Any such approved Operating Budget shall be implemented by the Store Operator in accordance with its terms. The Store

Operator shall be authorized, subject to the limitations set forth in this Agreement and in the Operating Agreement, without the need for approval by the Board or the City Party, to make the expenditures and incur the obligations reasonably anticipated by the relevant Operating Budget or which are necessary to maintain current levels of service and inventory even if such expenses are not anticipated by the Operating Budget; provided, however, costs attributable to new programming, services and/or product lines shall require approval of the Board. The Store Operator acknowledges and agrees that the obligations of the City Party under Section 6.04(c) are conditioned upon the Store Operator's performance of its obligations pursuant to this Section 6.02.

Section 6.03 Financial Reports.

(a) Within thirty (30) days after the end of each Fiscal Quarter, the Store Operator shall furnish to the City Party (i) a statement of income, showing the results of operation of the Grocery Store for such period, including the Gross Revenues and Operating Expenses for such period, a balance sheet of the Store Operator as of the end of such Fiscal Quarter, and a statement of cash flow for such period, which statements shall be in a form mutually and reasonably agreed upon between the parties hereto and shall be certified as true and accurate by a duly authorized officer of the Store Operator, and (ii) a detailed statement, in form acceptable to the City Party, setting forth the amount of the Operational Deficit for such period, if any (a "**Quarterly Operational Deficit Statement**").

(b) Within ninety (90) days after the end of each Fiscal Year, the Store Operator shall furnish to the City Party the Store Operator's financial statements, showing the results of operation of the Grocery Store for such period, including the Gross Revenues and Operating Expenses for such period, a balance sheet of the Store Operator as of the end of such Fiscal Year, and a statement of cash flow for such period.

Section 6.04 Operational Deficit.

(a) On or before the Opening Date, the Store Operator shall open a deposit account with a federally insured bank (the "**Reserve Account**").

(b) Parkview shall advance to the Store Operator funds in an amount sufficient to maintain its working capital during each Fiscal Quarter at levels required for the uninterrupted and efficient operation of the Grocery Store during such Fiscal Quarter in accordance with this Agreement and the then-current Operating Budget, including, without limitation, funds sufficient to timely pay all Operating Expenses and other current liabilities of the Store Operator related to the operation of the Grocery Store during such Fiscal Quarter. Within ten (10) days after the end of each Fiscal Quarter, commencing with the Fiscal Quarter during which the Opening Date falls, the Store Operator shall provide to Parkview and the City Party cash flow forecasts of the Grocery Store's financial needs for the following Fiscal Quarter as part of the regular updates of the then-current Operating Budget. The Store Operator shall manage accounts receivable and inventories as would a prudent operator of a grocery store similar to the Grocery Store. For the avoidance of doubt and notwithstanding anything to the contrary, the funds advanced by Parkview during any Fiscal Quarter pursuant to this Section 6.04(b) shall be subject to reimbursement from the Reserve Account in accordance with the procedures set forth in Section 6.04(c) hereof.

(c) For any **Fiscal Quarter** during the Stabilization Period in which there is an Operational Deficit, within thirty (30) days after the City Party's receipt of a Quarterly Operational

Deficit Statement for such Fiscal Quarter, the City Party shall deposit (or shall cause to be deposited) into the Reserve Account cash in the amount equal to 100% of such Operational Deficit. For any Fiscal Quarter after the expiration of the Stabilization Period, through and including the end of the Fiscal Quarter immediately following the expiration or termination of this Agreement, within thirty (30) days after the City Party's and Parkview's receipt of a Quarterly Operational Deficit Statement for any such Fiscal Quarter, the City Party shall deposit into the Reserve Account cash in the amount equal to fifty percent (50%) of the Operational Deficit and Parkview shall deposit into the Reserve Account cash in the amount equal to fifty percent (50%) of such Operational Deficit.

(d) The Reserve Account may be drawn on by the Store Operator from time to time strictly for the purpose of paying (or reimbursing the Store Operator for) the Operating Expenses or reimbursing Parkview for the funds advanced by it pursuant to Section 6.04(b).

