Article 7 – Police Officer’s Bill of Rights.

For purposes of this Article, the term "police officer" includes Fort Wayne City police officers on full-time active duty within the bargaining unit as defined in this Agreement.

Section 1. Employees of the Fort Wayne Police Department hold status as public officers in that the nature of their office and their performance of their duties involves the exercise of the police power of the City and the State.

Section 2. The security of the City and its citizens depend upon the manner in which Employees perform their duties. The performance of such duties involves those Employees in all manner of contacts and relationships with the public, superior officers, and fellow officers.

Section 3. Situations may arise out of such contact and relationships brought about by the actions of Employees of the force. Such situations may require prompt investigation by superior officers designated by the Chief of Police, Division Commanders or other competent authority designated by the Chief of Police.

Section 4. Except as otherwise provided by law, no Employee shall be prohibited from engaging, or be coerced or required to engage in, political activity.

Section 5. When, for any reason, any Employee is under investigation or subjected to questioning by his/her commanding officer, or any other duly assigned Employee of the Police Department, which could lead to disciplinary action, demotion, dismissal, transfer or administrative charges, and to insure that such investigation or questions are conducted in a manner conducive to public confidence, good order and discipline, meanwhile observing and protecting the individual rights of each Employee, the following rules of procedure are hereby established:

A. The questioning shall be conducted at a reasonable hour, preferably at a time when the Employee is on duty or during normal working hours for the Employee, unless the seriousness of the investigation requires otherwise. The questioning shall be completed within a reasonable time after the occurrence of the event giving rise to the investigation. Time shall be provided for personal necessities, meals, telephone calls, and rest periods.

B. The Employee under investigation shall be informed of the nature of the investigation or whether he/she is a witness or the object of the investigation, and of any charges against him/her,

at least two calendar days prior to such questioning, unless evidence establishing probable cause that a felony has been committed demands an immediate investigation. All questions directed to the Employee under investigation shall be asked by and through no more than two (2) questioners.

C. The questioning session shall be for a reasonable period taking into consideration the gravity and complexity of the issue being investigated.

D. The Employee under investigation shall not be subject to offensive language or threatened in any manner whatsoever. The Employee under investigation shall not be subjected to visits by the press or news media without his/her express consent. The City will release information as outlined in Indiana Code § 5-14-3-4-8(A) which requires, upon a request for information, the release of an Employee's "name, compensation, job title, business address, business telephone number, job description, education and training background, previous work experience, or dates of first and last employment of present or former officers or employees of the agency."

E. The complete questioning of an Employee may be recorded either by audio, video or both. A tape recording may be made of the questioning, and the Employee shall have access to the tape if any further proceedings are contemplated or prior to any further investigation at a subsequent time. The Employee shall be entitled to a transcribed copy of any notes or to any and all reports, or notes, made by investigators. The Employee being questioned shall have the right to bring his/her own recording device and record any and all aspects of the questioning.

F. When the Employee is under investigation for the commission of a criminal offense, he/she shall be completely informed of all his/her rights prior to the commencement of the interrogation. If the Employee chooses to invoke his/her protection under these rights at that time, that Employee shall not be subject to charges of insubordination or failure to cooperate for that reason.

G. No Employee shall have his/her locker, desk, or other space for storage, that may be assigned to them, searched without their consent, except in his/her presence or unless a valid search warrant has been obtained.

H. Any Employee under investigation shall have the right to be represented by counsel and/or any union representative of his/her choice who shall be present at all times during such questioning whenever such questioning may result in disciplinary action or criminal charges against the Employee and shall be so advised prior to commencing the interview. The role of the Union representative or legal counsel during said representation is as follows:

1. Ascertain the charges against the Employee before the interview starts;
2. Offer mitigating circumstances and investigatory leads;
3. Question the Employee at the conclusion of the interview;
4. Consult with the Employee during the interview;
5. Object to inappropriate questions.

I. If an Employee is compelled by the threat of possible job forfeiture, or discipline, to make any oral or written statement either by direct, face-to-face order, written orders, manual of rules and or procedures, or implied orders than neither the statement nor the fruits of the statement may be used against the Employee in a subsequent criminal prosecution of the officer. The officer shall be granted Derivative Use Immunity.

