12 THE CITY OF FORT WAYNE, INDIANA, THAT:

13 Section 1. Authorization of Project; Reimbursement. The City shall proceed

25 the City's existing water distribution system, and all real estate and equipment used in
26
27
28
29
30

1 connection therewith and appurtenances thereto, and all extensions, additions, and
2 improvements thereto and replacements thereof now or at any time hereafter constructed
3 or acquired, including the Project. The Project shall be constructed in accordance with
4 the preliminary plans and specifications heretofore mentioned, which preliminary plans
5 and specifications are hereby approved. The Project shall be constructed and the bonds
6 and/or BANs herein authorized shall be issued pursuant to and in accordance with the
7 Act.
8

9 The City hereby declares its official intent to complete the Project; to reimburse
10 certain costs of completing the Project with proceeds of debt to be incurred by the City,
11 and to issue debt not exceeding \$70,862,000 in aggregate principal amount for purposes
12 of paying and reimbursing costs of the Project.
13

14 In the event the bonds herein authorized or the BANs are purchased by the
15 Authority as part of the IFA Program, on behalf of the City, the Common Council hereby
16 (i) agrees to own, operate and maintain the waterworks and the Project for the duration of
17 their useful life and (ii) represents and warrants to the Authority that the City has no
18 intent to sell, transfer or lease the waterworks or the Project for the duration of their
19 useful life.
20

21 Section 2. Issuance of BANs and Bonds. (a) The City shall issue, if
22 necessary, its BANs for the purpose of procuring interim financing to apply to the cost of
23 the Project. The City shall issue its BANs, in one or more series, in an aggregate amount
24 not to exceed Seventy Million Eight Hundred Sixty-Two Thousand Dollars
25 (\$70,862,000) to be designated "[Taxable] Waterworks Bond Anticipation Notes of ____"
26 (to be completed with the year in which issued and appropriate series designation, if
27 any). The BANs shall be numbered consecutively from 1 upward, shall be sold at a price
28 not less than 98% of their par value or at a price not less than 100% of their par value if
29
30

1 sold to the Authority as part of the IFA Program, shall be in multiples of One Dollar (\$1)
2 if sold to the Authority as part of its IFA Program or in denominations of Five Thousand
3 Dollars (\$5,000) or integral multiples thereof if sold to another purchaser, as set forth in
4 the hereinafter defined Purchase Agreement for the BANs, shall be dated as of the date of
5 delivery thereof, and shall bear interest at a rate not to exceed 6% per annum (the exact
6 rate or rates to be determined through negotiation) payable upon maturity. The BANs
7 will mature no later than five (5) years after their date of delivery. The BANs are subject
8 to renewal or extension at an interest rate or rates not to exceed 6% per annum (the exact
9 rate or rates to be negotiated). The term of the BANs and all renewal BANs may not
10 exceed five years from the date of delivery of the initial BANs. The BANs shall be
11 registered in the name of the purchasers thereof.
12

13
14 Notwithstanding anything in this ordinance to the contrary, any series of BANs
15 issued hereunder may bear interest that is taxable and included in the gross income of the
16 owners thereof. If any BANs are issued on a taxable basis, the designated name shall
17 include the term "Taxable" as the first word in the designated name.

18 The BANs shall be issued pursuant to IC 5-1.5-8-6.1 if sold to the Indiana Bond
19 Bank, pursuant to IC 5-1.2-1 through IC 5-1.2-4 and IC 5-1.2-10 if sold to the Authority,
20 or pursuant to IC 5-1-14-5 if sold to a financial institution or any other purchaser. The
21 principal of and interest on the BANs shall be payable solely from the issuance of
22 revenue bonds pursuant to and in the manner prescribed by the Act. The revenue bonds
23 will be payable solely out of and constitute a first charge against the Net Revenues
24 (herein defined as gross revenues, inclusive of System Development Charges (as
25 hereinafter defined), of the waterworks of the City after deduction only for the payment
26 of the reasonable expenses of operation, repair and maintenance, but not including
27 depreciation and transfers for payment in lieu of property taxes ("PILOTs")) of the
28
29
30

1 waterworks of the City, on a parity with the Outstanding Bonds. For purposes of this
2 ordinance, "System Development Charges" shall mean the proceeds and balances from
3 any non-recurring charges such as tap fees, subsequent connector fees, capacity or
4 contribution fees, and other similar one-time charges that are available for deposit under
5 this ordinance.
6

7 The City shall issue its waterworks revenue bonds, in one or more series, in an
8 aggregate principal amount not to exceed \$70,862,000 to be designated "[Taxable]
9 Waterworks Revenue Bonds of ____" (to be completed with the year in which issued
10 and series designation, if any) ("Bonds") for the purpose of procuring funds to be applied
11 on the cost of the Project, funding the Reserve Account continued herein, the payment of
12 costs of issuance, refunding the BANs, if issued, and all other costs related to the Project.
13 Each series of Bonds shall be sold at a price of not less than par value if sold to the
14 Authority as part of its IFA Program or not less than 98% of their par value if sold to any
15 other purchaser, as applicable, and shall be issued in the denomination of One Dollar (\$1)
16 or any multiple thereof consistent with the requirements of the Authority if sold to the
17 Authority through its IFA Program or in denominations of Five Thousand Dollars
18 (\$5,000) each or integral multiples thereof if sold to any other purchaser, numbered
19 consecutively from 1 upward, dated as of the date of delivery, and shall bear interest at a
20 rate or rates not exceeding six percent (6%) per annum (the exact rate or rates to be
21 determined by bidding or through negotiation with the Authority as part of its IFA
22 Program), payable semiannually on June 1 and December 1 in each year, beginning on
23 the first June 1 or the first December 1 following the date of delivery of the Bonds, as
24 determined by the Controller of the City ("Controller") with the advice of the City's
25 municipal advisor. Principal shall be payable in lawful money of the United States of
26 America, at the principal office of the Paying Agent (as hereinafter defined) and the
27
28
29
30

1 Bonds shall mature annually, or shall be subject to mandatory sinking fund redemption if
2 term bonds are issued, on December 1 of each year, through December 1, 2032, and
3 semiannually thereafter on June 1 and December 1 commencing June 1, 2033, over a
4 period ending no later than thirty-five (35) years after their date of issuance, and in such
5 amounts that will either: (i) produce as level annual debt service as practicable taking
6 into account the annual debt service on the Outstanding Bonds and all Bonds issued
7 hereunder; or (ii) if the Bonds are sold to the Authority as part of its IFA Program, allow
8 the City to meet the coverage and/or amortization requirements of the IFA Program. If
9 the Bonds are sold to the Authority as part of its IFA Program, such debt service
10 schedule shall be finalized and set forth in the Financial Assistance Agreement. The
11 Bonds shall be payable in lawful money of the United States of America, at the principal
12 office of the Paying Agent.
13
14

15 All or a portion of the Bonds may be issued as one or more term bonds, upon election of the
16 successful bidder. Such term bonds shall have a stated maturity or maturities on December 1 for Bonds
17 that mature annually and on June 1 and December 1 for Bonds that mature semiannually on the dates as
18 determined by the successful bidder, but in no event later than the last serial maturity date of the Bonds as
19 determined in accordance with the above paragraph. The term bonds shall be subject to mandatory sinking
20 fund redemption and final payment(s) at maturity at 100% of the principal amount thereof, plus accrued
21 interest to the redemption date, on principal payment dates which are hereinafter determined in accordance
22 with the above paragraph.

23 Each series of Bonds issued hereunder shall rank on a parity for all purposes
24 under this ordinance, including the pledge of Net Revenues, and on a parity with the
25 Outstanding Bonds.

26 Interest on the Bonds and BANs shall be calculated according to a 360-day
27 calendar year containing twelve 30-day months.
28
29
30

1 Notwithstanding anything in this ordinance to the contrary, any series of Bonds
2 issued hereunder may bear interest that is taxable and included in the gross income of the
3 owners thereof. If any such Bonds are issued on a taxable basis, the designated name
4 shall include the term "Taxable" as the first word in the designated name.
5

6 Notwithstanding anything contained herein, the City may accept any other forms of financial
7 assistance, as and if available, from the IFA Program (including without limitation any forgivable loans,
8 grants or other assistance whether available as an alternative to any Bond or BAN related provision
9 otherwise provided for herein or as a supplement or addition thereto). If required by the IFA Program to be
10 eligible for such financial assistance, one or more of the series of the Bonds issued hereunder may be
11 issued on a basis such that the payment of the principal of or interest on (or both) such series of Bonds is
12 junior and subordinate to the payment of the principal of and interest on other series of Bonds issued
13 hereunder (and/or any other revenue bonds secured by a pledge of Net Revenues, whether now outstanding
14 or hereafter issued), all as provided by the terms of such series of Bonds as modified pursuant to this
15 authorization. Such financial assistance, if any, shall be provided in the Financial Assistance Agreement
16 and the Bonds of each series of Bonds issued hereunder (including any modification made pursuant to the
authorization in this paragraph to the form of Bonds otherwise contained herein).

17 Section 3. Registrar and Paying Agent; Book-Entry Provisions. (a) The
18 Controller is hereby authorized to contract with a qualified financial institution to serve
19 as Registrar and Paying Agent for the Bonds ("Registrar" or "Paying Agent"). The
20 Registrar is hereby charged with the responsibility of authenticating the Bonds. The
21 Controller is hereby authorized to enter into such agreements or understandings with the
22 Registrar as will enable the institution to perform the services required of a registrar and
23 paying agent. The Controller is further authorized to pay such fees as the Registrar may
24 charge for the services it provides as Registrar and Paying Agent and such fees may be
25 paid from the Sinking Fund (hereinafter defined) established to pay the principal of and
26 interest on the Bonds as fiscal agency charges.
27
28
29
30

1 As to the BANs and as to the Bonds, if the purchaser does not object to such
2 designation, the Controller may serve as Registrar and Paying Agent and, in that case, is
3 hereby charged with the performance of and all duties of and responsibilities of Registrar
4 and Paying Agent.

5 (b) If the Bonds or BANs are sold to the Authority through its IFA Program,
6 the principal of and interest thereon shall be paid by wire transfer to such financial
7 institution if and as directed by the Authority on the due date of such payment or, if such
8 due date is a day when financial institutions are not open for business, on the business
9 day immediately after such due date. So long as the Authority, as part of its IFA
10 Program, is the owner of the Bonds or BANs, such Bonds and BANs shall be presented
11 for payment as directed by the Authority.

12 If such Bonds are not sold to the Authority as part of its IFA Program or if wire
13 transfer payment is not required, the principal of the Bonds and the principal and interest
14 on the BANs shall be payable at the principal corporate trust office of the Paying Agent.
15 All payments of interest on the Bonds shall be paid by check mailed to the registered
16 owners thereof, as of the fifteenth day of the month preceding each interest payment date
17 ("Record Date"), at the addresses as they appear on the registration books kept by the
18 Registrar or at such other address as is provided to the Paying Agent in writing by such
19 registered owner on or before such Record Date. Notwithstanding anything to the
20 contrary herein, the Bonds shall not be required to be presented or surrendered to receive
21 payment in connection with any mandatory sinking fund redemption until the final
22 maturity date of the Bonds or earlier payment in full of the Bonds. If payment of
23 principal or interest is made to a depository, payment shall be made by wire transfer on
24 the payment date in same-day funds. If the payment date occurs on a date when financial
25 institutions are not open for business, the wire transfer shall be made on the next
26
27
28
29
30

1 succeeding business day. The Paying Agent shall be instructed to wire transfer payments
2 by 1:00 p.m. (New York City time) so such payments are received at the depository by
3 2:30 p.m. (New York City time). Notwithstanding anything to the contrary herein, the
4 Bonds shall not be required to be presented or surrendered to receive payment in
5 connection with any mandatory sinking fund redemption until the final maturity date of
6 the Bonds or earlier payment in full of the Bonds.
7

8 All payments on the Bonds and BANs shall be made in any coin or currency of
9 the United States of America, which on the date of such payment, shall be legal tender
10 for the payment of public and private debts.

