This agreement shall be binding on the parties hereto and their respective personal and legal representatives, successors and assigns.

## Fort Wayne Construction Trades Development Contractual Agreement with The City of Fort Wayne Water Maintenance 2021

Fort Wayne Construction Trades proposes the following items for the repair and restoration work that the City Water Maintenance is requesting. With the partnership of employment of Fort Wayne Community Schools, Fort Wayne Construction Trades students will begin restoration work as soon as the ground thaws, and will continue working until or through December 2021. A crew will begin the work under general instructional supervision of Chris Roberts and site supervision of Steve Smethers and Sam Backstrom. There will be a group of 5 High School Junior's hired and two seniors re-hired from the Career Academy Construction Trades. All students will be subject to the general hiring guidelines and employment regulations of Fort Wayne Community Schools. The restoration staff will be held to all safety guidelines specified by The City Fort Wayne Water Maintenance. The general hourly pay rate of the entire crew of seven students, one dirt crew foreman, one concrete foreman, one daily operations supervisor, and one general instructor is \$250.00. During the 2021 school year the staff will be supervised indirectly by Chris Roberts as an unpaid position. At the conclusion of the 2021 school year the instructor will join the team of construction trades students on site. This pay scale is subject to change due to weekly crew changes and personnel daily schedules but will not exceed the \$250.00 per hour rate. The amount per hour will only exceed the rate listed above due to overtime pay on a bi-weekly basis, at a rate of time and a half for each employee.

All materials necessary for job completion will be charged to City Water Maintenance over and beyond the general hourly rate. The items included as part of material fees would include concrete, rebar, expansion, curing, form release, gasoline, hand tools, concrete forms and miner equipment repairs. All receipts and invoices will be returned to City Water Maintenance for their records.