J. This section shall not apply to any investigation or questioning of an Employee in the course of counseling, instruction, or informal verbal admonishment by, or other routine contact with a supervisor.

Section 6. If an Employee is ordered into Internal Affairs, Office of Professional Standards, or the Police Department, while off duty, to be questioned or interviewed concerning a specific incident or action, said Employee will be compensated for time spent in the interview or questioning, in addition to one (1) hour of travel time.

Section 7. No Employee shall have any written comment adverse to his/her interest entered in his/her personnel file, without the Employee having first read and signed the instrument containing the adverse comment. If an Employee refuses to sign after a review of the written adverse comment, a witness shall thereafter note that such Employee was presented with the opportunity to read and sign such instrument and refused to do so. Nothing in this provision shall apply to notes and records compiled by an investigator during the course of an investigation of an Employee provided, however, that upon completion of the investigation, the Employee shall have access to all notes and records of the investigation.

Section 8. An Employee shall have fifteen (15) working days from notification that an adverse comment exists within which to file a written response to any adverse comment entered in his/her personnel file. Such written response shall be attached to, and shall accompany, the adverse comment.

Section 9. Before the questioning of any Employee as a result of a complaint by a citizen, that citizen shall be required to sign a statement clearly stating the allegation, a copy of which shall be provided to the Employee at the time said Employee is directed to report for questioning.

Section 10. No Employee shall be required or requested for purposes of job or other personnel action to disclose any item of his/her property including, but not limited to, income, assets, source of income, debts, or personal or domestic expenditures (including those of any member of his/her family or household) unless:

- A. Such information is obtained under proper legal procedure, or
- B. There is probable cause that bribes or other improper inducements may have been given to such Employee, or
- C. Such income is public record.

Section 11. No Employee shall be given an unnatural, artificial, or make-work assignment for the purpose of discipline or punishment.

Section 12. No Employee shall be discharged, disciplined, demoted, transferred or denied promotion or reassignment or otherwise discriminated against in regard to his/her employment, or be threatened with any such treatment by reason of his/her lawful exercise of his/her constitutional rights or the rights granted under this Article.

Section 13. An Employee may inspect his/her personnel file and may be accompanied by a designated union representative, which may include an attorney. Any alleged discrepancies shall be brought to the attention of the Personnel Administrator for adjustment. If the matter is still unresolved, it shall be subject to the grievance procedure.

Section 14. No Employee shall be compelled to submit to a polygraph examination, voice stress analysis or other truth detection device against his/her will, nor shall voice stress analysis or other truth detection devices be unknowingly used during the course of an investigation of an Employee. No disciplinary action or other recrimination shall be taken against an Employee refusing to submit to a polygraph examination, voice stress analysis, or other truth detection devices. No comment or notation shall be entered anywhere in the investigator's notes or anywhere else that the Employee officer refused to submit to a polygraph examination, voice stress analysis or truth detection device or that voice stress analysis or other detection device was unknowingly used.

Testimony or evidence shall not be admissible at a subsequent hearing, trial or proceeding, judicial or administrative, to the effect that the Employee refused to submit to a polygraph examination, voice stress analysis, or other truth detection device or that voice stress analysis or other truth detection device was unknowingly used.

Section 15. No Employee shall have charges brought before the Board of Public Safety without having been informed of the upcoming charges first, having been offered the opportunity to be interviewed first, and having been afforded all Constitutional rights, and all rights provided by this Article.

Section 16. The Fort Wayne Police Department Drug Testing Policy, as adopted by the Board of Public Safety, shall take precedence over any language within this Agreement.

Article 8 – Protection of Bargaining Unit Work.

Section 1. Supervisors (Sergeants and above), Non-Sworn Civilian(s), or contracted Employee(s) may perform bargaining unit work so long as it does not result in the displacement or layoff of an Employee as direct result thereof.

Section 2. Civilian(s) or contracted person(s) will not assume the duties of bargaining unit Employees in such a way as to cause the displacement or layoff of such Employee as a direct result thereof.

Section 3. The term “displace” as used above means the removal of an Employee from a regularly scheduled shift and/or bid position and replaced with a reserve officer, supervisor, non-sworn civilian or contracted Employee.

Article 9 – Job Elimination – Layoff – Recall.

