RE: Bluffton/Lower Huntington Rezoning

CC: Paul Spoelhof, Director of Planning & Policy

On **May 12, 2025**, the Proactive Rezoning Work Group will petition the Fort Wayne Plan Commission to rezone targeted commercial corridors extending from the intersection of Bluffton Road and Lower Huntington Road, in the central Waynedale area.

The Proactive Rezoning Work Group is a collaborative effort between the City of Fort Wayne Planning and Policy Department and the Allen County Department of Planning Services to proactively rezone corridors and other areas identified as part of neighborhood and other community-based plans. Often these plans include recommendations to rezone areas to a more appropriate zoning district for the actual land uses, or to encourage more compatible land uses and development patterns for the neighborhood.

The Bluffton Road/Lower Huntington Road rezoning was a recommendation of the Bluffton Road Lower Huntington Road Corridor Improvement Plan, adopted in 2017 by Common Council.

The request is to rezone portions of the corridors to UC /Urban Corridor, C1/Professional Office and Personal Services, C2/Limited Commercial, C3/General Commercial, SC/Shopping Center, I1/Limited Industrial, R3/Multiple Family Residential and MHP/Manufactured Home Park. The UC district will allow for and encourage mixed uses with a focus on neighborhood and pedestrian oriented commercial and personal service uses. The current zoning for this area includes C3/General Commercial, C4/Intensive Commercial, I1/Limited Industrial, and I2/General Industrial.

The work group filed these rezoning petitions after several site visits, two community open houses on March 6, 2025, and outreach to several affected property owners and stakeholders. The effort yielded rezoning petitions that allow existing uses to continue and for uses and development patterns to complement the existing development patterns in the greater Waynedale area.