(b) **No Conflicts.** Neither the execution and delivery of this Agreement, nor the consummation of any of the transactions herein or therein contemplated, nor compliance with the terms and provisions hereof or thereof, will contravene the ordinances, rules, regulations of Parkview or the laws of the State of Indiana, or will conflict or result in any breach of any of the terms, covenants, conditions, or provisions of any indenture, mortgage, deed of trust, agreement or other instrument to which the Parkview is a party, by which Parkview or any of its assets or properties are bound, or to which Parkview or any of its assets or properties are subject.

(c) **No Consents.** No consent, authorization, approval, order or other action by, and no notice to or filing with, any court or Governmental Authority or regulatory body or third party is required for the due execution and delivery by Parkview of this Agreement. ARTICLE VIII. INDEMNIFICATION; LIMITATION OF LIABILITY

Section 8.01 Indemnification by the Store Operator. Subject to the terms and conditions of this Agreement, the Store Operator shall defend, indemnify and hold harmless the City Indemnified Parties and the Parkview Indemnified Parties from and against any and all Losses based upon or arising out of:

(a) the breach by the Store Operator of any of its covenants or obligations set forth herein or in the Lease or any other default of the Store Operator hereunder or thereunder;

(b) the failure of any of the representations or warranties made by the Store Operator in this Agreement or in the Lease to be true and correct in any material respect;

(c) any negligent or more culpable act or omission of the Store Operator in connection with the Store Operator's performance under this Agreement;

(d) any claim, action, or proceeding brought or initiated by a third party, including any Governmental Authority (a "**Third-Party Claim**"), against or involving a City Indemnified Party or Parkview Indemnified Party in connection with or otherwise related to the Project (including the operation of the Grocery Store), the Project Site, the Grocery Store Improvements, the Grocery Store (including products sold at the Grocery Store), this Agreement (including the Development Plan), the Lease, and/or the transactions contemplated hereby or thereby, including any Third-Party Claims for damage or injury, actual or claimed, of whatsoever kind or character, to third parties or the property of third parties occurring or allegedly occurring in, on, or about the Project Site, the Grocery Store Improvements, and/or the Grocery Store and any product liability or similar claim for injury to a Person or property;

(e) the Store Operator's ownership, use, management, or operation, as applicable, of the Grocery Store, the Project Site, or the Grocery Store Improvements; or

(f) any violation of, or failure to comply with, any Applicable Laws and Requirements by the Store Operator, any of its Affiliates, or any other Parkview Indemnified Party.

ARTICLE IX. MISCELLANEOUS

Section 9.01 Force Majeure. Neither the City Party, Parkview nor the Store Operator will be liable or responsible to the other, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, when

and to the extent such failure or delay is caused by or results from events beyond the affected party's reasonable control, including acts of God, flood, fire, or explosion, war, terrorism, invasion, riot, or other civil unrest, embargoes, or blockades in effect on or after the Effective Date, national or regional emergency, strikes, labor stoppages or slowdowns, or other industrial disturbances, any passage of law or governmental order, rule, regulation, or direction, or any action taken by a Governmental Authority, including imposing any restriction or prohibition, or any other similar event (each, a "**Force Majeure Event**"). For the avoidance of doubt, delays resulting from the inability of a party hereto to obtain financing or to proceed with its obligations under this Agreement due to lack of funds or any other financial inability of such party, changes in cost or availability of materials, components or services, market conditions or supplier actions or contract disputes will not constitute a Force Majeure Event. The affected party shall promptly give notice after the beginning of the Force Majeure Event to the other party, stating the period of time the occurrence is expected to continue. The affected party shall use commercially reasonable efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized. The affected party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. If the affected party's failure or delay remains uncured for a period of 60 days following notice given by it under this Section 9.01, either party hereto may terminate this Agreement upon 30 days' notice. Unless either party hereto terminates this Agreement pursuant to the preceding sentence, all timelines in the Development Plan will automatically be extended for a period up to the duration of the Force Majeure Event.

Section 9.02 Time of the Essence. Time is of the essence of this Agreement. The parties hereto shall make every reasonable effort to expedite the subject matters hereof (subject to any time limitations described herein) and acknowledge that the successful performance of this Agreement requires their continued cooperation.

Section 9.03 Effective Date. Notwithstanding anything herein to the contrary, this Agreement shall not be effective until all parties hereto have executed this Agreement and the City Party has approved or ratified this Agreement at the appropriate public meeting(s).

