Subject: Accela Software as a Service

Members of City Council:

This ordinance is to authorize the purchase of software maintenance services at a total cost of \$197,000 from SCube, Inc.

This software maintenance service supports land management software using the permitting and inspection of projects throughout Allen County. The City and County cooperate using this software and both use SCube, Inc to maintain existing software and to develop new software. This service keeps the existing system running smoothly and allow permitting departments to streamline the overall permitting process.
