FORT WAYNE PROFESSIONAL FIRE FIGHTERS UNION LOCAL #124, INC.
2025 - 2026 COLLECTIVE BARGAINING AGREEMENT

AGREEMENT

This Agreement is entered into between the City of Fort Wayne, Indiana (“City”), the Fort Wayne Fire Department (“Department”), and the Fort Wayne Professional Fire Fighters Union, Local 124 Inc., Professional Fire Fighters Union of Indiana, International Association of Fire Fighters, AFL-CIO, CLC (“Union”).

WITNESSETH

The Members of the Department (“Members”) are engaged in providing an essential public service to the community which affects the health, safety, comfort and general well-being of the citizens of the City; and the parties hereto expressly agree to be bound by the terms of this Agreement in consideration of the premises and mutual covenants herein set forth and in further consideration of the high and proper purposes, aims and intentions of the parties hereto; and in order to achieve such purposes, the parties agree as follows:

ARTICLE 1 - UNION AND CITY RELATIONSHIP

Section 1. The Union and the City agree to cooperate fully for harmonious relations, good working conditions, and fair, reasonable and impartial discipline.

ARTICLE 2 - UNION RECOGNITION

Section 1. The City hereby recognizes that the Union represents a majority of the Fire Fighters of the City. The City, therefore, recognizes the Union as the sole and exclusive bargaining agent for Members in matters pertaining to rate of pay, wages, hours of employment, working conditions, and other conditions of employment and further agrees to bargain with no other such agent.

ARTICLE 3 - JURISDICTION

Section 1. The bargaining unit shall be as follows: All Fire Fighters covered by the Indiana Burns Statute Pension Acts of 1937 and 1977, who are permanent and paid employees of the City wherever assigned to duty, but excluding:

- A. Fire Chief
- B. Deputy Chief
- C. Assistant Chiefs

ARTICLE 4 - MANAGEMENT RIGHTS

Section 1. The Union recognizes the authority of the City to hire, discipline, transfer, promote, demote, suspend and discharge, assign work and the number of hours to be worked, including overtime work, to increase and decrease the work force, to establish staffing levels per apparatus and vehicles, to establish standards and methods, transfer work or otherwise perform work in the Fire Department as required by the demands to maintain the efficiency of public safety as well as to direct the working force of the Department.

Section 2. The City, in exercising the rights set forth herein, recognizes that certain express conditions of employment are set forth in this Agreement, which limit and restrict these defined employer rights. Therefore, the City agrees that in exercising the rights herein, nothing shall be construed, or applied, in any manner which negates, modifies or supersedes the rights of Members or the Union, where such rights are expressly set forth in this Agreement.

ARTICLE 5 - UNION MEMBERSHIP AND SECURITY

Section 1. All sworn Members of the Fire Department who are hired and who complete their probationary period subsequent to the effective date of this Agreement may join the Union and pay monthly dues.

ARTICLE 6 - DUES DEDUCTIONS

Section 1. The City shall accept a signed dues deduction authorization or agency fee deduction authorization by any Member, active or retired, of the bargaining unit covered by this Agreement as equivalent to a continuing voucher by such Member of the bargaining unit in the amount of monthly dues, or initiation fees or assessments, and insurance premiums as applicable, and service charges otherwise due to the Union.

Section 2. Deduction of Union dues shall be made from the payroll of the first pay ending date of the month, following the month in which the authorization was received, and monthly thereafter by the same method. Deductions provided herein shall be deposited to a bank account specified by the Treasurer of the Union the same day the deductions were made and shall include all deductions requested.

The City shall furnish, with the deductions remitted, an alphabetized listing of each Member for whom a deduction is made showing the exact amount of each respective deduction made.

ARTICLE 7 - DISCRIMINATION

Section 1. The City will not interfere with, restrain or coerce the Members because of membership in or activity on behalf of the Union. The City will not discriminate in respect to hire, tenure of employment or any term or condition of employment against any Member covered by this Agreement because of membership in, or activity on behalf of, the Union, nor will it discourage or attempt to discourage membership in the Union or attempt to encourage membership in another union.

Section 2. The City and the Union agree that it will not discriminate against any applicant for employment, or any present Member, in the payment of wages, assignment to jobs, seniority, promotion, demotions, training, transfers, layoff, recall, discipline, discharge, pension benefits, working hours, physical facilities, retirement age, insurance coverage, job classification, classified advertising, recruitment, testing, or any other term, condition or privilege of employment, because of race, color, religion, sex, sexual orientation, gender identity, national origin, age (as required by law), disability, political affiliation or activities, or the exercising of any rights under the grievance procedure, and protection from reprisal for lawful disclosure of information.

