Projected occupancy date (month/year): 09/2025
Describe the efforts of the owner or previous owner in regards to selling, leasing or renting the eligible vacant building
during the period the eligible vacant building was unoccupied including how much the building was offered for sale,
lease, or rent by the owner or a previous owner during the period the eligible vacant building was unoccupied. We first saw the property listed for sale/lease in Jan. 2024 for \$675,000. We put in an initial offer to
purchase the building but it was rejected. We went to the property again in July 2024 and put in
another offer but it was also rejected. The seller dropped the prices two times between Jan. 202
and Oct. 2024. We put in another offer for the building in Oct. 2024 and it was accepted. We too
possession of the building in March 2025 after legal battles of easements and access.

This project will adhere to all applicable federal, state, and municipal statutes, regulations, ordinances and codes, including but not limited to all Indiana and Allen County Building Codes and the Allen County Zoning Ordinance. Adherence to all applicable federal, state, and municipal statutes, regulations, ordinances and codes will be maintained throughout all design, permitting, contractor licensure, and construction phases of the Property owner's project. Said adherence shall be attested to on the initial tax phase-in application and each annual Compliance with Statement of Benefits Form.