Section 1. Job Elimination: If an Employee's position is eliminated, the Employee will exercise seniority on available, unfilled positions and have immediate bidding rights. If a position that was eliminated is re-established within six months, the Employee who held the position shall be given first opportunity to fill the vacancy.

Should a job close through elimination of the position, the Employee shall be given the opportunity to bump the next junior Employee in the division or section. If there are no junior Employees, said individual shall be placed in the open job, generally identified as B-Shift Uniform.

For the purpose of this Article, a section shall relate to K-9, Hit-skip, and Crime Scene positions or any other future specialized unit.

Section 2. Layoff: In the event of a layoff of Employees, the order of layoff shall be inversely related to length of service (the last person hired shall be the first person laid off.)

Should the Employer find it necessary to lay off Employees, it shall give the Union notice not less than four weeks prior to the effective date of the layoff of the initially affected Employee. The Employer will inform the Union of the nature of the layoff within three working days of the notice. The Employer, at this meeting, shall provide the Union with a current seniority list of the bargaining unit.

Section 3. Recall: In the event of a recall to work, the order of return shall be directly related to length of service (the last person laid off shall be the first person returned to work.).

Article 10 – Management Rights.

Section 1. Recognition of Management: The Union hereby recognizes the Employer as having the sole rights to direction of the working forces, including, but not limited to, the right to determine the work to be performed by Employees; to employ, promote, demote, transfer, layoff, discipline, suspend or discharge for cause; to assign work and the number of hours to be worked, including overtime work; to increase and decrease the working force; to establish standards and methods; to hire civilians except for patrol and investigative field work; to transfer work or otherwise perform work as required by the demands to maintain the efficiency of public operations.

The Employer, in exercising the rights set forth herein, recognizes that certain express conditions of employment are set forth in this Agreement which limit and restrict these defined Employer rights. Therefore, the Employer agrees that in exercising the rights herein, nothing shall be construed or applied in any manner which negates, modifies, or supersedes the rights of Employees, or the Union, where such rights are expressly set forth in this Agreement. However, nothing in this Agreement shall be construed to limit the authority of the Chief of Police and the Board of Public Safety to exercise statutory powers to discipline other than the provisions of Article 11, Section 2 and Article 7.

Section 2. Rules and Regulations: The Union recognizes that the Employer reserves the rights to establish rules, and/or change existing rules affecting working conditions. All such rules shall be reasonable in content and application. The Union will be furnished a copy of any new or

revised rules, policies, or General Orders affecting Employees at least fifteen (15) days in advance of the effective date.

Article 11 – Discrimination.

Section 1. The Employer will not interfere with, restrain or coerce Employees because of membership in, or activity on behalf of, the Union. The Employer will not discriminate with respect to hiring, tenure of employment or any term or condition of employment against any Employee covered by this Agreement because of membership in, or activity on behalf of, the Union, nor will it discourage or attempt to discourage membership in the Union or attempt to encourage membership in another Union.

Section 2. The Employer will not discriminate against any applicant for employment, or any present or future Employee, in the payment of wages, assignment to jobs, seniority, promotion, demotions, training transfer, layoff, recall, discipline, discharge, pension benefits, working hours, physical facilities, retirement age, insurance coverage, job classification, classified advertising, recruitment, testing, or any other term, condition, or privilege of employment, because of race, color, religion, sex, national origin or occupationally irrelevant physical handicaps, or the exercising of any rights under the grievance procedure.

Section 3. Any violation of Title VII of the 1964 Civil Rights Act, as well as the Equal Pay Act of 1963, Executive Order 11246 as amended by 11375, and the Age Discrimination in Employment Act of 1979, will be deemed a violation of this Agreement and subject to the grievance and arbitration provisions embodied in this Agreement.

Article 12 – Union Security.

Section 1. The Employer recognizes the benefit of a professional union representing its Employees.

Section 2. The Employer recognizes as valid, fair, and equitable the Union's claim that all Employees may have an obligation to pay dues or administrative fees for services rendered on their behalf by the Union, and for their proportionate part of the costs of collective bargaining, contract administration, grievance adjustment, and other duties and services related to the Union being the exclusive representative of the bargaining unit.

Section 3. The Union, on its own and not on behalf of the Employer, may take such action as it may deem appropriate to collect its dues or administrative fees from those Employees who refuse to authorize payroll deductions for or who otherwise refuse to pay the dues.