Section 3. The City further agrees that any violation of Title VII of the 1964 Civil Rights Act as amended, the Equal Pay Act as amended, or Executive Order 11246 as amended, will be deemed a violation of this Agreement and subject to the grievance and arbitration provisions embodied in this Agreement. However, no duty to arbitrate such a claim shall exist if the Member involved files an administrative claim or civil action with respect to the claimed violation.

Section 4. If any provisions herein should be determined to be in a conflict with the federal American with Disabilities Act ("ADA"), the applicable provisions of the ADA shall control. However, no duty to arbitrate such a claim shall exist if the Member involved files an administrative claim or civil action with respect to the claimed violation.

ARTICLE 8 - UNION LEAVE

Section 1. The President of the Union ("President") must advise the Fire Chief thirty (30) days prior to the annual vacation draw, regarding his/her choice between two possible assignments with the Department for the upcoming calendar year. The President may choose to work forty (40) hours per week in his/her role as President or may choose to work in the operations division on a twenty-four (24) hour on-duty followed by forty-eight (48) hour off-duty schedule at his/her merited rank.

Section 2. If the President chooses and is assigned to a twenty-four (24) hour on-duty followed by forty-eight (48) hour off-duty schedule, any time spent conducting union business must be directly related to his/her duties to City of Fort Wayne firefighters who are members of this bargaining unit, and must be charged against the Union time bank hours. However, when the President has elected to work in the operations division, time spent on union business pursuant to Article 8, Section 7, will not be charged against Union time bank hours provided that if the time requires the President to leave the station, he or she must provide notice of his or her absence from duty through

the union time request distribution list and specify the qualifying reason for absence as set forth in Section 7, e.g., legitimate collective bargaining business, grievance handling, impasse procedures, etc. Unless the President's absence from the station requires less notice due to urgent circumstances, he or she must provide notice seventy-two (72) hours prior to the absence.

If the President chooses to work as a full-time union president, he/she shall receive pay and benefits for a 40-hour position at his/her merited rank. The Union shall reimburse the City on a quarterly basis for the full cost of the President's pay and benefits, which shall be invoiced to the Union. Failure of the Union to pay the full cost of the President's pay and benefits within 45 days of the invoice will result in the President returning to the operations division on a twenty-four (24) hour on-duty followed by forty-eight (48) hour off-duty schedule for the remainder of the calendar year at his/her merited rank. In the event this occurs, the President must align his remaining vacation with available days on the vacation calendar.

Section 3. While serving as the President, and engaging in matters on behalf of the Union, he/she shall not suffer any loss of seniority; any loss of financial remuneration; and, he/she shall be compensated as a full-time Fort Wayne firefighter employed by the City at his/her merited rank.

The President's eligibility for promotional examinations shall not be affected by his/her Presidential duties. The last evaluations used in his/her last promotional exam/process prior to becoming the President shall be used for any subsequent promotional exam he/she may take.

The President shall continue to participate in any legally mandated training including training that would maintain a required certification. The President shall also continue to comply with Department rules, regulations and grooming standards that are not inconsistent with Union activities.

Once the President assumes office, he/she will remain at the pay level he/she was entitled to according to his/her merited rank. However, the President shall be entitled to any annual wage increase received by other Members. He/she shall also continue to be afforded all rights and privileges provided to other Members.

When a President no longer serves as President, he or she will be returned to the operations division on a twenty-four (24) hour on-duty followed by a forty-eight (48) hour off-duty schedule at his/her merited rank.

Section 4. The City shall donate two thousand (2,000) hours annually to the Union Time Bank ("UTB") to be used at the discretion of the Union; however, the Union may only use up to four hundred (400) hours in the UTB for State, National, International business and to attend conventions. The Fire Chief must approve, in writing, any request for UTB hours in excess of four hundred (400) per year for State, National, International business and to attend conventions. The Union may not use UTB hours to lobby members of the Indiana General Assembly; or, to provide testimony before the Indiana General Assembly including regular session, special session or committee hearings. The Union may not carry over UTB hours from one calendar year to the next.

Section 5. State and Local Officers (President, Vice President, Secretary, Treasurer and Trustees) of the Union shall be granted time off without loss of pay as needed to attend to Union activities, provided prior written request is received by the Fire Chief or his/her designee. In emergency circumstances, when prior written notice cannot be given, the Union will give prior oral notice followed by written notice as soon as possible. Hours requested under this Section 5 will be deducted from the UTB.

A minimum of two (2) non-officer members of the Union shall be granted time off as needed to attend Union activities at the request of the President provided the request is made seventy-two (72) hours prior to the date and time the time off is to be used and further provided that the request does not interfere with any prescheduled Department events such as scheduled training, or with manpower needs associated with a declared emergency. Any denial of requested time off subject to the Fire Chief's discretion may be based on the ability of available personnel to provide required services but may not be based on any contractual obligation to pay overtime under Article 19 Section 5. Hours requested under this Section 5 will be deducted from the UTB.

