RE: Acquisition of 3323 Taylor Street, in Fort Wayne, Indiana 46802

Council Introduction Date: February 14, 2023 - Council District #: 5

Background & supporting information:

City Ordinance 37.25 requires the prior approval or subsequent ratification of any acquisition of real estate. The vacant lot located at 3323 Taylor Street is needed for storm drainage improvements. This tax-delinquent property was offered for public auction by Allen County in 2021, as part of its annual tax sale. The assessed value of the property at the time was \$800, and City Utilities' tax sale agent submitted the high bid for the property in the amount of \$781.43, resulting in a tax lien that the owner had one year to redeem. After the owner allowed such redemption period to lapse, a tax deed was issued to the tax sale agent. City Utilities is now seeking to have the high bid ratified, and for approval of a quitclaim of the tax deed to the City. A map depicting the property's location is attached.

Implications of not being approved:

Any future acquisition of this property is likely to be at a higher price than the amount bid at this auction. This is a vacant property in a floodplain, and is not likely to be useful to a private owner.

Justification if prior approval is being requested: Not applicable

Funding source: Flood funds