Section 9.04 Disclosure of Confidential Information. The parties hereto acknowledge that the City Party is subject to the Indiana Access to Public Records Act (the "APRA"). The APRA generally provides that written documents retained by the City Party are subject to disclosure upon the request of any third party except for specific limited exceptions provided for in the APRA. The Store Operator shall designate as "Confidential" any information which the Store Operator provides to the City Party, the City, or any other City Indemnified Party which the Store Operator desires to keep confidential. If a request for disclosure of any information designated as "Confidential" by the Store Operator is made under the APRA, the City Party shall notify the Store Operator and the Store Operator shall have the opportunity, at its sole cost and risk, to object to the release of such information and seek protection from disclosure by a court of competent jurisdiction.

Section 9.05 Relationship of the Parties. The relationship between the parties hereto is that of independent contractors. Nothing contained in this Agreement will be construed as creating any agency, partnership, joint venture, or other form of joint enterprise, employment, or fiduciary relationship between the parties hereto, and neither party hereto will have authority to contract for or bind the other party in any manner whatsoever.

Section 9.06 Notices. Each party hereto shall deliver all notices, requests, consents, claims, demands, waivers, and other communications under this Agreement (each, a “Notice”) in writing and addressed to the other party hereto at its address set forth below (or to any other address the receiving party may designate from time to time in accordance with this Section 9.06). Each party hereto shall deliver all Notices by personal delivery, nationally recognized overnight courier (with all fees prepaid), facsimile or email (with confirmation of transmission), or certified or registered mail (in each case, return receipt requested, postage prepaid). Except as otherwise provided in this Agreement, a Notice is effective only (a) upon receipt by the receiving party; and (b) if the party giving the Notice has complied with the requirements of this Section 9.06.

Section 9.07 Assignment. Except as otherwise expressly provided in this Agreement, the Store Operator may not assign or otherwise transfer all or any of its rights, or delegate or otherwise transfer all or any of its obligations, hereunder without the prior written consent of the City Party and Parkview (which consent may not be unreasonably withheld, conditioned, or delayed); provided, however, that the Store Operator may make such an assignment, delegation, or other transfer, in whole or in part, without the City Party’s or Parkview’s consent to an Affiliate; provided that the Store Operator shall remain liable and responsible for the performance of all obligations and compliance with all other terms and conditions of this Agreement by such Affiliate. No delegation or other transfer by the Store Operator will relieve such party of any of its

obligations under this Agreement. Any purported assignment or other transfer in violation of this Section 9.07 is void. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective permitted successors and assigns.

Section 9.08 Headings. The headings in this Agreement are for reference only and do not affect the interpretation of this Agreement.

Section 9.09 Entire Agreement. This Agreement, together with the Lease and any other documents incorporated herein by reference and all Exhibits and Schedules attached hereto, constitutes the sole and entire agreement of the parties hereto with respect to the subject matter contained herein and therein, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to such subject matter. In the event of any inconsistency between the statements in the body of this Agreement and those in any Exhibit or Schedule hereto, the statements in the body of this Agreement shall govern and control, unless otherwise expressly provided in such Exhibit or Schedule.

Section 9.10 Expenses. Except as otherwise expressly provided herein, in the Development Plan, or in the Lease, each party hereto is responsible for all of its own costs and expenses in performing its obligations under this Agreement and neither party hereto is obligated to reimburse the other party hereto for any costs or expenses a party hereto incurs in performing such obligations.

Section 9.11 No Third-Party Beneficiaries. Except for any Indemnified Party, this Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or will confer upon any other Person any legal or equitable right, benefit, or remedy of any nature whatsoever, under or because of this Agreement.

Section 9.12 Amendment; Modification; Waiver. This Agreement may only be amended, modified, or supplemented by an agreement in writing signed by each of the parties hereto. No waiver by any party hereto of any of the provisions hereof will be effective unless expressly set forth in writing and signed by the waiving party. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any rights, remedy, power, or privilege arising from this Agreement will operate or be construed as a waiver thereof; nor will any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

Section 9.13 Cumulative Remedies. All rights and remedies provided in this Agreement are cumulative and not exclusive and are in addition to and not in substitution for any other rights or remedies that may now or subsequently be available at law or in equity or otherwise. The City Party shall be entitled to specific performance and injunctive or other equitable relief for any breach or threatened breach of any of the provisions of this Agreement, notwithstanding the availability of an adequate remedy at law, and each party hereby waives the right to raise such defense in any proceeding in equity. Failure of the City Party to enforce any such rights shall not be deemed a waiver thereof.