Section 4. An Employee may refrain from joining the Union.

Section 5. It is understood and agreed that the Union shall indemnify the Employer from and against any liability, actions, or cause of action that may result with respect to this Article 12.

Article 13 – Dues Deduction.

Section 1. The Employer will accept a signed dues deduction authorization by any Employee as equivalent to a continuing voucher by such Employee in the amount of monthly dues, or initiation fees or assessments uniformly required by the Union (certified by the Treasurer of the Union as the proper amount) and such authorization shall remain in effect for the duration of this Agreement. However, any such authorization may be revoked by an Employee upon his/her promotion to the rank of Sergeant, and a written notice to the Employer with a copy being sent to the Union.

Section 2. Deduction of Union dues shall be made on the first payday of the month in which the authorization was received and monthly thereafter on the first payday of the month. Deductions provided herein shall be remitted to the Treasurer of the Union no later than the twentieth (20th) day of the month in which the deductions were made and shall include all deductions made in that month. The Employer shall furnish, with the deductions remitted, an alphabetized listing of each Employee for whom a deduction is made showing the exact amount of each respective deduction made.

Article 14 – Bargaining Unit Information.

During the term of this Agreement, the Employer, on a semi-annual basis, January and July of each year, will provide the Union with a list giving name, rank, division and unit assignment, and home address and telephone number of all Employees the Union is authorized to represent by virtue of this Agreement.

Article 15 – Union Representation.

Section 1. Upon notice to the Chief of Police or his/her designated representative, authorized agents of the Union shall have access to the Employer's establishment(s) for purposes of adjusting disputes, investigating working conditions, and ascertaining that the Agreement is being adhered to.

Section 2. When negotiating the terms of future collective bargaining agreements, Employer will recognize no more than six (6) committee persons designated by the Union, one of whom shall be designated as Chair of the committee. Negotiations shall be held during normal shift business hours of the Employer. Time spent in meetings set by management for the first fifteen (15) meeting days of negotiations, mediation and arbitration, set by Special Ordinance No. S-156-78, shall be treated as one (1) workday for four (4) Union committee persons. Thereafter, such time spent by these individuals shall be compensated on an hour to hour basis. The Employer will accommodate the Union with respect to time off to participate in negotiation sessions.

Section 3. Representatives of the Union shall be chosen from its members who are employed by the Employer. The Employer will recognize shift representatives or their alternate representatives designated by the Union to the Employer in writing. Union representatives shall be afforded such time as needed to carry out their grievance responsibilities. Any shift representative and involved Union member who finds it necessary to leave his/her work station to transact legitimate grievance business may do so after notifying his/her supervisor and being released in a reasonable amount of time. The shift representatives or alternate representatives will notify the supervisor of the legitimate grievance business. The Union agrees to make every effort in the conduct of grievance matters to minimize interference with production and the orderly operation of the Employer, and further agrees that alternates will process grievances only in the absence of the shift representative.

The Employer further agrees that the Employees who file a grievance with the Employer will not be questioned in respect thereto without advising the Employee of his/her the right to Union representation.

Section 4. The Union shall be free to withdraw a grievance at any step of the grievance procedure without prejudice.

Section 5. Designated Union representatives, in exercising their collective bargaining rights as set forth in this Agreement, shall have the right to carry out their collective bargaining

responsibilities within the bargaining unit without fear of reprisal, intimidation, coercion, harassment, or discrimination for so serving.

Article 16 – Union President and Time Bank.

Section 1. The President shall continue his/her normally assigned duties with the Department but work fifty percent (50%) per week in his/her bid assignment and fifty percent (50%) per week conducting Union business. The Employer shall donate two thousand (2,000) hours annually to the Union Time Bank (UTB), to be used at the discretion of the Union and subject to minimum count(s). The Union may carry over five hundred (500) hours from one calendar year to the next. The maximum hours annually in the UTB shall be two thousand five hundred (2,500). An Employee may donate Non-FLSA earned time to the UTB.

The President, Vice President, Treasurer and Secretary may use UTB hours even if minimum count(s) would be impacted.

Union Board members conducting or who have conducted Union business may use UTB hours even if minimum count(s) would be impacted so long as the request for such time is made at least fifteen (15) days prior to the date(s) requested off. If a Union Board member needs to use UTB hours within the fifteen (15) day time period of the day off, it shall be subject to minimum count(s).

