RE: **Purchase of 1.56 Acres of Vacant Land West of 7730 Leesburg Rd, Fort Wayne, IN 46818**

Council Introduction Date: February 13, 2024—Council District #: n/a

Background & supporting information:

City Utilities has reached an agreement to purchase 1.56 acres of vacant land on the east side of O'Day Road, north of its intersection with Leesburg Road. The site will be used for a sanitary sewer lift station.

Owner Steven and Janice Hoyt agreed to a purchase price of \$25,000. This purchase will create a new parcel of land, splitting off the area west of Seeger Ditch that City Utilities is purchasing, from the area of the Hoyt's lot that they use for residential purposes, east of the ditch. The map included on the attached purchase agreement shows the new parcel to be purchased.

Implications of not being approved:

If City Utilities does not purchase this land, a different area of land will need to be purchased for the lift station, likely in a less favorable area for the planned sewer main.

Justification if prior approval is being requested: Not applicable