Section 9.14 Severability. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability will not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon a determination that any term or other provision is

invalid, illegal, or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties hereto as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

Section 9.15 Governing Law. This Agreement (including all exhibits, schedules, attachments and appendices attached hereto) and all matters arising out of or relating to this Agreement, are governed by, and construed in accordance with, the laws of the State of Indiana, without regard to the conflict of laws provisions thereof to the extent such principles or rules would require or permit the application of the laws of any jurisdiction other than those of the State of Indiana.

Section 9.16 Dispute Resolution. The parties hereto shall attempt in good faith to resolve any dispute arising out of or relating to this Agreement promptly by negotiation. Each party hereto may give to the other party written notice of any dispute not resolved in the normal course of business. Within thirty (30) days after delivery of such notice, the receiving party shall submit to the other party a written response. The notice and the response shall include a statement of each party's respective position and a summary of arguments supporting that position. Within thirty (30) days after delivery of the disputing party's notice, the designated representatives of both parties shall meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to attempt to resolve the dispute. All negotiations pursuant to this Section 9.16 are confidential and shall be treated as aimed exclusively at finding a compromise and an amicable solution, but without this being regarded as an admission of liability of whatsoever nature. If the dispute cannot be settled through negotiation within thirty (30) days of the initial meeting of the parties hereto provided for above, then either party hereto may file suit in an Agreed Court (as defined below) in accordance with the provisions of Section 9.17 and Section 9.18.

Section 9.17 Choice of Forum. Each party hereto irrevocably and unconditionally agrees that it shall not commence any action, litigation or proceeding of any kind whatsoever against the other party hereto in any way arising from or relating to this Agreement, including all exhibits, schedules, attachments and appendices attached hereto, and all contemplated transactions, including contract, equity, tort, fraud, and statutory claims, in any forum other than the courts sitting in the City of Fort Wayne, Allen County, Indiana, and any appellate court from any thereof (the "Agreed Courts"). Each party hereto irrevocably and unconditionally submits to the exclusive jurisdiction of the Agreed Courts and agrees to bring any such action, litigation or proceeding only in the Agreed Courts. Each party hereto agrees that a final judgment in any such action, litigation or proceeding is conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 9.18 Waiver of Jury Trial. Each party hereto acknowledges and agrees that any controversy that may arise under this Agreement, including any exhibits, schedules, attachments, and appendices attached to this Agreement, is likely to involve complicated and difficult issues and, therefore, each such party irrevocably and unconditionally waives any right it may have to a trial by jury in respect of any legal action arising out of or relating to this Agreement, including any exhibits, schedules, attachments, and appendices attached to this Agreement, or the transactions contemplated hereby. Each party hereto certifies and acknowledges that (a) no representative of the other party has represented, expressly or otherwise, that such other party would not seek to enforce the foregoing waiver in the event of a legal action, (b) such party has considered the implications of this waiver, (c) such party makes this waiver voluntarily, and (d)

such party has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 9.18.

Section 9.19 No Waiver. No waiver under this Agreement is effective unless it is in writing and signed by an authorized representative of the party waiving its right. Any waiver authorized on one occasion is effective only in that instance and only for the purpose stated, and does not operate as a waiver on any future occasion. None of the following constitutes a waiver or estoppel of any right, remedy, power, privilege or condition arising from this Agreement: any failure or delay in exercising any right, remedy, power or privilege or in enforcing any condition under this Agreement or any act, omission or course of dealing between the parties.

Section 9.20 Understanding of Agreement. The parties hereto acknowledge that they have thoroughly read this Agreement, including any exhibits or attachments hereto, and have sought and received such competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein.

Section 9.21 Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together will be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, email, or other means of electronic transmission (to which a PDF copy is attached) will be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

DEVELOPMENT PLAN

1. **Conflicts; Terms.** If there is any conflict or inconsistency between the provisions of the Agreement and those of this Development Plan, the provisions of this Development Plan will control. Except for those terms expressly defined in this Development Plan, all initially capitalized terms will have the meaning ascribed to such terms in the Agreement. The following terms, which are not defined in the Agreement, have the meanings indicated:

“**Hoch**” means Hoch Associates.

“**Outside Completion Date**” means [____], 2023.