11 (c) Each Bond shall be transferable or exchangeable only upon the books of
12 the City kept for that purpose at the principal corporate trust office of the Registrar by the
13 registered owner in person, or by its attorney duly authorized in writing, upon surrender
14 of such Bond together with a written instrument of transfer or exchange satisfactory to
15 the Registrar duly executed by the registered owner, or its attorney duly authorized in
16 writing, and thereupon a new fully registered Bond or Bonds in an authorized aggregate
17 principal amount and of the same maturity, shall be executed and delivered in the name
18 of the transferee or transferees or the registered owner, as the case may be, in exchange
19 therefor. The costs of such transfer or exchange shall be borne by the City except for any
20 tax or governmental charge required to be paid with respect to the transfer or exchange,
21 which taxes or governmental charges are payable by the person requesting such transfer
22 or exchange. The City, Registrar and Paying Agent for the Bonds may treat and consider
23 the person in whose name such Bonds are registered as the absolute owner thereof for all
24 purposes including for the purpose of receiving payment of, or on account of, the
25 principal thereof and interest due thereon.
26
27
28
29
30

1 (d) The Registrar and Paying Agent may at any time resign as Registrar and
2 Paying Agent upon giving 30 days' notice in writing to the City and by first class mail to
3 each registered owner of the Bonds then outstanding, and such resignation will take
4 effect at the end of such 30-day period or upon the earlier appointment of a successor
5 registrar and paying agent by the City. Any such notice to the City may be served
6 personally or sent by registered mail. The Registrar and Paying Agent may be removed
7 at any time as Registrar and Paying Agent by the City, in which event the City may
8 appoint a successor registrar and paying agent. The City shall notify each registered
9 owner of the Bonds then outstanding by first class mail of the removal of the Registrar
10 and Paying Agent. Notices to the registered owners of the Bonds shall be deemed to be
11 given when mailed by first class mail to the addresses of such registered owners as they
12 appear on the registration books kept by the Registrar.
13

14
15 Upon the appointment of any successor registrar and paying agent by the City, the
16 Controller is authorized and directed to enter into such agreements and understandings
17 with such successor registrar and paying agent as will enable the institution to perform
18 the services required of a registrar and paying agent for the Bonds. The Controller is
19 further authorized to pay such fees as the successor registrar and paying agent may
20 charge for the services it provides as registrar and paying agent and such fees may be
21 paid from the Sinking Fund continued in Section 15 hereof. Any predecessor registrar
22 and paying agent shall deliver all of the Bonds and any cash or investments in its
23 possession with respect thereto, together with the registration books, to the successor
24 registrar and paying agent.
25

26 (e) Interest on the Bonds sold to the Authority as part of its IFA Program
27 shall be payable from the date or dates of payment made by the Authority as part of its
28 purchase of the Bonds pursuant to the Financial Assistance Agreement. Interest on all
29
30

1 other Bonds shall be payable from the interest payment date to which interest has been
2 paid next preceding the authentication date of the Bonds unless the Bonds are
3 authenticated after the Record Date and on or before such interest payment date in which
4 case they shall bear interest from such interest payment date, or unless the Bonds are
5 authenticated on or before the Record Date preceding the first interest payment date, in
6 which case they shall bear interest from the original date until the principal shall be fully
7 paid.
8

9 (f) The City has determined that it may be beneficial to the City to have the
10 Bonds held by a central depository system pursuant to an agreement between the City
11 and The Depository Trust Company, New York, New York ("Depository Trust
12 Company") and have transfers of the Bonds effected by book-entry on the books of the
13 central depository system ("Book Entry System"). The Bonds may be initially issued in
14 the form of a separate single authenticated fully registered Bond for the aggregate
15 principal amount of each separate maturity of the Bonds. In such case, upon initial
16 issuance, the ownership of such Bonds shall be registered in the register kept by the
17 Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company.
18

19 With respect to the Bonds registered in the register kept by the Registrar in the
20 name of CEDE & CO., as nominee of the Depository Trust Company, the City and the
21 Paying Agent shall have no responsibility or obligation to any other holders or owners
22 (including any beneficial owner ("Beneficial Owner")) of the Bonds with respect to (i)
23 the accuracy of the records of the Depository Trust Company, CEDE & CO., or any
24 Beneficial Owner with respect to ownership questions, (ii) the delivery to any
25 bondholder (including any Beneficial Owner) or any other person, other than the
26 Depository Trust Company, of any notice with respect to the Bonds including any notice
27 of redemption, or (iii) the payment to any bondholder (including any Beneficial Owner)
28
29
30

1 or any other person, other than the Depository Trust Company, of any amount with
2 respect to the principal of, or premium, if any, or interest on the Bonds except as
3 otherwise provided herein.

4
5 No person other than the Depository Trust Company shall receive an
6 authenticated Bond evidencing an obligation of the City to make payments of the
7 principal of and premium, if any, and interest on the Bonds pursuant to this ordinance.
8 The City and the Registrar and Paying Agent may treat as and deem the Depository Trust
9 Company or CEDE & CO. to be the absolute bondholder of each of the Bonds for the
10 purpose of (i) payment of the principal of and premium, if any, and interest on such
11 Bonds; (ii) giving notices of redemption and other notices permitted to be given to
12 bondholders with respect to such Bonds; (iii) registering transfers with respect to such
13 Bonds; (iv) obtaining any consent or other action required or permitted to be taken of or
14 by bondholders; (v) voting; and (vi) for all other purposes whatsoever. The Paying
15 Agent shall pay all principal of and premium, if any, and interest on the Bonds only to or
16 upon the order of the Depository Trust Company, and all such payments shall be valid
17 and effective fully to satisfy and discharge the City's and the Paying Agent's obligations
18 with respect to principal of and premium, if any, and interest on the Bonds to the extent
19 of the sum or sums so paid. Upon delivery by the Depository Trust Company to the City
20 of written notice to the effect that the Depository Trust Company has determined to
21 substitute a new nominee in place of CEDE & CO., and subject to the provisions herein
22 with respect to consents, the words "CEDE & CO." in this ordinance shall refer to such
23 new nominee of the Depository Trust Company. Notwithstanding any other provision
24 hereof to the contrary, so long as any Bond is registered in the name of CEDE & CO., as
25 nominee of the Depository Trust Company, all payments with respect to the principal of
26 and premium, if any, and interest on such Bonds and all notices with respect to such
27
28
29
30

1 Bonds shall be made and given, respectively, to the Depository Trust Company as
2 provided in a representation letter from the City to the Depository Trust Company.

3 Upon receipt by the City of written notice from the Depository Trust Company to
4 the effect that the Depository Trust Company is unable or unwilling to discharge its
5 responsibilities and no substitute depository willing to undertake the functions of the
6 Depository Trust Company hereunder can be found which is willing and able to
7 undertake such functions upon reasonable and customary terms, then the Bonds shall no
8 longer be restricted to being registered in the register of the City kept by the Registrar in
9 the name of CEDE & CO., as nominee of the Depository Trust Company, but may be
10 registered in whatever name or names the bondholders transferring or exchanging the
11 Bonds shall designate, in accordance with the provisions of this ordinance.
12

13 If the City determines that it is in the best interest of the bondholders that they be
14 able to obtain certificates for the fully registered Bonds, the City may notify the
15 Depository Trust Company and the Registrar, whereupon the Depository Trust Company
16 will notify the Beneficial Owners of the availability through the Depository Trust
17 Company of certificates for the Bonds. In such event, the Registrar shall prepare,
18 authenticate, transfer and exchange certificates for the Bonds as requested by the
19 Depository Trust Company and any Beneficial Owners in appropriate amounts, and
20 whenever the Depository Trust Company requests the City and the Registrar to do so, the
21 Registrar and the City will cooperate with the Depository Trust Company by taking
22 appropriate action after reasonable notice (i) to make available one or more separate
23 certificates evidencing the fully registered Bonds of any Beneficial Owner's Depository
24 Trust Company account or (ii) to arrange for another securities depository to maintain
25 custody of certificates for and evidencing the Bonds.
26
27
28
29
30

1 If the Bonds shall no longer be restricted to being registered in the name of the
2 Depository Trust Company, the Registrar shall cause the Bonds to be printed in blank in
3 such number as the Registrar shall determine to be necessary or customary; provided,
4 however, that the Registrar shall not be required to have such Bonds printed until it shall
5 have received from the City indemnification for all costs and expenses associated with
6 such printing.
7

8 In connection with any notice or other communication to be provided to
9 bondholders by the City or the Registrar with respect to any consent or other action to be
10 taken by bondholders, the City or the Registrar, as the case may be, shall establish a
11 record date for such consent or other action and give the Depository Trust Company
12 notice of such record date not less than fifteen (15) calendar days in advance of such
13 record date to the extent possible.
14

15 So long as the Bonds are registered in the name of the Depository Trust Company
16 or CEDE & CO. or any substitute nominee, the City and the Registrar and Paying Agent
17 shall be entitled to request and to rely upon a certificate or other written representation
18 from the Beneficial Owners of the Bonds or from the Depository Trust Company on
19 behalf of such Beneficial Owners stating the amount of their respective beneficial
20 ownership interests in the Bonds and setting forth the consent, advice, direction, demand
21 or vote of the Beneficial Owners as of a record date selected by the Registrar and the
22 Depository Trust Company, to the same extent as if such consent, advice, direction,
23 demand or vote were made by the bondholders for purposes of this ordinance and the
24 City and the Registrar and Paying Agent shall for such purposes treat the Beneficial
25 Owners as the bondholders. Along with any such certificate or representation, the
26 Registrar may request the Depository Trust Company to deliver, or cause to be delivered,
27 to the Registrar a list of all Beneficial Owners of the Bonds, together with the dollar
28
29
30

1 amount of each Beneficial Owner's interest in the Bonds and the current addresses of
2 such Beneficial Owners.

3 Section 4. Redemption of Bonds and BANs. (a) The BANs are prepayable
4 by the City, in whole or in part, on any date, upon 20 days' notice to the owner of the
5 BANs, without premium.

6
7 (b) For any Bonds sold to the Authority as part of its IFA Program, such
8 Bonds are redeemable at the option of the City, but no sooner than ten (10) years after
9 their date of delivery, or any date thereafter, on sixty (60) days' notice, in whole or in
10 part, in inverse order of maturity, and by lot within a maturity, at face value together with
11 a premium no greater than 2%, plus accrued interest to the date fixed for redemption;
12 provided, however, if the Bonds are sold to the IFA Program and registered in the name
13 of the Authority, the Bonds shall not be redeemable at the option of the City unless and
14 until consented to by the Authority. The exact redemption dates and premiums shall be
15 established by the Controller, with the advice of the City's financial advisor, prior to the
16 sale of the Bonds.

17
18 (c) For any series of Bonds not sold to the Authority as part of its IFA
19 Program, such Bonds are redeemable at the option of the City, but no earlier than eight
20 (8) years after their date of delivery and on any date thereafter, in whole or in part, in the
21 order of maturity as determined by the City, and by lot within a maturity, on thirty (30)
22 days' notice, at face value, with a premium no greater than 1%, plus accrued interest to
23 the date fixed for redemption. The exact redemption dates and premiums shall be
24 established by the Controller, with the advice of the City's financial advisor, prior to the
25 sale of the Bonds.

26
27 (d) If any Bond is issued as a term bond, the Paying Agent shall credit against
28 the mandatory sinking fund requirement for the Bonds maturing as term bonds, and
29
30

1 corresponding mandatory redemption obligation, in the order determined by the City, any
2 Bonds maturing as term bonds which have previously been redeemed (otherwise than as
3 a result of a previous mandatory redemption requirement) or delivered to the Registrar
4 for cancellation or purchased for cancellation by the Paying Agent and not theretofore
5 applied as a credit against any redemption obligation. Each Bond maturing as a term
6 bond so delivered or cancelled shall be credited by the Paying Agent at 100% of the
7 principal amount thereof against the mandatory sinking fund obligation on such
8 mandatory sinking fund date, and any excess of such amount shall be credited on future
9 redemption obligations, and the principal amount of the Bonds to be redeemed by
10 operation of the mandatory sinking fund requirement shall be accordingly reduced;
11 provided, however, the Paying Agent shall credit only such Bonds maturing as term
12 bonds to the extent received on or before forty-five (45) days preceding the applicable
13 mandatory redemption date.
14

15
16 Each authorized denomination shall be considered a separate bond for purposes
17 of optional and mandatory redemption. If less than an entire maturity is called for
18 redemption at one time, the Bonds to be redeemed shall be selected by lot within a
19 maturity by the Registrar. If some Bonds are to be redeemed by optional redemption and
20 mandatory sinking fund redemption on the same date, the Registrar shall select by lot the
21 Bonds for optional redemption before selecting the Bonds by lot for the mandatory
22 sinking fund redemption.
23

24 (e) Notice of redemption shall be given not less than sixty (60) days for
25 Bonds sold to the Authority as part of its IFA Program and not less than thirty (30) days
26 for Bonds sold to any other purchaser prior to the date fixed for redemption unless such
27 redemption notice is waived by the owner of the Bond or Bonds redeemed. Such notice
28 shall be mailed to the address of the registered owner as shown on the registration record
29
30

1 of the City as of the date which is sixty-five (65) days for Bonds sold to the Authority as
2 part of its IFA Program and forty-five (45) days for Bonds sold to any other purchaser
3 prior to such redemption date. The notice shall specify the date and place of redemption
4 and sufficient identification of the Bonds called for redemption. The place of redemption
5 may be determined by the City. Interest on the Bonds so called for redemption shall
6 cease on the redemption date fixed in such notice if sufficient funds are available at the
7 place of redemption to pay the redemption price on the date so named.
8

9 Section 5. Execution and Negotiability. Each series of Bonds and BANs
10 shall be executed in the name of the City by the manual, facsimile or electronic signature
11 of the Mayor of the City ("Mayor"), countersigned by the manual, facsimile or electronic
12 signature of the Controller, and attested by the manual, facsimile or electronic signature
13 of its Clerk, and the seal of the City shall be affixed, imprinted or impressed to or on each
14 of the Bonds and BANs manually, electronically, by facsimile or any other means; and
15 these officials, by the execution of a signature and no litigation certificate, shall adopt as
16 and for their own proper signatures the facsimile signatures appearing on the Bonds or
17 BANs. In case any officer whose signature or electronic or facsimile signature appears
18 on the Bonds or BANs shall cease to be such officer before the delivery of the Bonds or
19 BANs, the signature of such officer shall nevertheless be valid and sufficient for all
20 purposes the same as if such officer had remained in office until such delivery. The
21 officers have full authority to execute any and all documents necessary to issue the
22 Bonds and/or BANs and the use of electronic signatures by the officers are hereby
23 authorized and affirmed with full valid legal effect and enforceability.
24
25

26 The Bonds and BANs shall have all of the qualities and incidents of negotiable
27 instruments under the laws of the State of Indiana, subject to the provisions for
28 registration herein.
29
30

The Bonds shall also be authenticated by the manual signature of the Registrar, and no Bond shall be valid or become obligatory for any purpose until the certificate of authentication thereon has been so executed.