Section 2. The President shall continue to be compensated as a full-time Fort Wayne Police Officer employed by the City and be afforded all rights and privileges provided to other Employees as set forth in this Agreement. Once an Employee takes office as the Union President, he/she will continue to receive any shift differential and special duty pay(s) to which he/she was previously entitled. The President may continue to exercise his/her bid rights during his/her tenure as the President.

Section 3. The President's eligibility for promotional examinations shall not be affected by his/her Presidential duties. His/her last evaluations used in the last promotional exam/process prior to becoming President shall be used for any subsequent promotional exam he/she may take.

Section 4. The President shall complete the "Flex Schedule Report," and submit it to the appropriate Shift COD so his/her hours of work can be accurately accounted for, and for accuracy of minimum counts. See attachment "Flex Schedule" for a copy of the form.

Section 5. The President shall participate in all Department mandated training. The President shall also continue to conform to Employer rules, regulations, and grooming standards that are not inconsistent with Union activities.

Section 6. The President shall be allowed, if he/she so chooses, to exchange work time with full time, sworn officers of the division he/she was assigned to prior to becoming President, in the event that shift is at minimum count, or below, and an Exchange of Work Time form has been signed by both Employees and the appropriate shift commander.

Article 17 – Labor Management Committee.

The Employer and the Union shall establish a Labor-Management Committee to advance communications on matters of concern to either party. The purpose of the Labor-Management Committee is to foster improved communications and effective problem solving between the Employer and the Union with regard to issues of material concern. The Committee generally serves as an advisory rather than a decision-making body. The Committee shall meet at least quarterly and shall consist of the Chief of Police or Assistant Chief of Police, one Deputy Chief, the Union and one Executive Board Member of the Union, usually the Vice-president. Union counsel and the City's labor counsel may also attend as ex-officio members of the Committee.

Article 18 – Dissemination of Union Information.

The Union may utilize department e-mail, in-car messaging, and video technology to disseminate Union information.

Article 19 – Union's Right to Address Recruit Classes.

Section 1. The Union shall have the right to address each new recruit class during training. This time shall be established as a regular part of the training schedule and be at least a minimum of two (2) hours.

Section 2. The Union shall be allowed the opportunity to address any newly-hired Employee(s) (lateral or other) prior to, or on, the day upon which he/she is sworn in.

Article 20 – Grievance and Arbitration.

Section 1. Grievance Defined: A grievance shall be defined as any dispute arising concerning the interpretation or application of this Agreement or with respect to the circumstances and conditions of employment except as otherwise provided in this Article. Grievances may be submitted, as defined, relating to matters contained in this Agreement. Suspensions, dismissals, and reductions in grade cannot be grieved or arbitrated. Any matters governed by statutory provisions regarding suspensions, reprimands, or dismissals shall not be considered grievances and subject to the grievance procedure herein. When a grievance arises, an earnest effort shall be made to settle such differences promptly in accordance with the Grievance Procedure hereinafter prescribed.

Section 2. Grievance Limitations: If more than one (1) Employee has the same grievance, two (2) aggrieved Employees, representing all aggrieved Employees, as selected by the Union shall proceed through Step 1 of the Grievance Procedure, as set forth in this Article. The Parties hereto, in processing a grievance, reserve the right, upon mutual agreement, to eliminate any of Steps 1 and 2 of the Grievance Procedure, as set forth in this Article. A grievance must be filed within thirty (30) calendar days following knowledge of the action which gave rise to the alleged grievance.

Section 3. Grievance Procedure: The Grievance Procedure shall be as follows:

Step 1. The grievance shall be orally presented by the aggrieved Employee and/or the Employee's shift representative to his/her immediate supervisor. The supervisor must give his/her answer within five (5) working days.

Step 2. If the grievance is unresolved in Step 1, it shall be presented in writing by the aggrieved Employee and shift representative to the aggrieved Employee's immediate supervisor. The Employer must give its written answer within five (5) working days.

Step 3. In the event the grievance is unresolved in Step 2, it shall be forwarded by the Union within five (5) working days to the Chief or his/her designee. Chief or his/her designee, the Union's grievance chairperson and shift representative shall meet within ten (10) working days. To expedite the process, either party may bring additional individuals, including the grievant, to this meeting.