“**Plans and Specifications**” means complete and final construction plans and specifications for the Project, including the Grocery Store Improvements and Infrastructure.

“**Preliminary Plans**” means the space plans and general specifications for the Project (including the Grocery Store Improvements and Infrastructure), including the Schematic Design Documents.

“**Schematic Design Documents**” means, collectively, the site plan for the Grocery Store on the Project Site and exterior rendering of the same prepared by Hoch and attached hereto as **Exhibit 1**.

“**Total Cost**” means the total cost of preparing the Preliminary Plans and the Plans and Specifications, obtaining all necessary permits, completing the Project, and constructing and installing the Grocery Store Improvements and Infrastructure.

2. **Cooperation on Design; Preliminary Plans.**

2.1. Subject to the terms and conditions contained herein, the City Party and Parkview shall jointly develop, finance, and construct the Project, and the Store Operator shall operate the Grocery Store, upon the Project Site, all as provided in this Development Plan and in the Agreement.

2.2. The City Party and Parkview have engaged the services of Hoch to develop the Schematic Design Documents and the other Preliminary Plans, copies of which are attached hereto as **Exhibit 1** and all of which are hereby approved by both the City Party and Parkview.

2.3. From the Effective Date until the date of the Substantial Completion of the Grocery Store Improvements, Parkview and the City Party shall meet with each other and/or such other parties as either party shall reasonably designate at such intervals as the City Party and Parkview shall mutually agree on or reasonably request, and not less frequently than once per month, to review and discuss the design, development, and construction of the Project. The Plans and Specifications shall contemplate: (x) the design, development, construction, equipping, and completion of the Project in accordance with the Preliminary Plans, this Development Plan, and all Applicable Laws and Requirements, (y) a guaranteed maximum price with respect to the Total Cost, and (z) a guaranteed Substantial Completion not later than the Outside Completion Date.

3. **Plans and Specifications.** As soon as possible, but in no event later than sixty (60) days after the Effective Date, the City Party and Parkview will cause Hoch to prepare the Plans and Specifications based on the Preliminary Plans. The Plans and Specifications will be subject to

the review and approval by both the City Party and Parkview, which approval (or rejection) shall be provided by the City Party and Parkview within ten (10) business days after their receipt thereof; provided that, if the City Party or Parkview rejects all or any portion of the Plans and Specifications, then: (a) such party shall provide written notice to the other party and Hoch, identifying with specificity the reason for such rejection; and (b) Hoch shall promptly submit revisions to the City Party and Parkview for their approval. The foregoing process shall continue until such time as both the City Party and Parkview have approved all of the Plans and Specifications. Notwithstanding the foregoing, but subject to Section 8 of this Development Plan, the City Party and Parkview hereby agree to not unreasonably withhold, condition, or delay their approval of the Plans and Specifications as long as the same are substantially consistent in all material respects with the Preliminary Plans. Once approved in accordance with this Section 3, the Plans and Specifications will replace the Preliminary Plans.

4. Initial Cost Estimate; Cost Proposal

- 4.1. The estimated total cost of developing, constructing and equipping the Project, based on the approved Preliminary Plans, is \$3,039,344.17 (the “**Initial Cost Estimate**”), which Initial Cost Estimate is hereby approved by both the City Party and Parkview.
- 4.2. At such time as the Plans and Specifications have been so approved by both the City Party and Parkview, the City Party, through the services of a Construction Manager as Constructor (a “**CMC**”), procured according to applicable law, will obtain bids for the construction or installation of the Project subject to applicable law and according to the Plans and Specifications and will notify Parkview of the proposed Total Cost based on such bids (the “**Cost Proposal**”). If the Cost Proposal is less than or equal to the Initial Cost Estimate, then Parkview will be deemed to have each approved the Cost Proposal. If the Cost Proposal is greater than the Initial Costs Estimate, then the City Party or Parkview, upon consultation with each other and mutual agreement, may (a) approve the Cost Proposal in writing; or (b) elect to value engineer portions of the Project, or eliminate or revise one or more items shown on the Plans and Specifications so as to reduce the Cost Proposal to be within the Initial Cost Estimate; or (c) elect to terminate the Agreement. Upon any termination of the Agreement pursuant to this Section 4.2, the Agreement shall terminate, and, except as specifically set forth herein (including in Section 0 below), the parties hereto shall have no further duty or obligation hereunder, and, without limiting the generality of the foregoing, each party shall be liable and responsible for all costs and expenses incurred by it with respect to the Agreement and the transactions contemplated hereby, and the other party shall have no duty or responsibility of any type or nature to reimburse or otherwise pay any such costs or expenses.