Section 6. Form of Bonds. The form and tenor of the Bonds shall be substantially as follows, all blanks to be filled in properly prior to delivery:

[Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the City of Fort Wayne, Indiana, or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.]

2 purpose of providing funds to pay the cost of certain additions, extensions and
3 improvements to the municipal waterworks of said City, providing for the safeguarding
4 of the interests of the owners of said bonds, other matters connected therewith, including

14 Pursuant to the provisions of the Act and the Ordinance, the principal of and
15 interest on this bond and all other bonds of said issue, [including the Waterworks
16 Revenue Bonds of _____, Series ____ ("Series ____ Bonds")] and any bonds hereafter
17 issued on a parity therewith are payable solely from the Waterworks Sinking Fund
18 continued by the Ordinance ("Sinking Fund") to be provided from the Net Revenues
19 (defined as the gross revenues, inclusive of System Development Charges (as defined in
20 the Ordinance), after deduction only for the payment of the reasonable expenses of
21 operation, repair and maintenance, but not including depreciation and payments in lieu of

bonds which by their terms are payable from the revenues of the waterworks, as such

12 ACCEPTANCE HEREOF, HEREBY AGREES TO ALL THE TERMS AND
PROVISIONS CONTAINED IN THE ORDINANCE. The Ordinance may be amended
without the consent of the owners of the bonds as provided in the Ordinance.

13 The bonds maturing in any one year are issuable only in fully registered form in
14 the denomination of [\$5,000] OR [\$1] or any integral multiple thereof.

17 to the provisions of the Letter of Representations between the City and DTC, or any
substitute agreement, effecting such Book Entry System.]

18 It is hereby certified and recited that all acts, conditions and things required to be

23 accordance with IC 5-1-11-2(b) and IC 5 1-11-1(a)(1) and IC 5-3-1; (iii) a notice or
24 notices as determined by the Controller, upon the advice of the City's municipal advisor,
25 to assist the City with the sale of the Bonds pursuant to IC 5-1-11-1(a)(2); or (iv) the City
26 may negotiate a sale with a potential bidder, upon the advice of the City's municipal
27 advisor. A notice or summary notice of sale may also be published one time in the
28
29
30

1 *Indianapolis Business Journal*, and a notice or summary notice may also be published in
2 *The Bond Buyer* in New York, New York. The notice shall state the character and
3 amount of the Bonds, the maximum rate of interest thereon, the terms and conditions
4 upon which bids will be received and the sale made, and such other information as the
5 Controller and the attorneys employed by the City shall deem advisable and any
6 summary notice may contain any information deemed so advisable. The notice will also
7 state that the winning bidder will agree to assist the City in establishing the issue price of
8 the Bonds under Treas. Reg. Section 1.148-1(f) ("Issue Price Regulation"). The criteria
9 for establishing the issue price under the Issue Price Regulation shall be set forth in the
10 preliminary Official Statement and/or the bid form. The notice may provide, among
11 other things, that electronic bidding will be permitted and that the winning bidder shall
12 be required to submit a certified or cashier's check in an amount equal to 1% of the
13 principal amount of the Bonds described in the notice within twenty-four hours of the
14 sale and that in the event the successful bidder shall fail or refuse to accept delivery of
15 the Bonds and pay for the same as soon as the Bonds are ready for delivery, or at the time
16 fixed in the notice of sale, then said check and the proceeds thereof shall be the property
17 of the City and shall be considered as its liquidated damages on account of such default;
18 that bidders for the Bonds will be required to name the rate or rates of interest which the
19 Bonds are to bear, not exceeding the maximum rate hereinbefore fixed, and that such
20 interest rate or rates shall be in multiples of one-eighth (1/8) or one-hundredth (1/100) of
21 one percent (1%). The notice may state that the rate bid on a maturity shall be equal to or
22 greater than the rate bid on the immediately preceding maturity. No conditional bid or
23 bid for less than 98% of the face amount of the Bonds will be considered. The opinion of
24 Ice Miller LLP, bond counsel of Indianapolis, Indiana, approving the legality of the
25 Bonds, will be furnished to the purchaser at the expense of the City.

1 The Bonds shall be awarded by the Controller to the best bidder who has
2 submitted his bid in accordance with the terms of this ordinance, IC 5-1-11 and the
3 notice. The best bidder will be the one who offers the lowest net interest cost to the City,
4 to be determined by computing the total interest on all of the Bonds to their maturities,
5 adding thereto the discount bid, if any, and deducting the premium bid, if any. The right
6 to reject any and all bids shall be reserved. If an acceptable bid is not received on the
7 date of sale, the sale may be continued from day to day thereafter without further
8 advertisement for a period of thirty (30) days, during which time no bid which provides a
9 higher net interest cost to the City than the best bid received at the time of the advertised
10 sale will be considered.
11

12 As an alternative to public sale, the Controller may negotiate the sale of the
13 Bonds to the Authority as part of its IFA Program. The Mayor and the Controller are
14 hereby authorized to: (i) submit an application to the Authority as part of its IFA
15 Program; (ii) execute a Financial Assistance Agreement with the Authority with terms
16 conforming to this ordinance; and (iii) sell such Bonds upon such terms as are acceptable
17 to the Mayor and the Controller consistent with the terms of this ordinance. The
18 substantially final form of Financial Assistance Agreement attached hereto as Exhibit B
19 and incorporated herein by reference is hereby approved by the Common Council and the
20 Mayor and Controller are hereby authorized to execute and deliver the same, and to
21 approve any changes in form or substance to the Financial Assistance Agreement, which
22 are consistent with the terms of this ordinance, such changes to be conclusively
23 evidenced by its execution.
24

25 Section 9. Financial Records and Accounts. (a) The City shall keep proper
26 records and books of account, separate from all of its other records and accounts, in
27 which complete and correct entries shall be made showing all revenues received on
28
29
30

1 account of the operation of the waterworks and all disbursements made therefrom and all
2 transactions relating to the waterworks. Copies of all such statements and reports shall
3 be kept on file in the office of the Controller. There shall be furnished, upon written
4 request, to any owner of the Bonds, the most recent copy of the audited financial
5 statements of the utility prepared by the State Board of Accounts.
6

7 (b) If any Bonds or BANs are sold to the Authority as part of its IFA
8 Program, the City shall establish and maintain the books and other financial records of
9 the Project (including the establishment of a separate account or subaccount for the
10 Project) and the waterworks in accordance with (i) generally accepted governmental
11 accounting standards for utilities, on an accrual basis, as promulgated by the Government
12 Accounting Standards Board and (ii) the rules, regulations and guidance of the State
13 Board of Accounts; provided, however, to the extent the City does not maintain separate
14 accounts or subaccounts for the revenues and expenses of the waterworks, it covenants
15 and agrees that it has adopted sufficient accounting and/or bookkeeping practices to
16 accurately track all revenues and expenses of the waterworks.
17

18 Section 10. Premium. The premium received at the time of delivery of the
19 Bonds, if any, shall be deposited in the Sinking Fund continued in Section 15.
20

21 Section 11. Use of Proceeds and Costs of Issuance. The proceeds from the
22 sale of the Bonds, to the extent not used to refund BANs, and BAN proceeds shall be
23 deposited in a bank or banks which are legally designated depositories for the funds of
24 the City, in a special account or accounts to be designated as "City of Fort Wayne,
25 Waterworks Construction Account" ("Construction Account"). All funds deposited to
26 the credit of the Sinking Fund or the Construction Account shall be deposited, held,
27 secured or invested in accordance with the laws of the State of Indiana relating to the
28 depositing, holding, securing or investing of public funds, including particularly IC 5-13,
29
30

1 as amended and supplemented, and as applicable, pursuant to IC 5-1.2-1 through IC 5-
2 1.2-4 11 and IC 5-1.2-10. The funds in the Construction Account shall be expended only
3 for the purpose of paying the cost of the cost of the Project, refunding the BANs, if
4 issued, or as otherwise required by the Act or for the expenses of issuance of the Bonds.
5 The cost of obtaining the services of Ice Miller LLP, the City Attorney and Baker Tilly
6 Municipal Advisors, LLC shall be considered as a part of the cost of the Project on
7 account of which the Bonds and BANs are issued.
8

9 Any balance or balances remaining unexpended in such special account or accounts after
10 completion of the Project, which are not required to meet unpaid obligations incurred in
11 connection with such Project, shall either (1) be paid into the Sinking Fund and used solely for
12 the purposes of the Sinking Fund or (2) be used for the same purpose or type of project for which
13 the Bonds were originally issued, all in accordance with IC 5-1-13, as amended and
14 supplemented.
15

16 If any Bonds are sold to the Authority as part of its IFA Program, to the extent (a) that
17 the total principal amount of the Bonds is not paid by the purchaser or drawn down by the City or
18 (b) proceeds remain in the Construction Account and are not applied to the Project (or any
19 modifications or additions thereto approved by the Department and the Authority), the City shall
20 reduce the principal amount of the Bond maturities to effect such reduction in a manner that will
21 still achieve the annual debt service as described in Section 2 subject to and upon the terms forth
22 in the Financial Assistance Agreement.

23 Each of the funds and accounts of the waterworks shall be deposited, held,
24 secured or invested in accordance with the laws of the State of Indiana relating to the
25 depositing, holding, securing or investing of public funds, including, particularly,
26 applicable provisions of Indiana Code 5-13-9, as amended and as applicable, pursuant to
27 IC 5-1.2-1 through IC 5-1.2-4 and IC 5-1.2-10. Any interest or income derived from any
28 such investments shall become a part of the moneys in the fund or account so invested.
29
30

1 Section 12. Pledge of Net Revenues. The interest on and the principal of the
2 Bonds issued pursuant to the provisions of this ordinance, and any Future Parity Bonds
3 (as herein defined), shall constitute a first charge on all the Net Revenues, on a parity
4 with the Outstanding Bonds, and such Net Revenues are hereby irrevocably pledged to
5 the payment of the interest on and principal of such Bonds, to the extent necessary for
6 that purpose. The City shall not be obligated to pay the Bonds or the interest thereon
7 except for the Net Revenues, and the Bonds shall not constitute an indebtedness of the
8 City within the meaning of the provisions and limitations of the constitution of the State
9 of Indiana.
10

11 Section 13. Revenue Fund. All income and revenues derived from the
12 operation of the waterworks and from the collection of water rates and charges (including
13 any System Development Charges) shall be deposited upon receipt in the Revenue Fund
14 ("Revenue Fund") hereby continued. The Revenue Fund shall be maintained separate and
15 apart from all other accounts of the City. Out of the revenues in the Revenue Fund, the
16 proper and reasonable expenses of operation, repair and maintenance of the waterworks
17 shall be paid, the requirements of the Sinking Fund shall be met and the costs of
18 depreciation, replacements, improvements, extensions or additions to the waterworks
19 shall be paid. No monies derived from the revenues of the waterworks shall be
20 transferred to the General Fund of the City, or be used for any purpose not connected
21 with the waterworks.
22
23

24 Section 14. Operation and Maintenance Fund. There shall be set apart and
25 paid out of the Revenue Fund into a cash operating fund previously established and
26 continued and designated as the Waterworks Operation and Maintenance Fund
27 ("Operation and Maintenance Fund") an amount necessary and sufficient to maintain a
28 balance therein sufficient to pay the monthly costs of operating, repairing and
29
30

1 maintaining said waterworks for at least the next two (2) ensuing calendar months. The
2 moneys credited to the Operation and Maintenance Fund shall be used for the payment of
3 the reasonable and proper operation, repair and maintenance expenses of the waterworks
4 on a day-to-day basis, but none of the moneys in said fund shall be used for remediating
5 depreciation, replacements, improvements, extensions or additions with respect to the
6 waterworks. Any balance in the Operation and Maintenance Fund may be transferred to
7 the Sinking Fund if necessary to prevent a default in the payment of principal of or
8 interest on outstanding bonds of the waterworks.
9

10 Section 15. Waterworks Sinking Fund. The Waterworks Sinking Fund
11 ("Sinking Fund") previously established and continued hereby and designated and
12 constituted as the special fund for the payment of the interest on and principal of revenue
13 bonds which by their terms are payable from the Net Revenues of the waterworks
14 (including any System Development Charges that are considered Net Revenues). The
15 Sinking Fund shall continue to be divided into two accounts hereby designated as the
16 Waterworks Debt Service Account ("Debt Service Account") and the Waterworks
17 Reserve Account ("Reserve Account"). Such payments shall continue until the balances
18 in the Debt Service Account and the Reserve Account equal the principal of and interest
19 on all of the then outstanding bonds of the waterworks to the final maturity and provide
20 for payment of all fiscal agency charges.
21
22

23 There is hereby continued, within the Sinking Fund, the Debt Service Account.
24 There shall be transferred on or before the last day of each month from the Revenue Fund
25 to the Debt Service Account an amount of the Net Revenues equal to (i) at least one-sixth
26 (1/6) of the interest on all then outstanding bonds payable on the then next succeeding
27 interest payment date, and (ii) at least one-twelfth (1/12) of the principal on all then
28 outstanding bonds maturing through and including December 1, 2032, and thereafter at
29
30