Step 4. If the above procedure is followed and the parties are still unable to settle the dispute, the parties shall submit the issue, within five (5) working days, to a mutually agreed upon local hearing officer, who shall have the authority to resolve the issue.

Step 5. If the above procedure has been followed and the parties are still unable to settle the grievance, the Union shall, within fifteen (15) working days following receipt of the local hearing officer's decision, notify the Employer of the Union's intent to arbitrate the dispute.

Step 6. Within five (5) working days, the Employer and the Union shall jointly request a panel of seven (7) arbitrators from the Federal Mediation and Conciliation Service. The Employer and the Union shall split the cost of the first arbitration panel. Either the Union or the Employer can reject one arbitration panel and request a new panel. If a panel is rejected, the party requesting the new panel must pay the cost for the replacement panel. After receipt of the panel of arbitrators, the parties shall meet within five (5) working days, draw lots to determine who shall strike the first name from the list of seven (7) arbitrators, and then continue striking names on an alternate basis. The last remaining name shall be deemed the arbitrator by mutual consent of the parties.

The arbitrator shall not have the authority to alter, amend or change the terms of provisions of this Agreement, and his decision shall be limited to the particular grievance in question. The answer of the arbitrator shall be in writing unless otherwise agreed on by both parties.

The arbitrator's decision shall be final and binding on the parties, and in the event either party shall fail or refuse to abide by the decision of the arbitrator, the offended party can bring an action in the appropriate court. The court shall award the prevailing party reasonable attorney fees in addition to any other relief adjudged.

The Union and the Employer agree that the non-prevailing party shall be responsible for the cost of the officer/arbitrator, including any mutually agreed upon services relating to the hearing or arbitration proceeding, such as the services of a court reporter. However, if the officer/arbitrator finds either the grievance or the defense of the grievance to be frivolous, groundless or unreasonable, the offending and non-prevailing party shall, in addition to the aforementioned cost, be responsible for the prevail party's attorney fees.

Section 4. Time Limitations: All time limits prescribed as set forth in Section 3, Steps 1 through 6, may be extended by mutual agreement of the Parties. Failure of the party charged to respond within the time limits shall constitute a basis for escalating the grievance to the next step.

Failure of the aggrieved party to process the grievance to the next step within the time limits shall constitute a basis for the party charged to deny the grievance.

Article 21 – Seniority.

Section 1. Seniority Defined: Seniority shall be determined by the most recent date of continuous appointment with the Fort Wayne Police Department except as provided in Section 3. Seniority for the purpose of this Agreement shall apply to Employees of the bargaining unit. Section 2. Probationary Employees: All new appointees and laterals shall be considered probationary Employees for the probationary period established by the Board of Safety pursuant to I.C. 36-8-4-12. This period is generally understood to be twelve (12) months in length: Six (6) months supervised probation; six (6) months unsupervised probation where the probationary Employee is eligible to exercise bid rights.

No probationary period shall be for less than six months unless the Union consents in writing. Probationary Employees shall be eligible to exercise bid rights commencing in his/her final month of his/her supervised probation. This includes any extension of their field training by the Chief unless mutually agreed upon by the Union and the Employer. This limitation on bidding does not limit the authority of the Chief and the Board of Safety to establish periods of probationary appointments under I.C. 36-8-4-12.

Probationary Employees shall be granted time off for holidays, accrued Non-FLSA time, and accrued personal days under the same provisions as all Bargaining Unit Employees.

The

Union recognizes that Probationary Employees are at-will employees of the City of Fort Wayne until he/she moves to First Class pay status.

A “lateral transfer” Employee may be moved to First Class pay status at the discretion of the Chief of Police any time during the first year; however, such a move does not terminate the Employee's probationary status.

Section 3. Termination of Seniority: An Employee's seniority shall be broken when he/she:

If an Employee rescinds an awarded bid, pursuant to the terms of this Article 22, he/she may return to his/her union bid car.

D. As annexed areas are brought into the City, management will agree to bid one union bid car in any new district, for each shift. Additional units may be bid at management's discretion.

If no detective is selected from the Property Crimes section, the open position shall be bid by seniority to the A-shift Detective Bureau.

