RE: Ordinance for New Fund

Dear Council Members:

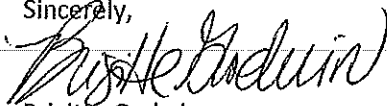

The City of Fort Wayne has been awarded federal grant monies for lead hazard reduction through the Indiana Housing and Community Development Authority. The Office of Housing and Neighborhood Services will administer this grant.

In effort to properly account for grant expenditures and reimbursements, we would like to establish a separate fund to be used for this grant and any future lead grants.

We are asking for Council to approve the creation of a new fund titled "Lead Grant Fund"