The Fire Chief shall have the discretion to allow more than two (2) non-officer members of the Union time off to attend Union activities or to deny any time off if less than seventy-two (72) hours of notice is provided.

However, such discretionary approval shall not be arbitrarily withheld. Hours requested under this Section 5 will be deducted from the UTB.

Section 6. A minimum of one (1) Member per day, as designated by the President, shall be granted time

off as reasonably needed without loss of pay to represent the Union and the Department at any Line of Duty Death funeral in contiguous states to which the Union desires to send representatives. Hour requested under this Section 6 will be classified as administrative time and will not be deducted from the UTB.

A minimum of two (2) Members per day of the Honor/Color Guard shall be granted time off as reasonably needed without loss of pay to perform at funeral showings or services or other activities as requested by the Fire Chief or the President. Hours requested under this Section 6 will be classified as administrative time and will not be deducted from the UTB.

Section 7. No deduction in wages shall be made against Union representatives for hours chargeable to the union time bank or used in connection with legitimate collective bargaining business or grievance handling, including impasse procedures or for investigating potential grievances or problems which could prevent disruptions of harmonious relationships desired by both the City and the Union. The Union is entitled to a negotiating team of not more than four (4) Members. Every effort shall be made to mutually agree to schedule meetings when the smallest number of Members of the negotiating team shall be on duty.

Section 8. The City shall recognize grievance representatives as designated by the Union in writing. Union representatives shall be afforded such reasonable time as needed to carry out their grievance responsibilities. Any grievance representative who finds it necessary to leave his/her workstation to transact legitimate grievance business may do so after notifying his/her supervisor who will release him/her in a reasonable amount of time. The representative will notify the supervisor of the legitimate grievance business. The Union agrees to make reasonable effort in the conduct of grievance matters to minimize interference with production and the orderly operation of the City, and further agrees that alternates will process grievances only in the absence of the representative. No deduction in wages shall be made against Union representatives for time spent in meetings with Management

Section 9. The Union President and any Union representative may only use the Union time bank and/or receive wages from the City for work directly related to City of Fort Wayne firefighters who are members of this bargaining unit.

Section 10. Time chargeable to the union time bank, or otherwise considered to be union leave, is not considered work time under the FLSA or this Agreement, but shall be paid as provided in this Agreement.

ARTICLE 9 - GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. Grievance Defined: Should any dispute or difference ("grievance") arise between the City or its representative and the Union as to the meaning and application of any provision of this Agreement, such grievance shall be settled in accordance with the Grievance Procedure. Suspensions, dismissals, and reductions in grade cannot be grieved or arbitrated. Any matters governed by statutory provisions shall not be considered grievances and subject to the grievance procedure herein.

Section 2. First Step: The complaint of the Member shall be presented to the Fire Chief or his/her designee in writing within fourteen calendar days following knowledge of the action giving rise to the grievance. When the grievance results from an announced change to terms and conditions of employment, the fourteen calendar day period commences upon the Union's knowledge of such change. If the Union submits a request for information to the City within fourteen days following the notification of a proposed change, the time limit for filing a grievance will be measured from the date of the City's response to the request.

The grievance shall be detailed on an approved grievance form provided by the Union and shall be signed by the aggrieved employee and a Member of the Union Executive Board or its designee. The Fire Chief or designee shall thereupon arrange a meeting with the aggrieved Member and/or any Union representative to help present his/her case. Said meeting shall be held not later than ten calendar days after the Fire Chief or designee has received the written grievance. The Fire Chief or designee shall give a written answer within ten calendar days after this meeting. Reasonable effort shall be made by management to conduct all grievance meetings on a scheduled workday of the grieved employee between the hours of 8:00 a.m. and 5:00 p.m.

Section 3. Second Step: If the grievant is not satisfied with the result of Step 1, the Union Representative may advance the grievance to Step 2 by submitting a written request to the Labor Relations Manager within ten days of the written answer. The Labor Relations Manager, or his/her representative, shall meet with the Union

Representative to discuss the grievance within ten days of receiving notice that the grievance has been appealed. Within ten days of the discussion, the Labor Relations Manager or his/her representative shall give a written answer to the Union.