1 least one-sixth (1/6) of the principal on all then outstanding bonds payable on the then
2 next succeeding principal payment date, until the amount of interest and principal
3 payable on the then next succeeding interest and principal payment dates shall have been
4 so credited. There shall similarly be credited to the Debt Service Account any amount
5 necessary to pay the bank fiscal agency charges for paying principal and interest on
6 outstanding bonds as the same become payable. The City shall, from the sums deposited
7 in the Sinking Fund and credited to the Debt Service Account, remit promptly to the
8 registered owner or to the bank fiscal agency sufficient moneys to pay the principal and
9 interest on the due dates thereof together with the amount of bank fiscal agency charges.
10

11 There is hereby continued, within the Sinking Fund, the Reserve Account which
12 shall serve as the debt service reserve for all Outstanding Bonds, any Future Parity
13 Bonds, and any Bonds issued hereunder. The City may deposit Bond proceeds, funds on
14 hand, or a combination thereof, into the Reserve Account on the date of delivery of any
15 series of Bonds to cause the balance therein to equal the hereinafter defined Reserve
16 Requirement. If the balance does not equal the Reserve Requirement on the date of
17 delivery of the Bonds, the City shall deposit a sum of Net Revenues of the waterworks
18 into the Reserve Account on the last day of each calendar month until the balance therein
19 equals the maximum annual debt service on the Bonds, the Outstanding Bonds, and any
20 parity bonds issued in the future by the City which are payable from the Net Revenues of
21 the waterworks ("Future Parity Bonds") ("Reserve Requirement"). The monthly deposits
22 shall be equal in amount and sufficient to accumulate the Reserve Requirement five (5)
23 years of the date of delivery of the Bonds.
24

25 The Reserve Account shall constitute the margin for safety and protection against
26 default in the payment of principal of and interest on the Bonds, the Outstanding Bonds
27 and any Future Parity Bonds and the moneys in the Reserve Account shall be used to pay
28
29
30

1 current principal and interest on the Bonds, the Outstanding Bonds and any Future Parity
2 Bonds to the extent that moneys in the Debt Service Account are insufficient for that
3 purpose. Amounts in the Reserve Account in excess of the Reserve Requirement shall be
4 transferred from time to time to the Debt Service Account and thereupon applied to the
5 required payments into the Debt Service Account as provided above or shall be
6 transferred to the Depreciation Fund (as hereinafter defined). In the event moneys held
7 in the Reserve Account are used to pay principal of and interest on the Outstanding
8 Bonds, the Bonds or any Future Parity Bonds, then such depletion of the Reserve
9 Account shall be made up from available Net Revenues within twelve (12) months from
10 substantially equal monthly deposits, after required deposits to the Debt Service Account,
11 to restore the balance of the Reserve Account to an amount equal to the Reserve
12 Requirement.
13

14
15 All or a part of the Reserve Requirement for the Bonds issued under this
16 ordinance may be deemed to be satisfied if there is on deposit in the Reserve Account,
17 any surety bond, insurance policy, guaranty, letter of credit or other credit facility in any
18 amount equal to the Reserve Requirement for the Bonds without regard to any
19 Outstanding Bonds not secured by the surety. If any Bonds or Outstanding Bonds are
20 owned by the Authority as part of its IFA Program, the City must obtain the consent of
21 the Authority to provide funding in its Reserve Account as authorized in this paragraph.
22 If any part of the Reserve Account for the Bonds is funded as authorized in this
23 paragraph, the City is authorized to create a subaccount of the Reserve Account which
24 only secures the Bonds.
25

26 After the Outstanding Bonds which are not owned by the Authority as part of its
27 IFA Program are no longer outstanding (the 2012 Bonds and the 2014 Bonds), the City
28 shall be authorized to create a subaccount within the Reserve Account to secure any
29
30

1 Future Parity Bonds which are not sold to the Authority as part of its IFA Program to be
2 funded at a level equal to the least of (i) maximum annual debt service on the Future
3 Parity Bonds (not initially purchased by or for the account of the IFA Program); (ii)
4 125% of average annual debt service on the Future Parity Bonds (not initially purchased
5 by or for the account of the IFA Program) or (iii) 10% of the stated principal amount or
6 issue price, as applicable, of the Future Parity Bonds (not initially purchased by or for the
7 account of the IFA Program) ("Open Market Reserve Requirement"). The subaccount
8 shall be funded on a parity basis with the Reserve Account with any withdraws from the
9 Reserve Account and the subaccount being replenished on a parity basis.
10

11 If any Bonds are sold to the Authority as part of the IFA Program, the Sinking
12 Fund, containing the Debt Service Account and the Reserve Account, and the
13 Construction Account (to the extent funded with Bonds sold to the Authority as part of
14 the IFA Program) may be held by a financial institution acceptable to the Authority,
15 pursuant to terms acceptable to the Authority. If the Sinking Fund and the accounts
16 therein are held in trust, the City shall transfer the monthly required amounts of Net
17 Revenues to the Debt Service Account and the Reserve Account in accordance with this
18 Section 15, and the financial institution holding such funds in trust shall be instructed to
19 pay the required payments in accordance with the payment schedules for the City's
20 Outstanding Bonds. The financial institution selected to serve in this role may also serve
21 as Registrar and Paying Agent for any series of the Bonds and for all or any of the
22 Outstanding Bonds of the City. The financial institution selected to serve in this role
23 may also serve as the Registrar and the Paying Agent for any series of the Bonds and for
24 all or any of the Outstanding Bonds of the City. If the Construction Account is so held in
25 trust, the City shall deposit the proceeds of the Bonds therein until such proceeds are
26 applied consistent with this ordinance and the Financial Assistance Agreement with
27
28
29
30

1 respect to the Bonds. The Mayor and the Controller are hereby authorized to execute and
2 deliver an agreement with a financial institution to reflect this trust arrangement for all or
3 a part of the Sinking Fund and the Construction Account in the form of trust agreement
4 as approved by the Mayor and the Controller, consistent with the terms and provisions of
5 this ordinance.
6

7 Section 16. Funding Improvements to the Waterworks. Any excess revenues
8 of the waterworks available after making the deposits required by Sections 14 and 15
9 may be transferred or credited from the Revenue Fund and paid into the special utility
10 fund which is hereby continued and designated as the Waterworks Depreciation Fund
11 ("Depreciation Fund"), and be used to pay the cost of additions, improvements and
12 extensions to the waterworks, and to make payments representing PILOTs. The City
13 reserves the right to transfer PILOTs from the Depreciation Fund no more frequently
14 than semiannually, in accordance with the Act, and only if all required transfers have
15 been made to the Sinking Fund and the Accounts of the Sinking Fund contain the
16 required balances as of the date the PILOTs are paid. If any BANs or Bonds are sold to
17 the Authority as part of its IFA Program, so long as any of the BANs or Bonds are
18 outstanding, no moneys derived from the revenues of the waterworks shall be transferred
19 to the General Fund of the City or be used for any purpose not connected with the
20 waterworks, other than to pay PILOTs as set forth in this section. In no event shall any
21 PILOTs be treated as an expense of operation and maintenance, nor in any case shall it
22 be payable from the Operation and Maintenance Fund or the Sinking Fund. No revenues
23 of the waterworks shall be deposited in or credited to the Depreciation Fund which will
24 interfere with the requirements of the Sinking Fund.
25
26

27 In the event of any deficiency at any time in the Operation and Maintenance Fund
28 or the Sinking Fund, funds may be withdrawn from the Depreciation Fund for deposit
29
30

1 into said Operation and Maintenance Fund or Sinking Fund in the amount of such
2 deficiency.

3 Section 17. Maintenance of Accounts; Investments. The Sinking Fund shall
4 be deposited in and maintained as a separate banking account or accounts from all other
5 accounts of the City. The Operation and Maintenance Fund and the Depreciation Fund
6 may be maintained in a single banking account, or accounts, but such account, or
7 accounts, shall likewise be maintained separate and apart from all other banking accounts
8 of the City (including without limitation any funds and accounts relative to any other
9 utility of the City beyond the System) and apart from the Sinking Fund account or
10 accounts. All moneys deposited in the accounts shall be deposited, held and secured as
11 public funds in accordance with the public depository laws of the State of Indiana;
12 provided that moneys therein may be invested in obligations in accordance with the
13 applicable laws, including particularly IC 5-13, as amended or supplemented and as
14 applicable, pursuant to IC 5-1.2-1 through IC 5-1.2-4 and IC 5-1.2-10, and in the event of
15 such investment the income therefrom shall become a part of the funds invested and shall
16 be used only as provided in this ordinance. Nothing in this section or elsewhere in this
17 ordinance shall be construed to require that separate bank accounts be established and
18 maintained for the funds and accounts continued by this ordinance except that (a) the
19 Sinking Fund and the Construction Account shall be maintained as a separate bank
20 account from the other funds and accounts of the waterworks, and (b) the other funds and
21 accounts of the waterworks shall be maintained as a separate bank account from the other
22 funds and accounts of the City (including without limitation any Funds and accounts
23 relative to any other utility of the City beyond the System); provided, however, to the
24 extent the City does not maintain separate accounts or subaccounts for the revenues and
25 expenses of the waterworks, it covenants and agrees that it has adopted sufficient
26
27
28
29
30

1 accounting and/or bookkeeping practices to accurately track all revenues and expenses of
2 the waterworks.

3 Section 18. Defeasance of the Bonds. If, when the Bonds or a portion thereof
4 shall have become due and payable in accordance with their terms or shall have been
5 duly called for redemption or irrevocable instructions to call the Bonds or a portion
6 thereof for redemption shall have been given, and the whole amount of the principal and
7 the interest and the premium, if any, so due and payable upon all of the Bonds or a
8 portion thereof then outstanding shall be paid; or (i) cash (insured at all times by the
9 Federal Deposit Insurance Corporation or otherwise collateralized with obligations
10 described in (ii) below), or (ii) direct obligations of (including obligations issued or held
11 in book entry form on the books of) the Department of the Treasury of the United States
12 of America, the principal of and the interest on which when due will provide sufficient
13 moneys for such purpose, shall be held in trust for such purpose, and provision shall also
14 be made for paying all fees and expenses for the redemption, then and in that case the
15 Bonds or any designated portion thereof issued hereunder shall no longer be deemed
16 outstanding or entitled to the pledge of the Net Revenues of the City's waterworks.

17
18
19 Section 19. Rate Covenant. The City shall establish and maintain just and
20 equitable rates for the use of and the service rendered by the waterworks, which shall to
21 the extent permitted by law produce sufficient revenues at all times provided that System
22 Development Charges shall be excluded, to the extent permitted by law, when
23 determining if such rates and charges are sufficient so long as the Bonds are outstanding
24 and owned by the Authority as part of its IFA Program, to provide for the proper
25 operation, repair and maintenance or Operation and Maintenance (as defined in the
26 Financial Assistance Agreement) if the Bonds are sold to the Authority through its IFA
27 Program, to comply with and satisfy all covenants contained in this ordinance and the
28
29
30

1 Financial Assistance Agreement, to provide the sinking fund and debt service reserve for
2 the liquidation of bonds or other evidences of indebtedness, to provide adequate funds to
3 be used as working capital, as well as funds for making extensions, additions, and
4 replacements, and also, for the payment of any taxes that may be assessed against such
5 utility, it being the intent and purpose hereof that such charges shall produce an income
6 sufficient to maintain such utility property in a sound physical and financial condition to
7 render adequate and efficient service. So long as any of the Bonds herein authorized are
8 outstanding, none of the facilities or services afforded or rendered by said system shall be
9 furnished without a reasonable and just charge being made therefor. The City shall pay
10 like charges for any and all services rendered by said utility to the City, and all such
11 payments shall be deemed to be revenues of the utility. Such rates or charges shall, if
12 necessary, be changed and readjusted from time to time so that the revenues therefrom
13 shall always be sufficient to meet the expenses of Operation and Maintenance and said
14 requirements of the Sinking Fund.

