In order to be considered an Economic Revitalization Area (ERA), the area must be within the corporate limits of the City of Fort Wayne and must have become undesirable for, or impossible of, normal development and occupancy because of a lack of development, cessation of growth, deterioration of improvements or character of occupancy, age, obsolescence, substandard buildings, or other factors which have impaired values or prevent a normal development of property or use of property. How does the property for which you are requesting designation meet the above definition of an ERA?

The property is located within the City of Fort Wayne Corporate limits. The property has been vacant with the former owners for just over 7 years and over 10 years with the owner prior to that. Attached hereto as "Exhibit A" as if a part herein; and

WHEREAS, said project will create 10 additional full-time, permanent jobs with a total additional annual payroll of \$624,200 and an average annual salary of \$62,420 and retain 78 current full-time permanent jobs and five part-time jobs with a retained total annual payroll of \$5,148,288 and an average full-time annual salary of \$68,016; and

WHEREAS, notice of the adoption and substance of said Resolution has been published in accordance with I.C. 6-1.1-12.1-2.5 and I.C. 5-3-1 and a public hearing has been conducted on said Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That, the Resolution previously designating the above described property as an "Economic Revitalization Area" is confirmed in all respects.

SECTION 2. That, the hereinabove described property is hereby declared an "Economic Revitalization Area" pursuant to I.C. 6-1.1-12.1, said designation to begin on the effective date of this Resolution and shall terminate on December 31, 2026, unless otherwise automatically extended in five year increments per I.C. 6-1.1-12.1-9.

SECTION 3. That, said designation of the hereinabove described property as an "Economic Revitalization Area" shall apply to a deduction of the assessed value of real estate improvements made between July 1, 2023 and December 31, 2024. Should any delays occur, an updated timeframe will be communicated to the Allen County Auditor by Community Development staff in writing.

SECTION 4. That, the estimate of the number of individuals that will be employed or whose employment will be retained and the estimate of the annual salaries of those individuals and the estimate of the value of redevelopment or rehabilitation, all contained in Petitioner's Statement of Benefits are reasonable and are benefits that can be reasonably expected to result from the proposed described redevelopment or rehabilitation.

SECTION 5. The current year approximate tax rates for taxing units within the City would be:

- (a) If the proposed development does not occur, the approximate current year tax rates for this site would be \$2.8936/\$100.
- (b) If the proposed development does occur and no deduction is granted, the approximate current year tax rate for the site would be \$2.8936/\$100 (the change would be negligible).

SECTION 6. Pursuant to I.C. 6-1.1-12.1, it is hereby determined that the deduction from the assessed value of the real property shall be for a period of ten years.

SECTION 7. The deduction schedule from the assessed value of the real property pursuant to I.C. 6-1.1-12.1-17 shall look like this:

Year of Deduction	Percentage
1	100%
2	95%
3	80%
4	65%

8	20%
9	10%
10	5%
11	0%

SECTION 8. The benefits described in the Petitioner's Statement of Benefits can be reasonably expected to result from the project and are sufficient to justify the applicable deductions.

SECTION 9. For real property, a deduction application must contain a performance report showing the extent to which there has been compliance with the Statement of Benefits form approved by the Fort Wayne Common Council at the time of filing. This report must be submitted to the Allen County Auditor's Office, and the City of Fort Wayne's Community Development Division and must be included with the deduction application. For subsequent years, the performance report must be updated each year in which the deduction is applicable at the same time the property owner is required to file a personal property tax return in the taxing district in which the property for which the deduction was granted is located. If the taxpayer does not file a personal property tax return in the taxing district in which the property is located, the information must be provided by May 15.

SECTION 10. The performance report must contain the following information

- A. The cost and description of real property improvements.
