

BILL NO. S-24-03-15

SPECIAL ORDINANCE NO. S-_____

AN ORDINANCE approving PURCHASE OF FLOW METERING EQUIPMENT (\$138,017.00) between ADS LLC and the City of Fort Wayne, Indiana, in connection with the Board of Public Works.

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That the PURCHASE OF FLOW METERING EQUIPMENT by and between ADS LLC and the City of Fort Wayne, Indiana, in connection with the Board of Public Works, is hereby ratified, affirmed and approved in all respects, respectfully for:

THE PURCHASE OF FLOW METERING EQUIPMENT TO MAINTAIN CONSISTENCY THROUGHOUT OUR STORM AND SEWER COLLECTION SYSTEM AND DATA COLLECTION SYSTEM;

involving a total cost of ONE HUNDRED THIRTY-EIGHT THOUSAND SEVENTEEN AND 00/100 DOLLARS - (\$138,017.00). A copy of said Contract is on file with the Office of the City Clerk and made available for public inspection, according to law.

SECTION 2. That this Ordinance shall be in full force and effect from and after its passage and any and all necessary approval by the Mayor.

NOTES:

1. The above prices do not include labor to support the installation of the flow monitors unless specifically quoted.
2. The above prices do not include any special, modified, or custom documentation or manuals that may be required. Standard ADS Environmental Services manuals, appropriate to the flow monitors delivered, are included with the equipment. The standard manuals for ADS products can be downloaded at www.adsenv.com.
3. Use of ADS software requires agreement to the ADS Privacy Policy and ADS User Agreement, which will be provided upon request.
4. Acceptance of this proposal for the purchase of ADS Products constitutes you and/or your company's agreement to ADS' Standard Terms and Conditions of Sale found at <https://www.adsenv.com/ads-equipment-sale-and-service-terms-and-conditions/>. ADS' Terms and Conditions supersede any terms and conditions in any documentation submitted by you and/or your company as a buyer of ADS products.
5. These items are controlled by the U.S. Government and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations.

Subject: Sole Source Procurement of ADS Products and Components

Dear Mr. Ravenscroft:

ADS LLC d/b/a ADS Environmental Services ("ADS") is the sole manufacturer of the ADS Triton+ System and affiliated sensors, ADS ECHO System, and ADS Rain Alert III rain gauges. ADS is also the sole provider of the ADS PRISM software platform. ADS has developed this proprietary technology based upon forty-plus years of experience in wastewater applications.

Only ADS can meet the specifications and order fulfillment for ADS systems, components, parts, upgrade kits and accessories. Further, because of the high quality and complex technical nature of the equipment components, only ADS manufactured sensors, batteries, circuit boards, flow monitoring upgrade parts and upgrade kits can be used in conjunction with existing systems or to upgrade to newer systems. As such, only ADS, or ADS authorized resellers, may sell or distribute ADS products.

Sincerely,

Bobby G. Pickett, Jr.

Date: March 4, 2024

To: Fort Wayne City Council

From: Chris Ravenscroft x2694

Re: Sole-Source – ADS Meter Equipment Purchase

City Utilities has standardized on collection system monitoring metering equipment with ADS Environmental. The utilities sanitary and storm collection system, wet weather monitoring, and control systems rely on compatibility of high technology equipment for operations and data collection. City Utilities has invested in personnel training specific to the metering equipment and maintains accessibility of replacement parts. The manufacturer has ensured compatibility of equipment with City Utility's existing software and cell carrier.

The manufacturer is the sole vendor of the metering equipment per the "Sole Source Procurement of ADS Parts and Components" letter signed February 21st, 2024.

The total cost of the equipment is \$138,017.00

Project will be funded through WO # 77301 – 3RPORT - System Power Controls and Communication

If you should have any questions, please contact me at (260) 427-2694.

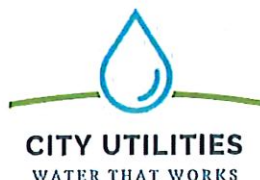

Sincerely,

Chris Ravenscroft, P.E.

Interoffice Memo

Date: March 7, 2024
To: Common Council Members
From: Michael Kiester, Manager, City Utilities Engineering
RE: **3RPORT Power and Control Systems – Flow Meter Purchase
77301**

Council District – N/A

This ordinance is for the Purchase of flow metering equipment from ADS Environmental Services. City Utilities has standardized on collection system monitoring and metering equipment with ADS Environmental. This is to maintain consistency throughout our storm and sewer collection system and data collection system. This purchase is for \$138,017.00.

Implications of not being approved:

City Utilities is in the process of building and commissioning the new 3RPORT Tunnel. The flow meters are required to monitor the performance of the tunnel system and provide operators real-time information for decision making.

If Prior Approval is being Requested, Justify: N/A
