Re: City of Fort Wayne Common Council Approval Request
Of GFW Economic Development Incentives Offer
for Dreyer's Grand Ice Cream, Inc.

Dear Carman:

As you are aware, Dreyer's Ft. Wayne, Indiana facility has been experiencing significant business growth over the past few years. With the help of the City Economic Development, in concert with the City Council, Dreyer's has benefited from local tax incentives that have worked to offset Dreyer's significant capital investments and employment hiring costs and then justify additional future expansion.

Dreyer's is now requesting additional local incentive support for new capital and employment growth as part of a five-year expansion plan that will encompass 2024 – 2029 calendar year investments. Dreyer's has discussed this plan with city representatives to obtain initial support, which was memorialized in writing with the enclosed May 21, 2024 preliminary incentives offer letter, in preparation for upcoming City Council hearings later this month.

For these upcoming City Council meeting, Dreyer's asks that the City consider approval of the following specific request items:

1. Retroactive approval of tax abatement on a five year expansion plan for real and personal property investments that are contemplated between January 1, 2024 – December 31, 2029.
2. A 10-year Enhanced Abatement per IC 6-1.1-12.1-18 with an alternative phase-in schedule as defined in the enclosed May 21, 2024 Incentive Offer.

Dreyer's understands that our anticipated employment and capital growth has qualified our project for the Enhanced Abatement schedule and so our company is requesting formal approval of these terms from the City Council during future preliminary and confirmatory resolution hearings.

Dreyer's appreciates the City's continued support and partnership as we grow together. Please feel free to contact me at 614.783.1815 with any questions.

Sincerely,

Justin Larkin
