MEMO

Dear City Council –

Below is the list of individuals I would like to have serve on the Historic Preservation Commission. I've included background information and qualifications about each person.

- Tyler Bowers. Tyler is a resident and past president of the West Central Local Historic District and currently serves as the Chair of the Commission. It is beneficial to have historic district property owners represented on the Commission.
- Sam Eagleson. Sam is owner of Evergreen Remodeling Inc. As a building contractor, he fulfills the recommendation within the Ordinance which states "members of the Commission should include professionals in the disciplines of architectural history, planning, and other disciplines related to historic preservation." It is beneficial to have a building contractor serve on the Commission to advise staff and the Commission during case reviews.
- Jessica Franke. Jessica has a dual master's degree in architecture and historic preservation. As a practicing architect, she fulfills the recommendation within the Ordinance which states "members of the Commission should include professionals in the disciplines of architectural history, planning, and other disciplines related to historic preservation."

Sincerely Yours,

A handwritten signature in cursive script, reading "Thomas C. Henry".