17 Section 20. Additional BANs and Bonds. The City reserves the right to
18 authorize and issue additional BANs at any time ranking on a parity with the BANs. The
19 City also reserves the right to authorize and issue Future Parity Bonds, payable out of the
20 Net Revenues of its waterworks, ranking on a parity with the Bonds authorized by this
21 ordinance, for the purpose of financing the cost of future additions, extensions and
22 improvements to the waterworks, or to refund obligations, subject to the following
23 conditions:
24

25 (a) All required payments into the Sinking Fund and the accounts thereof
26 shall have been made in accordance with the provisions of this ordinance, and the interest
27 on and principal of all bonds payable from the Net Revenues of the waterworks shall
28 have been paid to date in accordance with their terms.
29
30

1 (b) As of the date of issuance of such Future Parity Bonds, the balance in the
2 Reserve Account shall equal not less than the Reserve Requirement for the Outstanding
3 Bonds if any are then outstanding, the Bonds and all then outstanding bonds ranking on a
4 parity therewith, provided, this condition shall be deemed satisfied if any required
5 amount is to be provided from the proceeds of the newly issued Future Parity Bonds or
6 other funds of the City, and furthermore, the ordinance authorizing the proposed Future
7 Parity Bonds must include a provision requiring the City to build the balance in the
8 Reserve Account to an amount equal to the Reserve Requirement for the proposed Future
9 Parity Bonds, unless the Reserve Account is fully funded as of the time of issuance of the
10 Future Parity Bonds, from available Net Revenues over a five-year period with
11 substantially equal monthly deposits of Net Revenues after the required deposits to the
12 Debt Service Account.
13

14
15 (c) The Net Revenues of the waterworks in the fiscal year immediately
16 preceding the issuance of any such Future Parity Bonds shall be not less than one
17 hundred twenty-five percent (125%) of the maximum annual interest and principal
18 requirements of the then outstanding bonds and the Future Parity Bonds proposed to be
19 issued; or, prior to the issuance of the Future Parity Bonds, the water rates and charges
20 shall be increased or the service area or customer base shall be expanded sufficiently so
21 that said increased rates and charges applied to the previous fiscal year's operations
22 would have produced Net Revenues for said year equal to not less than one hundred
23 twenty-five percent (125%) of the maximum annual interest and principal requirements
24 of the then outstanding bonds and the Future Parity Bonds proposed to be issued. For
25 purposes of this subsection, the records of the waterworks shall be analyzed and all
26 showings shall be prepared by a certified public accountant employed by the City for that
27 purpose. In addition, for purposes of this subsection, with respect to any Future Parity
28
29
30

1 Bonds hereafter issued while the Bonds remain outstanding and owned by the Authority
2 as part of its IFA Program, Net Revenues may not include any revenues from the System
3 Development Charges unless the Authority provides its consent to include all or some
4 portion of the System Development Charges as part of the Net Revenues or otherwise
5 consents to the issuance of such Future Parity Bonds without satisfying this subsection
6 (c).
7

8 (d) The principal of said Future Parity Bonds shall be payable annually on
9 December 1 through and including December 1, 2032 and semiannually thereafter on
10 June 1 and December 1 and the interest on said Future Parity Bonds shall be payable
11 semiannually on June 1 and December 1 in the years in which such principal and interest
12 are payable. If the Future Parity Bonds are issued as capital appreciation bonds, the
13 amount payable at maturity thereof shall be payable on June 1 and/or December 1 during
14 the periods in which such maturity amounts are payable.
15

16 (e) If any Bonds are sold to the Authority through its IFA Program, (i) the
17 City has obtained the consent of the Authority, (ii) the City has faithfully performed and
18 is in compliance with each of its obligations, agreements, and covenants contained in the
19 Financial Assistance Agreement and this ordinance, and (iii) the City is in compliance
20 with its waterworks permits, except for non-compliance for which the Future Parity
21 Bonds are to be issued, including refunding bonds issued prior to, but part of, the overall
22 plan to eliminate such non-compliance.
23

24 Section 21. Further Covenants of the City. For the purpose of further
25 safeguarding the interests of the owners of the Bonds and BANs, it is hereby specifically
26 provided as follows:
27

29 after due advertisement as required by the laws of the State of Indiana, and all contractors

1 shall be required to furnish surety bonds in an amount equal to one hundred percent
2 (100%) of the amount of such contracts, to insure the completion of said contracts in
3 accordance with their terms, and such contractors shall also be required to carry such
4 employer's liability and public liability insurance as are required under the laws of the
5 State of Indiana in the case of public contracts, and shall be governed in all respects by
6 the laws of the State of Indiana relating to public contracts.
7

8 (b) The Project shall be completed under the supervision and subject to the
9 approval of the consulting engineers for the Project or such other competent engineer as
10 shall be designated by the Common Council.

11 (c) So long as any of the Bonds or BANs are outstanding, the City shall at all
12 times maintain the waterworks system in good condition, and operate the same in an
13 efficient manner and at a reasonable cost.
14

15 (d) So long as any of the Bonds or BANs herein authorized are outstanding,
16 the City shall maintain insurance (which must be acceptable to the Authority if the
17 Authority owns any Bonds or Outstanding Bonds) on the insurable parts of the
18 waterworks of a kind and in an amount such as would normally be carried by private
19 companies engaged in a similar type of business. All insurance shall be placed with
20 responsible insurance companies qualified to do business under the laws of the State of
21 Indiana. In addition to or in lieu of the foregoing, the City may provide coverage on all
22 or part of the waterworks comparable to that described above through a self-insurance
23 program, but only with the consent of the Authority, if any Bonds or Outstanding Bonds
24 are owned by the Authority as part of its IFA Program. All insurance proceeds and
25 condemnation awards shall be used in replacing or restoring the property destroyed,

2 Outstanding Bonds are owned by the Authority as part of its IFA Program.

3 (e) So long as any of the Bonds or BANs are outstanding, the City shall not
4 mortgage, pledge or otherwise encumber such works or any part thereof, nor shall it sell,
5 lease or otherwise encumber such works of any part thereof, nor shall it otherwise
6 dispose of any portion thereof except equipment or property which may become worn
7 out, obsolete, or no longer suitable for use in the waterworks, provided that the City shall
8 obtain the prior written consent of the Authority if any Bonds or Outstanding Bonds are
9 owned by the Authority as part of its IFA Program.
10

11 (f) If the BANs or Bonds are sold to the Authority through its IFA Program
12 and the Bonds or Outstanding Bonds are outstanding and owned by the Authority, the
13 City shall not without the prior written consent of the Authority (i) enter into any lease,
14 contract or agreement or incur any other liabilities in connection with the waterworks
15 other than for normal operating expenditures, or (ii) borrow any money (including
16 without limitation any loan from other utilities operated by the City) in connection with
17 the waterworks.
18

19 (g) Except as hereinbefore provided in Section 20 hereof, so long as any of
20 the Bonds herein authorized are outstanding, no additional bonds or other obligations
21 pledging any portion of the revenues of said waterworks shall be authorized, executed or
22 issued by the City except such as shall be made subordinate and junior in all respects to
23 the Bonds herein authorized, unless all of the Bonds herein authorized are redeemed,
24 retired or defeased pursuant to Section 18 hereof coincidentally with the delivery of such
25 additional bonds or other obligations.
26

27 (h) The provisions of this ordinance shall constitute a contract by and
28 between the City and the owners of the Bonds and BANs herein authorized, and after the

1 issuance of the Bonds and BANs, subject to the rights of the City under Section 22
2 hereof, this ordinance shall not be repealed or amended in any respect which will
3 adversely affect the rights of the owners of the Bonds and BANs, nor shall the Common
4 Council adopt any law, ordinance or resolution which in any way adversely affects the
5 rights of such owners so long as any of the Bonds or BANs or the interest thereon
6 remains unpaid. Except in the case of changes described in Section 22(a)-(f), this
7 ordinance may be amended, however, without the consent of the owners of the Bonds or
8 BANs, if the Common Council determines, in its sole discretion, that such amendment
9 would not adversely affect the owners of the Bonds and BANs; provided, however, that
10 if any Bonds or BANs are sold to the Authority as part of its IFA Program, the City shall
11 obtain the prior written consent of the Authority.
12

13
14 (i) The provisions of this ordinance shall be construed to create a trust in the
15 proceeds of the sale of the Bonds and BANs herein authorized for the uses and purposes
16 herein set forth, and the owners of the Bonds and BANs shall retain a lien on such
17 respective proceeds until the same are applied in accordance with the provisions of this
18 ordinance and of the Act. The provisions of this ordinance shall also be construed to

21 The owners of said Bonds shall have all of the rights, remedies and privileges under

23 the Bonds herein authorized or in the event of default in respect to any of the provisions
24 of this ordinance or the Act.
25

26 (j) For the purpose of this Section 21, the term "lease" shall include any

10 of the Bonds issued pursuant to this ordinance and then outstanding shall have the right
11 from time to time, to consent to and approve the adoption by the Common Council of
12 such ordinance or ordinances supplemental hereto or amendatory hereof, as shall be
13 deemed necessary or desirable by the City for the purpose of modifying, altering,
14 amending, adding to or rescinding any of the terms or provisions contained in this
15 ordinance, or in any supplemental ordinance; provided, however, that if any Bonds or
16 BANs are sold to the Authority as part of its IFA Program, the City shall obtain the prior

5 consent to such supplemental ordinance; or

6 (f) A reduction in the Reserve Requirement or the Open Market Reserve
7 Requirement.

8
9 If the owners of not less than sixty-six and two-thirds percent (66 2/3%) in
10 aggregate principal amount of the Bonds outstanding at the time of adoption of such
11 supplemental ordinance shall have consented to and approved the adoption thereof by
12 written instrument to be maintained on file in the office of the Clerk, no owner of any
13 Bond issued pursuant to this ordinance shall have any right to object to the adoption of
14 such supplemental ordinance or to object to any of the terms and provisions contained
15 therein or the operation thereof, or in any manner to question the propriety of the
16 adoption thereof, or to enjoin or restrain the Common Council from adopting the same,
17 or from taking any action pursuant to the provisions thereof. Upon the adoption of any
18 supplemental ordinance pursuant to the provisions of this section, this ordinance shall be,
19 and shall be deemed, modified and amended in accordance therewith, and the respective
20 rights, duties and obligations under this ordinance of the City and all owners of Bonds
21 then outstanding, shall thereafter be determined, exercised and enforced in accordance
22 with this ordinance, subject in all respects to such modifications and amendments.
23 Notwithstanding anything contained in the foregoing provisions of this ordinance, the
24 rights and obligations of the City and of the owners of the Bonds authorized by this
25 ordinance, and the terms and provisions of the Bonds and this ordinance, or any
26
27
28
29
30

1 supplemental or amendatory ordinance, may be modified or altered in any respect with
2 the consent of the City and the consent of the owners of all the Bonds then outstanding.

3 Section 23. Investment of Funds. (a) The Controller is hereby authorized to
4 invest moneys pursuant to the provisions of this ordinance and IC 5-1-14-3 (subject to
5 applicable requirements of federal law to ensure such yield is then current market rate) to
6 the extent necessary or advisable to preserve the exclusion from gross income of interest
7 on the Bonds and BANs under federal law.
8

9 (b) The Controller shall keep full and accurate records of investment earnings
10 and income from moneys held in the funds and accounts referenced herein. In order to
11 comply with the provisions of the ordinance, the Controller is hereby authorized and
12 directed to employ consultants or attorneys from time to time to advise the City as to
13 requirements of federal law to preserve the tax exclusion. The Controller may pay any
14 fees as operation expenses of the waterworks.
15

16 Section 24. Tax Covenants. In order to preserve the exclusion of interest on
17 the Bonds and BANs from gross income for federal tax purposes under Section 103 of
18 the Internal Revenue Code of 1986 as existing on the date of issuance of the Bonds or
19 BANs, as the case may be ("Code"), and as an inducement to purchasers of the Bonds
20 and BANs, the City represents, covenants and agrees that:
21

22 (a) The waterworks will be available for use by members of the general
23 public. Use by a member of the general public means use by natural
24 persons not engaged in a trade or business. No person or entity other than
25 the City or another state or local governmental unit will use more than
26 10% of the proceeds of the Bonds or BANs or property financed by the
27 Bond or BAN proceeds other than as a member of the general public. No
28 person or entity other than the City or another state or local governmental
29
30

1 unit will own property financed by Bond or BAN proceeds or will have
2 any actual or beneficial use of such property pursuant to a lease, a
3 management or incentive payment contract, arrangements such as
4 take-or-pay or output contracts or any other type of arrangement that
5 conveys other special legal entitlements and differentiates that person's or
6 entity's use of such property from use by the general public, unless such
7 uses in the aggregate relate to no more than 10% of the proceeds of the
8 BANs or the Bonds, as the case may be. If the City enters into a
9 management contract for the waterworks, the terms of the contract will
10 comply with IRS Revenue Procedure 2017-13, as it may be amended,
11 supplemented or superseded for time to time, so that the contract will not
12 give rise to private business use under the Code and the Treasury
13 Regulations, unless such use in aggregate relates to no more than 10% of
14 the proceeds of the Bonds or BANs, as the case may be.

15
16
17 (b) No more than 10% of the principal of or interest on the Bonds or BANs is
18 (under the terms of the Bonds, BANs, this ordinance or any underlying arrangement),
19 directly or indirectly, secured by an interest in property used or to be used for any private
20 business use or payments in respect of any private business use or payments in respect of
21 such property or to be derived from payments (whether or not to the City) in respect of
22 such property or borrowed money used or to be used for a private business use.

23
24 (c) No more than 5% of the Bond or BAN proceeds will be loaned to any
25 person or entity other than another state or local governmental unit. No more than 5% of
26 the Bond or BAN proceeds will be transferred, directly or indirectly, or deemed
27 transferred to a nongovernmental person in any manner that would in substance
28 constitute a loan of the Bond or BAN proceeds.
29
30

1 (d) The City reasonably expects, as of the date hereof, that the Bonds and
2 BANs will not meet either the private business use test described in paragraph (a) and (b)
3 above or the private loan test described in paragraph (c) above during the entire term of
4 the Bonds or BANs, as the case may be.

5 (e) No more than 5% of the proceeds of the Bonds or BANs will be
6 attributable to private business use as described in (a) and private security or payments
7 described in (b) attributable to unrelated or disproportionate private business use. For
8 this purpose, the private business use test is applied by taking into account only use that
9 is not related to any government use of proceeds of the issue (unrelated use) and use that
10 is related but disproportionate to any governmental use of those proceeds
11 (disproportionate use).
12

13 (f) The City will not take any action nor fail to take any action with respect to
14 the Bonds or BANs that would result in the loss of the exclusion from gross income for
15 federal tax purposes on the Bonds or BANs pursuant to Section 103 of the Code, nor will
16 the City act in any other manner which would adversely affect such exclusion. The City
17 covenants and agrees not to enter into any contracts or arrangements which would cause
18 the Bonds or BANs to be treated as private activity bonds under Section 141 of the Code.
19

20 (g) It shall not be an event of default under this ordinance if the interest on
21 any Bond and BAN is not excludable from gross income for federal tax purposes or
22 otherwise pursuant to any provision of the Code which is not currently in effect and in
23 existence on the date of issuance of the Bonds or BANs, as the case may be.
24

25 (h) The City represents that it will rebate any arbitrage profits to the United
26 States in accordance with the Code.

