloped with a gas station in 2013. In 2013 the property developed on existing CM2 zoning which later became C2/Limited Commercial via a Zoning Ordinance amendment. In 2013, when the property was developed, the Ordinance permitted the gas station use in the CM2 district. The 2014 zoning ordinance amendment removed gas stations from the C2 district.

The petitioner seeks the allowance of the existing gas station, and the ability to maintain, expand and improve as allowed for a permitted use. The current gas station developed on the property under existing zoning which permitted the development without requiring a rezoning.

Along with the rezoning request, the petitioner has submitted a voluntary Written Commitment governing uses on the property. If approved, all but four C3 /General Commercial uses will be **prohibited**. Those new C3 uses proposed to be **permitted** are:

- (1) Automobile car wash
- (2) Gas station
- (3) Propane/bottled gas sales and service as an accessory to a gas station or convenience store
- (4) Truck fueling station

The Comprehensive Plan encourages development that will not adversely affect the current conditions of an area or the character of the current structures in the area. The gas station and convenience store are located at the north end of a commercial developed section of S Calhoun Street and was developed in accordance with the Ordinance effective in 2013 and was a permitted use. This proposal does not include any request to change or increase the intensity of the existing use. Staff is not opposed to bringing the existing use into compliance with the ordinance, with a Written Commitment.

The comprehensive plan supports this development through the following objectives:

LU1. Encourage carefully planned growth by utilizing the conceptual development map as part of the community's land use decision-making process;

LU3. Use land resources efficiently by encouraging new development, revitalization and redevelopment in areas already served by infrastructure;

LU8. Use land resources efficiently by encouraging compact development alternatives in infill areas where utilities and other infrastructure currently exist.

FORT WAYNE PLAN COMMISSION • FINDINGS OF FACT

Rezoning Petition REZ-2019-0055

APPLICANT:	KPC Investment LLC
REQUEST:	To rezone property from C2/Limited Commercial to C3/General Commercial to bring the existing gas station use in conformance with the Zoning Ordinance.
LOCATION:	The address of the subject property is 4832 South Calhoun Street (Section 23 of Wayne Township).
LAND AREA:	Approximately .3 acres
PRESENT ZONING:	C2/Limited Commercial
PROPOSED ZONING:	C3/General Commercial

The Plan Commission recommends that Rezoning Petition REZ-2019-0055, with a Written Commitment, be returned to Council with a "Do Pass" recommendation after considering the following:

1. Approval of the rezoning request will be in substantial compliance with City of Fort Wayne Comprehensive Plan, and should not establish an undesirable precedent in the area. The existing gas station was developed in 2013 as a permitted use under the Zoning Ordinance. No changes are proposed to the development. The purpose of the rezoning is to allow an existing use to comply with the zoning ordinance.
2. Approval of the request will not have an adverse impact on the current conditions in the area, or the character of current structures and uses in the area. The project existing development received Plan Commission and legislative review and approval. A proposed Written Commitment prohibiting all but existing C3 uses will protect surrounding property owners from new intensive or incompatible uses.
3. Approval is consistent with the preservation of property values in the area. This proposal does not increase the intensity of the existing use, and allows for the property to be maintained, expanded and/or improved, allowing for investment when desired or necessary.
4. Approval is consistent with responsible development and growth principles based on existing uses and infrastructure in the area.

These findings approved by the Fort Wayne Plan Commission on August 19, 2019.