5. Total Cost/Charitable Contribution.

- 5.1. Except as otherwise provided in Section 5.3 below, the City Party shall bear the Total Cost of constructing the Project.
- 5.2. Parkview, for its part, shall make a charitable contribution to the City Party in the amount of \$1,520,000.00 in support of the Grocery Store (the “**Parkview Contribution**”), to be paid in five (5) equal, annual installments of \$304,000.00, the first installment of which shall be paid within thirty (30) days of the Effective Date (as defined in Section 9.03 of the Agreement). Parkview has elected to provide the Parkview Contribution as a community benefit to promote quality community health in the City of Fort Wayne and,

accordingly, the Parkview Contribution shall be deemed as being made by Parkview for the community's benefit. The parties hereto recognize that the provision of services by Parkview and the Store Operator pursuant to this Agreement promotes the quality of health in the community and that such services are valued as a significant benefit to the community.

- 5.3. In addition, all fees and expenses of Hoch in connection with preparing the Schematic Design Documents in the amount of \$46,600.00, shall be borne equally by Parkview, on the one hand, and the City Party, on the other hand.

6. Construction of the Project.

- 6.1. At such time as the City Party and Parkview both have approved (or are deemed to have approved) the Cost Proposal, the City Party, through a CMC, will proceed with the public bidding of the Project and thereafter with the construction of the Project.
- 6.2. The City Party shall diligently pursue, commencing on the Effective Date, and shall obtain all applicable legal and/or regulatory permits, licenses or approvals (including all zoning, development plan and land subdivision approvals) as are legally required to commence construction of the Project from any federal, state or local commission or authority having jurisdiction over the Project. The City Party shall obtain (or cause to be obtained) all building permits necessary to construct the Project in accordance with the Plans and Specifications. Parkview agrees to provide assistance and guidance to the City Party in the preparation of such petitions and applications as are necessary for the construction of the Project. Parkview also agrees to support the Project before public bodies reviewing such petitions and applications based upon the Preliminary Plans and Plans and Specifications approved by the City Party.
- 6.3. The City Party agree to cause the construction of the Project to be commenced as soon as possible after the Effective Date, but no later than sixty (60) days after the Effective Date (the "**Construction Commencement Date**").
- 6.4. During construction of the Grocery Store Improvements, either Parkview or the City Party may request changes in the work by preparing and delivering to the other party, for its approval, a change order (a "**Change Order**"), identifying, among other things, the total cost of such change, which will include associated architectural, engineering, and construction contractor's fees, and, if applicable, an amount sufficient to reimburse the other party for overhead and related expenses incurred in connection with such Change Order. All Change Orders will be subject to the other party's prior written approval in accordance with Section 8 below.
- 6.5. The City Party shall use its best efforts to cause the Project to be constructed in a good and workmanlike manner and according to the Plans and Specifications and all Applicable Laws and Requirements.
- 6.6. Subject to any permitted delays pursuant to Section 9 below, the City Party shall use its best efforts to cause the Substantial Completion of the Project to be achieved on or before the Outside Completion Date.
- 6.7. The City Party and Parkview agree that all Grocery Store Improvements shall be and remain the City Party's property after the procurement thereof.

7. **Punch List.** The Store Operator's taking possession of any portion of the Grocery Store Improvements will be conclusive evidence that such portion of the Grocery Store was in good order and satisfactory condition when the Store Operator took possession, except as to any patent defects identified on a punch list prepared and signed by the City Party's and the Store Operator's respective representatives after an inspection of the Grocery Store by both such parties when the Store Operator takes possession. Neither the City Party, nor any other City Indemnified Parties will be responsible for any items of damage caused by the Store Operator, its agents, independent contractors, or suppliers.

8. **Approval.** The Plans and Specifications and all Change Orders are expressly subject to the prior written approval of both the City Party and Parkview. Either the City Party or Parkview may withhold its approval of any such item that:

- (a) Exceeds the Initial Cost Estimate;
- (b) Violates any agreement which affects the Project Site or binds such party;
- (c) Such party reasonably believes will increase the cost of operating or maintaining the Project;
- (d) Such party reasonably believes will reduce the market value of the Project at the end of the Term; or
- (e) Does not conform to the applicable building code or is not approved by any applicable Governmental Authority.