If an Employee rescinds a bid prior to its posted start date, that bid shall be granted to the next senior Employee. Approximately one (1) month prior to a probationary Employee completing his/her field training duties, bids in the amount up to but not exceeding the number of Employees anticipated to be coming off probationary status shall be open Department wide. This Department wide bidding shall continue until no Employee is left placed to a shift.

I. Jobs held by probationary Employees shall be open to bid by all Employees upon completion of the probationary Employee's field training period or any extension thereof.

J. Nothing in this Agreement shall prevent management from creating new job classifications or extending or decreasing existing job classifications, provided each new job classification covered under this Agreement is posted for bid (where applicable) in accordance with the bidding procedure herein.

K. Attached hereto, as part hereof, is the Organizational Chart of the Fort Wayne Police Department. Any subsequent changes made by the Employer shall not in any fashion adversely affect or infringe upon the bidding rights of Employees as set forth in the Agreement.

L. Upon a job deletion or opening by management, after one department wide bid, the more junior Employee may be required to fill the open job. If such inverse selection occurs, that Employee shall be considered bid to that shift and therefore open to all benefits of such position.

Section 2. Job Bidding: Bid Procedure: Bids shall be posted and remain open on the Police Department intranet for seven (7) consecutive calendar days for department-wide bids. Persons to accept bids will be the Shift Commanders. Employees must bid in person by signature and shall receive an electronic receipt to show that a bid has been placed. The Employee will retain the original electronic receipt and the shift commander or commander of the day issuing the electronic receipt shall forward the copy along with the bid at the time the bids close to the Chief of Police or his designee.

An Employee may remove his/her name from the bid by appearing in person to the Shift Commander during working hours with his/her receipt during the seven days while the bid is open. The Union steward may act on behalf of an Employee on any bidding procedure, provided written authorization is furnished. A bid shall be considered awarded upon the effective starting date of the position. However, a bid may also be withdrawn at any time prior to the effective starting date.

Unsuccessful bids shall not be counted against the Employee's allowed number of bids. An Employee may bid on more than one job, but not more than three jobs simultaneously. An Employee may not exercise bidding rights while under departmental suspension in excess of thirty days.

Employees shall exercise bid rights in a two-phased format: The Employee's initial bid when moving from one division to another shall be a simultaneous bid for division, shift, and/or bureau. Once successfully awarded a bid for division, shift, and/or bureau, the Employee may exercise a secondary bid right on section or specific job classification as herein identified.

All Employees shall have the right to three (3) awarded bids during one calendar year.

If two (2) Employees apply for the same opening and they have identical seniority dates, then the system prescribed in "Seniority Defined," based on an alphabetical list, shall prevail.

Section 3. Bid Award: An Employee who has been awarded a bid under this Article shall have the right within ten (10) calendar days from his/her physical start of the position to decide whether or not to return to his/her previous primary bid, district, and rotation. An Employee may waive his/her right to rescind an awarded bid, as set forth herein, upon written notice to the Employer.

If the bid position requires training and evaluation in order for the Employee to successfully meet the bid requirements, an Employee awarded such a bid shall have fifteen (15) calendar days to decide whether to return to his/her previous primary bid, district, and rotation after completing the specified training and having his/her final evaluation. At the completion of specified training as stated in the job bid, an Employee shall have his/her final evaluation. A fifteen (15) calendar day extension shall be granted either side upon written notice, and both sides' rights will be also extended. If, as a result of such evaluation, the Employer reasonably believes that the Employee is not able to perform satisfactorily or is unable to perform, the Employee will return to his/her

former primary/secondary bid/job, and will retain all bid rights. The Employee has the right to dispute management's evidence and appeal the decision to the Board of Safety.

Inverse seniority shall be the determinant factor in assigning desk duty, supply room duty, and any guard duty unless a senior Employee requests such duty. Unbid and/or unassigned Employees placed on a shift will always be first moved, regardless of seniority.

Movements and/or reassignments within a shift to accomplish motor, guard duty, desk duty, supply room duty, bicycle patrol and/or foot patrol are not considered a temporary assignment. These movements or reassignments shall be done by inverse seniority unless a senior Employee requests such duty.

Article 31 – Job Reassignment/Unsatisfactory Performance.

Section 1. Job reassignment for unsatisfactory performance will be made based upon documented evidence that the Employee has been counseled and assisted to overcome any inadequacy.