27 (i) These covenants are based solely on current law in effect and in existence
28 on the date of delivery of such Bonds or BANs, as the case may be.
29
30

1 Section 25. Issuance of BANs. (a) The City, having satisfied all the statutory
2 requirements for the issuance of its Bonds, may elect to issue its BAN or BANs pursuant
3 to a Bond Anticipation Note Purchase Agreement ("Purchase Agreement") to be entered
4 into between the City and the purchaser of the BAN or BANs. If any BANs are sold to
5 the Authority as part of its IFA Program, the Financial Assistance Agreement shall serve
6 as the Purchase Agreement. The Common Council hereby authorizes the issuance and
7 execution of the BAN or BANs in lieu of initially issuing the Bonds to provide interim
8 financing for the Project until permanent financing becomes available. It shall not be
9 necessary for the City to repeat the procedures for the issuance of its Bonds, as the
10 procedures followed before the issuance of the BAN or BANs are for all purposes
11 sufficient to authorize the issuance of the Bonds and the use of the proceeds to repay the
12 BAN or BANs.
13

14 (b) The Mayor and the Controller are hereby authorized and directed to
15 execute a Purchase Agreement or Financial Assistance Agreement (and any amendments
16 made from time to time) in such form or substance as they shall approve acting upon the
17 advice of counsel. The Mayor, the Controller and the Clerk may also take such other
18 actions or deliver such other certificates as are necessary or desirable in connection with
19 the issuance of the BANs or the Bonds and the other documents needed for the financing
20 as they deem necessary or desirable in connection therewith.
21
22

23 Section 26. Noncompliance with Tax Covenants. Notwithstanding any other
24 provisions of this ordinance, the covenants and authorizations contained in this ordinance
25 ("Tax Sections") which are designed to preserve the exclusion of interest on the Bonds
26 and BANs from gross income under federal law ("Tax Exemption") need not be
27 complied with if the City receives an opinion of nationally recognized bond counsel that
28 any Tax Section is unnecessary to preserve the Tax Exemption.

Projects and improvements identified include but are not limited to: Batch Lime Slaking System and Lime Feed Conveyance improvements, Filter Underdrain replacements & system improvements, Plant concrete and limestone improvements, Carbon Dioxide tank and system improvements. Operational and facility improvements are also to be completed for supporting Engineering, Field Operations and TRFP activities and efficiency.

Raw Water Dams & Reservoirs

Multiple projects are proposed at the TRFP as part of general capacity and reliability improvements and asset management of equipment and facilities. Projects and improvements identified include but are not limited to: Raw Water Supply improvements at the TRFP including installation of new water well(s), St. Joe Dam Concrete and Structural Repairs and Cedarville Reservoir improvements.

Distribution System Storage

Multiple projects are proposed at distribution system storage facilities as part of general capacity and reliability improvements and asset management of equipment and facilities. Projects and improvements identified include but are not limited to Painting and Rehabilitation of Tank sites, including the blast and repaint of interior and exterior surfaces of tanks as existing paint meets its useful life.

Distribution System - Capacity Improvements

Multiple projects are proposed to the distribution system to improve capacity, pressure, fire protection, efficiency, redundancy and reliability of the pipe transmission network in various areas of the distribution system. Projects identified include, but are not limited to transmission main extensions, looping, replacement and upsizing projects.

Water Main Rehabilitation/Replacement and Lead Service Replacement

The City has averaged over 380 main breaks a year since 2010, but after decades of increasing totals the number of breaks per year has stabilized and began to trend downward due to the efforts of the water main replacement program. Since the year 2001, the City has been able to fund and complete projects to replace approximately 168 miles of water main in some of its highest break areas. To continue to see a downward trend in water main breaks and improve customer service the City must continue to invest in water main rehabilitation and replacement program.

The City keeps track of water main breaks, leaks and water quality complaints throughout the system. Utilizing that information and many other factors, water mains are prioritized for rehabilitation and/or replacement using a GIS based asset management tool. The City has identified over 20 neighborhood project areas for rehabilitation or replacement it would like to address in 2025-2029. The City is also proposing to continue its transmission main assessment, rehabilitation and replacement program during this period to proactively reduce the risk of failures to its transmission network. Most of the main rehabilitation and replacement work is done by trenchless technologies.

In addition, water main replacement project areas that have lead service connections will include a program to partner with customers to replace the entire lead service from the water main to the water meter in the home. This lead service program may also have projects completed separately from water main replacement efforts in some situations.

The Project is more fully described in, and shall be in accordance with, the Preliminary Engineering Report and the Plans and Specifications approved by the Finance Authority (or if designated by the Finance Authority, the Department. The Project may also include any additional improvements contained in the Preliminary Engineering Reports.

PURPOSE OF BORROWING AND LOAN TERMS

Section 2.01. Amount; Purpose. The Finance Authority agrees to Loan an amount not to exceed [] Dollars (\$[]) in aggregate principal amount to the Participant as Financial Assistance to pay for the Eligible Costs, as hereinafter described, of the Project on, and subject to, the terms and conditions contained herein. The Loan shall be used only to pay the following Eligible Costs: (a) eligible planning services for the production of a Preliminary Engineering Report ("Planning"), (b) eligible design services for the production of Plans and Specifications ("Design") and (c) eligible construction costs, including financing and legal costs ("Construction"). The Loan shall be funded solely from available proceeds of the Finance Authority Bonds contained in the Purchase Account or from other sources that the Finance Authority may, in its sole discretion, designate. The Loan is evidenced by the Bonds executed and delivered by the Participant contemporaneously herewith. The Bonds shall be in fully registered form, with the Finance Authority registered as the registered owner. So long as the Finance Authority is the registered owner, the principal of and redemption premium, if any, and interest on the Bonds shall be paid to the Trustee by a wire transfer referenced as follows: The Bank of New York, ABA 021 000 018, For Credit to 610026840C, Account Name: City of Fort Wayne Drinking Water, Attn: Derick Rush. The Participant agrees to undertake and complete the Project and to receive and expend the Loan proceeds in accordance with this Agreement.

Section 2.02. The Bonds.

(a) Until paid, the Bonds will bear interest at the per annum rate of [] percent ([]%). Such interest shall be calculated on the basis of a 360 day year comprised of twelve 30 day months, and be as provided in I.C. 5-1.2-10-15 and -20. Interest, if any, on the Bonds will be payable on June 1 and December 1 of each year, commencing [] 1, 20[]. The Bonds will be in the aggregate principal amount of [] Dollars (\$[]). Subject to Section 2.05 and 2.06 herein, the Bonds will mature on December 1 until December 1, 2032, and thereafter on June 1 and December of each of the years set forth in, and at the principal amount set opposite each such month and year set forth in the schedule contained in the attached Exhibit B to this Agreement (which is hereby incorporated by reference); provided, however, notwithstanding the foregoing or the terms of the Bonds to the contrary, no maturity of Bonds shall extend beyond the date which is thirty-five (35) years after the date of this Agreement. If the maturity date for any Bonds is beyond such date, unless otherwise agreed to, such Bonds, together with accrued and unpaid interest thereon, will be due and payable on such date.

(b) The Bonds will be subject to redemption by the Participant as provided in the Authorizing Instrument; provided however that in no event shall the Participant exercise any provision contained in the Authorizing Instrument or the Bonds permitting a redemption of the Bonds at the option of the Participant unless and until such has been consented by the Authority. The Loan, and the Bonds evidencing it, will be subject to payment by the Participant as provided in this Agreement.

(c) The form and other terms of the Bonds will be in conformity with the Authorizing

Instrument.

(d) The additional terms contained in the attached Exhibit D are applicable to this Loan (as and to the extent set forth in Exhibit D) to the same effect as if such were set forth in this section.

Section 2.03. Disbursement Conditions. Each of the following shall be a condition precedent to the disbursement of the Loan or any portion thereof (including from the Construction Fund):

(a) (1) With respect to procurement of professional services related to the Project to be paid from Loan proceeds, the Participant shall have complied with applicable State law and SRF Policy Guidelines. Additionally costs related to Planning and Design shall only be Eligible Costs upon compliance with paragraph A of the attached Exhibit D. (2) With respect to procurement of all other goods and services related to the Project to be paid from Loan proceeds, the Participant shall have complied with I.C. 36-1-12 and SRF Policy Guidelines.

(b) No representation, warranty or covenant of the Participant contained in this Agreement or in any paper executed and delivered in connection with the transactions contemplated by this Agreement shall be false or inaccurate in any material respect.

(c) The Participant shall undertake and faithfully perform each of its obligations, agreements and covenants contained in this Agreement, the Authorizing Instrument and the Bonds.

(d) There shall be available to the Finance Authority uncommitted funds in an amount sufficient to satisfy the Finance Authority's obligations hereunder from the proceeds of Finance Authority Bonds in the Purchase Account or from other sources that the Finance Authority may, in its sole discretion, designate; provided however, once Loan proceeds have been deposited in the Construction Fund, such condition shall be deemed satisfied.

(e) The Participant shall have undertaken all actions necessary to comply with and satisfy the conditions and requirements for a Loan secured with money made available from the Drinking Water SRF Fund as set forth in federal and State statutes, rules and regulations, including I.C. 5-1.2-10, SRF Policy Guidelines, the Safe Drinking Water Act and 40 C.F.R. Part 35.

(f) Prior to making any Loan disbursement to pay any Construction costs, the Project shall have been approved by the State's Historical Preservation Officer in a manner consistent with the policies and practices of the Drinking Water SRF Program (the "Historical Preservation Approval"). Notwithstanding any provision of this Agreement to the contrary, in the event a Historical Preservation Approval has not been given within four (4) months after the date of this Agreement, the Finance Authority may, in its sole discretion, (i) reduce the aggregate amount of the Loan to the amount then disbursed and outstanding under this Agreement and (ii) if any amounts are held in the Construction Fund,

require a Loan Reduction Payment pursuant to Section 2.06 herein as if it were a date that was three (3) years after the dated date of the Bonds. Upon giving notice to the Participant of such action, no further Loan disbursement (including from the Construction Fund) may be made under this Agreement unless consented to by the Finance Authority.

(g) In the event the Bonds are payable from rates and charges of the Drinking Water System and if requested by the Finance Authority, the Participant shall provide evidence satisfactory to the Finance Authority demonstrating that such rates and charges are at a level adequate to produce and maintain sufficient net revenue after providing for the proper Operation and Maintenance of the Drinking Water System, on a proforma basis consistent with SRF Policy Guidelines, to provide 1.25x coverage on all obligations of the Drinking Water System (including the Bonds).

(h) Unless otherwise agreed to by the Finance Authority in its discretion, the Disclosure Agreement shall be in the form attached as Exhibit E to this Agreement, which is incorporated herein by reference.

Section 2.04. Disbursement Procedures. Loan proceeds (including any held from time to time in the Construction Fund) shall be disbursed to the Participant by the Disbursement Agent for actual Eligible Costs incurred with respect to the Project. The Finance Authority may, in its discretion, cause Loan disbursements to be made (a) directly to the person or entity identified in the Disbursement Request to whom payment is due, or (b) if advised in writing by the Participant that I.C. 36-1-12-14 or a similar law applies to the Project, to the Participant for purposes of collecting retainage, or some combination thereof. Any Loan proceeds in excess of the amount subject to retainage controlled by the Participant will be immediately remitted to the person or entity to whom payment is due, no later than three (3) Business Days after receipt or the date such Loan proceeds are no longer subject to retainage. The Finance Authority may, in its discretion, cause Loan disbursements to be made from time to time, in whole or in part, to the Participant's Construction Fund for disbursement consistent with this Agreement. Loan disbursements shall not be made more frequently than monthly and shall only be made following the submission of a Disbursement Request to the Finance Authority. Disbursement Requests shall be approved by the Director of Environmental Programs prior to submission to the Disbursement Agent for a Loan disbursement. Disbursement Requests shall be numbered sequentially, beginning with the number 1.

Section 2.05. Effect of Disbursements. Loan disbursements made to or for the benefit of the Participant shall be deemed to be a purchase of the Bonds in such amounts and with such maturities as achieves as level debt service as practicable, and with no maturity longer than the original maturity schedule; provided that any principal payments originally scheduled under Section 2.02 herein as being due prior to one year after Substantial Completion of Construction shall first be deemed to be a purchase of the Bonds in order of maturity. The deposit of Loan proceeds in the Construction Fund shall be deemed to be a purchase of the Bonds. Interest on the Loan commences on disbursement of the Loan to or for the benefit of the Participant (including any amounts disbursed to the Construction Fund) by the Finance Authority and the Bonds shall be deemed to be purchased in the full amount thereof. Each disbursement (including any amounts disbursed from the Construction Fund) shall be made pursuant to a Disbursement Request. In the

event any Loan disbursement (including any amounts disbursed from the Construction Fund) shall be made in excess of Eligible Costs, such excess disbursements shall be immediately paid by the Participant to the Disbursement Agent (and if made from any amounts held in the Construction Fund, shall be immediately deposited by the Participant into such Construction Fund) and thereafter may, subject to the terms and conditions set forth in this Agreement, be applied thereafter to pay Eligible Costs of the Project by the Participant.