9. **Permitted Delays.** If the Substantial Completion of the Project is delayed as a result of:

- (a) any Change Orders or changes in any drawings, plans or specifications requested by the City Party or Parkview;
- (b) the City Party's or Parkview's failure to review or approve in a timely manner any item requiring such party's review or approval; or
- (c) a Force Majeure Event,

then the Outside Completion Date will be extended one day for each day of delay.

DIGEST SHEET

TITLE OF RESOLUTION. Resolution of the Common Council of the City of Fort Wayne Approving Certain Funds and Agreements to Provide for the Construction of a Grocery Store on the Pontiac Street Corridor.

DEPARTMENT REQUESTING RESOLUTION. Community Development.

SYNOPSIS OF RESOLUTION. This Resolution contains the approvals necessary to commence construction and operation of a grocery store on the Pontiac Street Corridor in Southeast Fort Wayne. Specifically, the Resolution: (i) approves the use of \$2,000,000 of ARPA funds for construction (note that preliminary approval was given in September 2022), (ii) allocates \$700,000 from LIT Funds toward construction, and provides for the reimbursement of such funds, (iii) approves a Grocery Store Development and Operation Agreement between the City of Fort Wayne, Parkview Hospital, Inc., and the non-profit entity created to operate the Grocery, and (iv) assigns certain responsibilities to the Redevelopment Commission, including development and construction of the grocery and the City's right, title, and interest in the Grocery Store Improvements.

EFFECT OF PASSAGE. Development of a full-service grocery is a key component of the recently-adopted Southeast Strategy Update. The project would rehabilitate and expand an existing building on the Pontiac Street Corridor into a 6,500 sq ft full-service grocery. The grocery is being developed in partnership with Parkview, and would be operated by a non-profit entity controlled by a board of City and Parkview representatives. An advisory committee of community members would provide feedback to the Board to ensure that the grocery continued to meet the needs of the community.

The grocery will improve food access and food security for a portion of the city that is currently designated as a "food desert" due to low median household income, lack of fresh food options, and limited transportation. Access to fresh, healthy, and affordable food will address health challenges such as diabetes, heart disease, high blood pressure, and obesity. Improved food security will also alleviate childhood hunger and improve maternal health and infant mortality. The grocery will serve as a community hub that will catalyze additional business growth and investment.

Upon passage, Community Development, by and through the Redevelopment Commission, will be in a position to enter into a construction management contract with Hagerman. It is anticipated that construction will begin in February 2023 and be completed in September, with a grand opening in October.

EFFECT OF NON-PASSAGE. This Resolution approves the primary source of funding and the terms of the public-private partnership. Non-passage would effectively end the project.

MONEY INVOLVED (DIRECT COSTS, EXPENDITURES, SAVINGS). This is a not to exceed contract amount of \$3.4 million. Sources of funding include: \$2,000,000 from ARPA; \$700,00 from LIT; \$700,000 to be considered by Redevelopment Commission.

ASSIGNED TO COMMITTEE (PRESIDENT). _____

MEMO

To: City of Fort Wayne Common Council

From: Nancy Townsend, Community Development Director, 427-2323

Re: Resolution of the Common Council of the City of Fort Wayne Approving Certain Funds and Agreements to Provide for the Construction of a Grocery Store on the Pontiac Street Corridor.

Community Development hereby requests that the Common Council consider and approve certain items related to the development, construction and operation of a full-service grocery store on the Pontiac Street Corridor in Southeast Fort Wayne.

The project fulfills a key component of the recently-adopted Southeast Development Strategy and addresses food access and food security challenges present in the community. It is being developed in partnership with Parkview Hospital, Inc., and would be operated by a non-profit entity controlled by a board of representatives from the City and Parkview.

City Council approval is required for the use of ARPA funds and LIT funds, which are critical sources of construction financing. City Council approval is also required for the Grocery Store Development and Operation Agreement between the City, Parkview, and the non-profit store operator.

Accordingly, please find enclosed herewith a Resolution, supporting materials describing the project, and the Operating Agreement.

Please contact me if you have any questions.

Sincerely,

Nancy Townsend