Section 2.06. Acknowledgment of Amount of Loan; Final Disbursement. (a) Within 30 days after any request by the Finance Authority from time to time, the Participant shall execute and deliver to the Finance Authority an acknowledgment in the form prescribed by the Finance Authority which acknowledges the outstanding principal of and interest on the Bonds. Unless the Finance Authority consents in writing, no Loan disbursement shall be made more than one year after Substantial Completion of Construction. After Substantial Completion of Construction, upon the request of the Finance Authority, the Participant shall replace, at its expense, the Bonds with substitutes issued pursuant to the Authorizing Instrument to evidence the outstanding principal under the Loan.

(b) In the event there remains a balance (inclusive of Loan proceeds and any earnings) in the Construction Fund on the date that is the earlier of (i) one year after Substantial Completion of Construction or (ii) three (3) years after the dated date of the Bonds (or in either such circumstance, such later date as the Finance Authority may approve in its discretion), the Participant agrees to make a Loan Reduction Payment to the Finance Authority within 10 days after any Finance Authority written demand. Any Loan Reduction Payment shall be applied to pay principal in such amounts and with such maturities as achieves as level debt service as practicable consistent with methodology prescribed in the Authorizing Instrument and as originally applied to the Bonds, and with no maturity longer than the original maturity schedule; provided that any principal payments originally scheduled under Section 2.02 herein as being due prior to the Loan Reduction Payment shall be unaffected by such payment. If the Authorizing Instrument permits the Participant to apply Bond proceeds to pay interest accruing on or before Substantial Completion of Construction, the Participant may seek to reimburse itself for such interest costs it has paid pursuant to a Disbursement Request provided. If the Participant fails to make such Loan Reduction Payment by such date, the Finance Authority and Deposit Agreement Counterparty are authorized to cause any balance held in the Construction Fund to be so applied without further direction and authorization from the Participant. Notwithstanding the foregoing, if requested by the Finance Authority, in lieu of the Participant making a Loan Reduction Payment, the Finance Authority may in its discretion require the Participant to hold any remaining balance (inclusive of Loan proceeds and any earnings) in the Construction Fund until such amounts may be applied on the first optional redemption date applicable to the Bonds, and upon any such request, the Participant agrees to cause such amounts to be so held and applied on such date.

(d) By all required action, the Participant has duly adopted the Authorizing Instrument and authorized the execution and delivery of this Agreement, the Disclosure Agreement, the Bonds and all other papers delivered in connection herewith.

(e) Neither the execution of, nor the consummation of the transaction contemplated by, this Agreement or the Disclosure Agreement nor the compliance with the terms and conditions of any other paper referred to herein, shall conflict with, result in a breach of or constitute a default under, any indenture, mortgage, lease, agreement or instrument to which the Participant is a party or by which the Participant or its property, including the Drinking Water System, is bound or any law, regulation, order, writ, injunction or decree of any court or governmental agency or instrumentality having jurisdiction.

(f) There is no litigation pending or, to the knowledge of the Participant, upon investigation, threatened that (1) challenges or questions the validity or binding effect of this Agreement, the Disclosure Agreement, the Authorizing Instrument or the Bonds or the authority or ability of the Participant to execute and deliver this Agreement, the Disclosure Agreement or the Bonds and perform its obligations hereunder or thereunder or (2) would, if adversely determined, have a significant adverse effect on the ability of the Participant to meet its obligations under this Agreement, the Disclosure Agreement, the Authorizing Instrument or the Bonds.

(g) The Participant has not at any time failed to pay when due interest or principal on, and it is not now in default under, any warrant or other evidence of obligation or indebtedness of the Participant.

(h) All information furnished by the Participant to the Finance Authority or any of the persons representing the Finance Authority in connection with the Loan or the Project is accurate and complete in all material respects including compliance with the obligations, requirements and undertakings imposed upon the Participant pursuant to this Agreement.

(i) The Participant has taken or will take all proceedings required by law to enable it to issue and sell the Bonds as contemplated by this Agreement and the Disclosure Agreement.

(j) For any outstanding bonds payable from the revenues of the Drinking Water System which are on a parity with the Bonds, each Credit Provider, if any, that has provided a Credit Instrument is at least rated on a long term basis "A-/A3" long term by S&P Global Ratings and Moody's Investors Service, Inc., and their successors, except as represented and set forth in Exhibit C attached thereto (and with respect to which true, accurate and complete copies of each such Credit Instrument have been delivered to the Finance Authority).

Each of the foregoing representations and warranties will be deemed to have been made by the Participant as of the date of this Agreement and as of the date of any disbursement of Loan proceeds (including from the Construction Fund). Each of the foregoing representations and

warranties shall survive the Loan disbursements regardless of any investigation or investigations the Finance Authority may have undertaken.

Section 3.04. Covenants Regarding Assignment. The Participant acknowledges that the Finance Authority may pledge, sell or assign the Bonds or cause the Bonds to be pledged, sold or assigned, and certain of its rights related thereto, as permitted pursuant to Section 5.02 herein. The Participant covenants and agrees to cooperate with and assist in, at its expense, any such assignment. Within 30 days following a request by the Finance Authority, the Participant covenants and agrees with the Finance Authority that the Participant will, at its expense, furnish any information, financial or otherwise, with respect to the Participant, this Agreement, the Authorizing Instrument and the Bonds and the Drinking Water System as the Finance Authority reasonably requests in writing to facilitate the sale or assignment of the Bonds.

Section 3.05. Nature of Information. All information furnished by the Participant to the Finance Authority or any person representing the Finance Authority in connection with the Loan or the Project may be furnished to any other person the Finance Authority, in its judgment, deems necessary or desirable in its operation and administration of the Drinking Water SRF Program.

Section 3.06. Tax Covenants. The Participant hereby covenants that it will not take, or cause or permit to be taken by it or by any party under its control, or fail to take or cause to permit to be taken by it or by any party under its control, any action that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Bonds pursuant to Section 103 of the Code. The Participant further covenants that it will not do any act or thing that would cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code or "arbitrage bonds" within the meaning of Section 148 of the Code. In furtherance and not in limitation of the foregoing, the Participant shall take all action necessary and appropriate to comply with the arbitrage rebate requirements under Section 148 of the Code to the extent applicable to the Participant or the Bonds, including accounting for and making provision for the payment of any and all amounts that may be required to be paid to the United States of America from time to time pursuant to Section 148 of the Code.

Section 3.07. Non-Discrimination Covenant. ARTICLE IV - DEFAULTS

Section 4.01. Remedies. The Finance Authority's obligation to make a disbursement under the Loan to the Participant hereunder may be terminated at the option of the Finance Authority, without giving any prior notice to the Participant, in the event: (a) the Participant fails to undertake or perform in a timely manner any of its agreements, covenants, terms or conditions set forth herein or in any paper entered into or delivered in connection herewith (including the Authorizing Instrument); or (b) any representation or warranty made by the Participant as set forth herein or in any paper entered into or delivered in connection herewith is materially false or misleading. Any such event shall constitute an event of default and in addition to any other remedies at law or in equity, the Finance Authority may (x) require a Loan Reduction Payment pursuant to Section 2.06 herein as if it were a date that was three (3) years after the dated date of the Bonds, (y) in the event a Deposit Agreement has not previously been entered into related to the Participant's Bond Fund (including any related reserve), require the Participant to enter into a Deposit Agreement (or to modify any such previously entered Deposit Agreement) and the Participant shall enter into (or modify) such an agreement within 5 days after any such demand and (z) without giving any prior notice, declare the entire outstanding principal amount of the Loan, together with accrued interest thereon, immediately due and payable.

Section 4.02. Effect of Default. Failure on the part of the Finance Authority in any instance or under any circumstance to observe or perform fully any obligation assumed by or imposed upon the Finance Authority by this Agreement or by law shall not make the Finance Authority liable in damages to the Participant or relieve the Participant from paying any Bond or fully performing any other obligation required of it under this Agreement or the Authorizing Instrument; provided, however, that the Participant may have and pursue any and all other remedies provided by law for compelling performance by the Finance Authority of such obligation assumed by or imposed upon the Finance Authority. The obligations of the Finance Authority hereunder do not create a debt or a liability of the Finance Authority or the State under the constitution of the State or a pledge of the faith or credit of the Finance Authority or the State and do not directly, indirectly or contingently, obligate the Finance Authority or the State to levy any form of taxation for the payment thereof or to make any appropriation for their payment. Neither the Finance Authority or the State, nor any agent, attorney, member or employee of the Finance Authority or the State shall in any event be liable for damages, if any, for the nonperformance of any obligation or agreement of any kind whatsoever set forth in this Agreement.

Section 4.03. Defaults under Prior Agreements. The Participant and the Finance Authority agree that any event of default occurring under the Prior Agreements shall constitute an event of default under this Agreement. Similarly, the Participant and the Finance Authority agree that any event of default under this Agreement, or under any subsequent financial assistance agreement entered into between the Participant and the Finance Authority, shall constitute an event of default under the Prior Agreements and the subsequent financial assistance agreement, if any, as the case may be.

“Equivalency Project” shall mean a project designated by the Finance Authority as an “equivalency project” under the Safe Drinking Water Act related to the “US Environmental Protection Agency Capitalization Grant for Drinking Water State Revolving Funds” for the federal fiscal year designated by the Finance Authority.

“BIL” shall mean the Bipartisan Infrastructure Law (BIL) (P.L. 117-58), also known as the “Infrastructure Investment and Jobs Act of 2021” (IIJA), signed into law on November 15, 2021.

The Participant understands and acknowledges that the Project has been designated as an Equivalency Project and is required to meet the related applicable requirements of the Safe Drinking Water Act.

The Participant further understands and agrees that it is required to comply with all terms of 2 CFR 200.216, Prohibition on certain telecommunication and video surveillance services or equipment, which among other requirements prohibits the use of Loan proceeds by the Participant to procure (by means of entering into, extending, or renewing contracts) or obtain equipment, systems or services that use “covered telecommunications equipment or services” identified in the regulation as a substantial or essential component of any Drinking Water System, or as critical technology as part of any Drinking Water System. Such prohibitions extend to the use of Loan proceeds by the Participant to enter into a contract with an entity that “uses any equipment, system, or service that uses covered telecommunications equipment or services” as a substantial or essential component of any Drinking Water System, or as critical technology as part of any Drinking Water System. The Participant represents and warrants that it has not procured or obtained from Loan proceeds equipment, systems or services that use “covered telecommunications equipment or services” identified in the regulation as a substantial or essential component of any Drinking Water System, or as critical technology as part of any Drinking Water System.

The Participant further understands and agrees that it shall comply with all federal requirements applicable to the assistance received (including those imposed by BIL) which the Participant understands includes, but is not limited to, the following requirements: that all of the iron and steel, manufactured products, and construction materials used in the Project are to be produced in the United States (“Build America, Buy America Requirements”) unless (i) the Participant has requested and obtained a waiver from the cognizant Agency pertaining to the Project or the Project is otherwise covered by a general applicability waiver; or (ii) all of the contributing Agencies have otherwise advised the Participant in writing that the Build America, Buy America Requirements are not applicable to the Project.

The Participant further understands and agrees that it shall comply with all record keeping and reporting requirements under all applicable legal authorities, including any reports required by the Finance Authority or the Agency, such as performance indicators of program deliverables, information on costs and progress of the Project. The Participant understands that (i) each contract and subcontract

related to the Project is subject to audit by appropriate federal and state entities and (ii) failure to comply with the applicable legal requirements and this Agreement may result in a default hereunder that results in a repayment of the Loan in advance of the maturity of the Bonds, termination and/or repayment of grants, cooperative agreements, direct assistance or other types of financial assistance, and/or other remedial actions.

The Participant further understands and agrees that it shall comply with (i) Executive Order 14030, regarding Climate-Related Financial Risk, (ii) Executive Order 13690, regarding Flood Risk Management Standards and (iii) The Uniform Relocation and Real Property Acquisition Policies Act.

The Participant further understands that the Project is being financed, in whole or in part, with BIL funds, and therefore must meet the signage requirement as set forth in the United States Environmental Protection Agency's June 2015 Guidelines for Enhancing Public Awareness of SRF Assistance Agreements.

“GPR Projects Expenditures” shall mean those costs and expenses incurred by the Participant that are part of the Project which are GPR Projects in nature (within the meaning of the Drinking Water SRF Act) as determined by the Finance Authority, in order for the Bonds to receive special interest rate treatment under the Drinking Water SRF Program’s interest rate policies and practices.

The Participant understands and acknowledges that a special interest rate has been applied to the Bonds as a result of a portion of the Project having been identified by the Participant as being a GPR Projects project. In the event GPR Projects Expenditures are hereafter determined by the Finance Authority to be less than the amount referenced in the Participant’s business case or categorical exclusion, then the Finance Authority may request and the Participant shall promptly pay (no later than thirty (30) days after any request), a GPR Projects Adjustment Fee in connection with the Loan. The Participant shall certify to the Finance Authority those Loan disbursements it represents to be its GPR Projects Expenditures when and as required by SRF Policy Guidelines. The Participant understands and acknowledges that it is required to submit a business case or categorical exclusion documenting GPR Projects prior to loan closing or if a request is made pursuant to Section 3.02(f) of this Agreement.

The Participant understands and acknowledges that a special interest rate has been applied to the Bonds as a result of a portion of the Project having been identified by the Participant as being a LLR Projects project. In the event LLR Projects Expenditures are hereafter determined by the Finance Authority to be less than the amount referenced in the Participant’s related post-bid and other documents submitted to the Finance Authority, then the Finance Authority may request and the Participant shall promptly pay (no later than thirty (30) days after any request), a LLR Projects Adjustment Fee in connection with the Loan. (a) The Obligated Person hereby undertakes to provide the following annual financial information:

- (1) To the Finance Authority and to the MSRB, through EMMA, when and if available, the audited financial statements of the Participant for each fiscal year, beginning with the fiscal year ended on the December 31st preceding the date such Potentially Obligated Person was informed it had become an Obligated Person, together with the auditor's report and all notes thereto; and

- (c) If any Annual Information or audited financial statements relating to the Participant referred to in paragraph (a) of this Section 5 no longer can be provided because the operations to which they related have been materially changed or discontinued, a statement to that effect, provided by the Participant to the Finance Authority, to the MSRB, through EMMA, along with any other Annual Information or audited financial statements required to be provided under this Eighth Restated Undertaking, shall satisfy the undertaking to provide such Annual Information or audited financial statements. To the extent available, the Participant shall cause to be filed along with the other Annual Information or audited financial statements operating data similar to that which can no longer be provided.
- (d) Failure to provide any component of Annual Information because it is not available to the Participant on the date by which Annual Information is required to be provided hereunder, shall not be deemed to be a breach of this Eighth Restated Undertaking; provided, however, that in the event such Annual Information is not available to the Participant, the Participant will provide to the Finance Authority and to the MSRB, through EMMA, in the remaining disclosure of the

Annual Information, (i) a description of the Annual Information that is not available, (ii) any replacement or substitute information, (iii) whether such Annual Information is expected to be available, and (iv) if known by the Participant, the date such Annual Information will be made available to the Participant. - (e) Annual Information or audited financial statements required to be provided pursuant to this Section 5 may be provided by a specific reference to such Annual Information or audited financial statements already prepared and previously provided to the MSRB, through EMMA, or filed with the SEC; however, if such document is a final official statement, it must also be available from the MSRB, through EMMA.
- (f) Notwithstanding the two hundred ten (210) day due date for filing information pursuant to Section 5(a) and (b), in any year when notice is given after June 30th to the Potentially Obligated Person pursuant to Section 4 that it is an Obligated Person if such Obligated Person is not otherwise under a continuing disclosure obligation as described in the Participant's Official Statement or any similar undertaking by reference to the same two hundred ten (210) day due date (or an earlier due date), such information shall be filed pursuant to Section 5(a) and (b) within sixty (60) days after such Section 4 notice.

SECTION 6. Reference to Annual Financial Information and Use of the Annual Financial Information by the Finance Authority.

- (a) The Obligated Person understands and agrees that the Finance Authority may use and include such Annual Information and audited financial statements relating to the Participant referred to in paragraphs (a) through (c) of Section 5 in satisfying any Finance Authority Disclosure Obligation, either by direct inclusion in any official statement (or post-issuance filing) related to Finance Authority Bonds or by use therein of cross-references to filings made with the MSRB, through EMMA, by the Participant in connection with its continuing disclosure obligations as described in the Participant's Official Statement or any similar undertaking. The Obligated Person consents to such use of the provided information for such purposes and, if requested by the Finance Authority, agrees to confirm its consent from time to time to such use of the audited financial statements relating to the Participant for such purposes.
- (b) The Obligated Person agrees to deliver to the Finance Authority within thirty (30) days after any request, Annual Information and audited financial statements relating to the Participant referred to in paragraphs (a) through (c) of Section 5 to permit the Finance Authority to satisfy any Finance Authority Disclosure Obligation by the use or inclusion of such information in any official statement (or by the use or inclusion of cross-references therein to filings containing such information made with the MSRB, through EMMA, by the Obligated Person in connection with its continuing disclosure obligations as described in the Participant's Official Statement or any similar undertaking) that the Finance Authority may cause to be prepared and distributed in connection with the issuance of any Finance Authority Bonds. For purposes of this section, such Annual Information shall include (if requested by the Finance Authority and reasonably available without unreasonable expense) information for any fiscal period ending at a calendar month end no sooner than ninety (90) days prior to such request. The Obligated Person consents to such use of the provided information for such purposes and, if requested by the Finance Authority, agrees

to confirm its consent from time to time to such use of the audited financial statements referred to in paragraph (a) of Section 5 relating to the Participant for such purposes.

- (c) The Obligated Person understands and agrees that any Annual Information and audited financial statements provided pursuant to this Section 6, together with any information of events provided pursuant to Section 8, may be used by the Finance Authority for the purposes described in Section 2 and this Section 6, and the Obligated Person hereby agrees that it will provide upon request from the Finance Authority a certificate substantially in the form attached hereto as "Exhibit D" (a "Certificate") to the effect that such information, did not as of the date such information was filed with the Finance Authority and the MSRB, through EMMA, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. In connection with the issuance of the Finance Authority Bonds, if requested by the Finance Authority, the Obligated Person agrees to confirm by any reasonable means proposed by the Finance Authority the Certificate as if it was re-dated as of such issuance date.

SECTION 7. Accounting Principles. The accounting principles pursuant to which the Participant's financial statements will be prepared shall be generally accepted accounting principles, as in effect from time to time, those described in the auditors' report and the notes accompanying the audited financial statements relating to the Participant or those mandated by State law from time to time, or any other accounting principles which do not, in the determination of the Participant, materially deviate from any of such accounting principles.

SECTION 8. Material Events. The Participant undertakes to disclose to the Finance Authority, to the MSRB, through EMMA, in a timely manner, not in excess of ten (10) business days after the occurrence of any of the following events with respect to Obligated Person Bonds (each a "Material Event")

The Participant may from time to time choose to provide notice to the Finance Authority, to the MSRB, through EMMA, of the occurrence of any other event with respect to Obligated Person Bonds, in addition to those listed above to the Finance Authority (an "Other Event" and collectively with any Material Event, herein, a "Required Notice Event"). Only following a Joint Materiality Determination shall such Other Event be disclosed pursuant to the undertaking in the prior sentence; *provided however*, that no such Joint Materiality Determination shall be required in order for the Obligated Person to provide regular (i.e., quarterly) financial information to the MSRB through EMMA. Upon the occurrence of any (a) through (p) event with respect to Obligated Person Bonds, irrespective of materiality, the Participant shall immediately inform the Finance Authority of the event (and all related facts and circumstances) to permit a timely Joint Materiality Determination.

Nothing in this Eighth Restated Undertaking (including the inability of any party to this Eighth Restated Undertaking to make a timely Joint Materiality Determination, delay in providing notice of the

occurrence of any (a) through (p) event or one party's belief that any Required Notice Event is not material) shall restrict or otherwise prevent (a) the Finance Authority from making a filing with or giving any notice to the MSRB, through EMMA, with respect to the Finance Authority Bonds (which filing and notice may include facts and circumstances related to Obligated Person Bonds (including any Required Notice Event), irrespective of the Obligated Person's view of the materiality to the Finance Authority Bonds) or (b) the Obligated Person from making filing with or giving any notice to the MSRB, through EMMA, with respect to the Obligated Person obligations other than the Bonds (which filing and notice may include facts and circumstances related to Obligated Person Bonds (including any Required Notice Event), irrespective of the Finance Authority's or the Obligated Person's view of the materiality to the Finance Authority Bonds).

SECTION 9. Notice to the Finance Authority. The Participant hereby agrees to provide to the Finance Authority a copy of any Annual Information, audited financial statements, material event notice, or notice of failure to disclose Annual Information which it files or causes to be filed under Sections 5, 8, and 11 hereof, respectively, concurrently with or prior to such filing. If such filing is made pursuant to Section 5(a)(2) hereof, such filing shall be accompanied by a certificate of an authorized representative of the Participant in substantially the form of "Exhibit B" hereto. If such filing is made pursuant to Section 8 hereof, such filing shall be accompanied by a certificate of an authorized representative of the Participant in substantially the form of "Exhibit C" hereto. Such notices may be by facsimile transmission. The Finance Authority's receipt of any information, statements, or notices pursuant to this Section 9 shall impose on the Finance Authority no duties of examination, disclosure, or dissemination with respect to such information, statements, or notices. The Finance Authority shall not be obligated to retain any information, statements, or notices received pursuant to this Eighth Restated Undertaking for more than ninety (90) days following its receipt thereof.

SECTION 10. Use of Agent. The Participant may, at its sole discretion, utilize an agent (the "Dissemination Agent") in connection with the dissemination of any information required to be provided by the Participant pursuant to the SEC Rule and this Eighth Restated Undertaking. If a Dissemination Agent is selected for these purposes, the Participant shall provide prior written notice thereof (as well as notice of replacement or dismissal of such agent) to the Finance Authority and to the MSRB, through EMMA.

Further, the Participant may, at its sole discretion, retain counsel or others with expertise in securities matters for the purpose of assisting the Participant in making judgments with respect to the scope of its obligations hereunder and compliance therewith, all to further the purposes of this Eighth Restated Undertaking as set forth in the preamble and Section 12 hereof.

SECTION 11. Failure to Disclose. If for any reason, the Participant fails to provide the Annual Information or notification of a material event as required by this Eighth Restated Undertaking, the Participant shall provide notice of such failure in a timely manner to the Finance Authority and to the MSRB, through EMMA.

SECTION 12. Remedy.

(a) The purpose of this Eighth Restated Undertaking is to enable the Finance Authority to comply with Finance Authority Disclosure Obligations by

providing for an undertaking by the Obligated Person. This Eighth Restated Undertaking is solely for the benefit of the Finance Authority and creates no new contractual or other rights for the SEC, underwriters, brokers, dealers, municipal securities dealers, potential customers, other obligated persons or any other third party. The sole remedy against the Participant for any failure to carry out any provision of this Eighth Restated Undertaking shall be for specific performance of the Participant's disclosure obligations hereunder and not for money damages of any kind or in any amount or for any other remedy. The Participant's failure to honor their covenants hereunder shall not constitute a breach or default of the Finance Authority Bonds or Obligated Person Bonds, any Authorizing Instruments, any Financial Assistance Agreements or any other agreements to which the Participant is a party; provided that this provision shall not modify or amend any covenant made to the Finance Authority pursuant to any Financial Assistance Agreement or otherwise affect any remedies related to any such covenant in any Financial Assistance Agreement.

(b) Subject to paragraph (c) of this Section 12, the remedy set forth in the preceding paragraph may be exercised by the Finance Authority in any court of competent jurisdiction in the State of Indiana. The Finance Authority shall have no obligation to pursue any remedial action hereunder on behalf of any holder of Finance Authority Bonds or Obligated Person Bonds.

(c) Prior to pursuing any remedy for any breach of any obligation under this Eighth Restated Undertaking, the Finance Authority shall give notice to the Participant, by registered or certified mail, of such breach and its intent to pursue such remedy. Fifteen (15) days after the mailing of such notice, and not before, such remedy may be pursued under this Eighth Restated Undertaking if and to the extent the Participant has failed to cure such breach within such fifteen (15) days.

SECTION 13. Finance Authority's Fees and Expenses. As of the effective date of this Eighth Restated Undertaking, the Finance Authority is not imposing a fee.

SECTION 14. Modification of Agreement. The Participant and the Finance Authority may, from time to time, amend or modify this Eighth Restated Undertaking by mutual agreement. The Participant may, from time to time, amend or modify this Eighth Restated Undertaking without the consent of the Finance Authority by providing from a nationally recognized bond counsel firm acceptable to the Finance Authority, an opinion addressed to the Finance Authority opining to the effect that:

- (A) (1)(a) such amendment or modification is made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the Participant, or type of business conducted; (b) this Eighth Restated Undertaking, as so amended or modified, would have complied with the requirements of the SEC Rule with respect to the Finance Authority Bonds on the date hereof, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances; and (c) such amendment or modification does not materially impair the interests of the Finance Authority or the holders of the Finance Authority Bonds; or (2) such

amendment or modification is permitted by law; and

- (B) such amendment or modification will not adversely affect the Finance Authority's ability to lawfully comply with any Finance Authority Disclosure Obligation then in effect. The Finance Authority may in its discretion waive such clauses (A)(1)(c) or (B), or both, as requirements of such opinion. Additionally, such amendment or modification, together with the foregoing opinion, shall be provided to the Finance Authority at least 15 days in advance of its proposed effectiveness.

The Annual Information or audited financial statements for the fiscal year during which any such amendment or modification occurs that contains the amended or modified Annual Information or audited financial statements shall explain, in narrative form, the reasons for such amendment or modification and the impact of the change in the type of Annual Information or audited financial statements being provided.

SECTION 15. Interpretation Under Indiana Law. It is the intention of the parties hereto that this Eighth Restated Undertaking and the rights and obligations of the parties hereunder shall be governed by, and construed and enforced in accordance with, the law of the State of Indiana.

SECTION 16. Severability Clause. In case any provision in this Eighth Restated Undertaking shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 17. Successors and Assigns. All covenants and agreements in this Eighth Restated Undertaking made by the Participant and the Finance Authority shall bind its successors, whether so expressed or not.