Section 4. Arbitration Procedure: If the above procedure has been followed and the parties are still unable to settle the grievance, the Union shall, within twenty-five days following receipt of the City's second step answer, notify the City of the Union's intent to arbitrate the dispute. Such notification shall be in writing to the Labor and Employee Relations Manager, with a copy to the Fire Chief. Upon receipt of such notification, the City and the Union shall submit a request for a list of seven arbitrators from the Federal Mediation and Conciliation Service. Should FMCS fail to provide a panel within 14 days of a request and payment being made, either party may request a panel from AAA or another mutual agreeable entity. The parties will split the cost of the first panel. Each party may request one additional replacement panel if that party is dissatisfied with the panel presented. The party requesting the additional replacement panel must pay the cost of that panel. After receipt of the panel of arbitrators, the parties shall draw lots to determine who shall strike the first name from the list, and then continue striking names on an alternate basis. The last remaining name shall be deemed the arbitrator by mutual consent of the parties.

The arbitrator shall not have the authority to alter, amend or add to the terms or provisions of this Agreement. The decision of the arbitrator shall be in writing and rendered within 30 calendar days of receipt of the parties' briefs, if briefs are submitted, or the close of the evidentiary hearing if no briefs are submitted unless otherwise agreed on by both parties. The arbitrator's decision shall be final and binding on the parties, and in the event either party fails or refuses to abide by the decision of the arbitrator, the offended party can bring an action in the appropriate court. The court in its discretion will award the prevailing party reasonable attorney fees in addition to any other relief adjudged. The Union and the City shall equally share the fees of the arbitrator, including any mutually agreed upon services relating to the arbitration proceedings.

Section 5. Time Limitations: All time limits prescribed in Article 9 may be extended by mutual agreement of the parties. Failure of the party charged to respond within the time limits shall constitute a basis for escalating the grievance to the next step. Failure of the aggrieved party to process the grievance to the next step within the time limits shall constitute a basis for the party charged to deny the grievance.

ARTICLE 10 - PREVAILING RIGHTS

Section 1. All rights, privileges and working conditions permissible by law enjoyed by Members at the present time which are not included in this Agreement shall remain in full force, unchanged and unaffected in any manner, during the term of this Agreement unless changed by direct order of the Fire Chief. However, prior to such changes being made, the Fire Chief shall give fourteen calendar days written notice of such change to the Union, setting forth the circumstances which necessitate the change. Upon receipt of such notice, the Union shall have the right to meet with the Fire Chief to discuss any objection to the change. Where reasonable objections are made by the Union, the Fire Chief shall make a reasonable effort to satisfy such objections.

ARTICLE 11 - WAGE AND MONETARY FRINGE NEGOTIATIONS

Section 1. The City and Union agree to commence negotiations for wages and monetary fringe benefits no later than the first week in March of the final year of the Agreement. Notification shall be in writing.

ARTICLE 12 - BULLETIN BOARDS/COMPUTER NETWORK

Section 1. The City shall provide bulletin boards at each work location for exclusive use by the Union, which are to be located in areas where Members normally work.

Section 2. The City shall not allow the Union use of the City email system to circulate correspondence related to Union business to the membership except for membership meeting reminders; published agendas/minutes for said meetings; and, event reminders. Any such correspondence shall be subject to the terms of Article 12, Section 4. Further, any such correspondence shall not contain anything reflecting adversely on the City or any of its officers.

Section 3. The Union shall be provided a site on the Department's network to post Union documents or forms of interest to the Members. Such documents may include, but not be limited to: the Collective Bargaining Agreement, the Union's Constitution & By-Laws, grievance forms, payroll deduction forms, etcetera.

Section 4. Notices or material posted on bulletin boards and the Department's network, including communication sent by City email, shall be subject to review by the Fire Chief or his/her designee and bear the legible designation of the person responsible for placing such notice or material. Notices or material shall not contain anything reflecting adversely on the City or any of its officers. Notices posted must be dated and bear the signature of the President or his/her authorized representative such as other Union Executive Officer, Station House Steward or Station House Captain.

ARTICLE 13 - OUT OF DEPARTMENT TRANSFERS

Section 1. No Member shall be transferred out of the Department, unless mutually agreed upon by the City and the Union, to any department not directly related to Fire Fighting, Fire Apparatus Repair, Fire Communication, Fire Alarm System Repair, Fire Training, and Fire Prevention, or any other service which is not recognized under Indiana state statute as a responsibility of a Fire Department or the Fire Chief. Any Member who is transferred within the guidelines established and answering all requirements for the job transferred to, and who within six months, is determined not to have the ability to perform such job shall be advised of the specific reasons resulting in the disqualification. The disqualified Member shall have the right to return to his/her previous job and pay without prejudice. Members transferring to non-Operations positions within the Fire Department may be required to agree to remain in the division transferred to for no more than two years before requesting a transfer back into the Operations division.

Section 2. No Member shall be required to perform the duties of a position under the jurisdiction of any other union.

Section 3. No Member shall be required to perform any duties related to annual fire hydrant maintenance.

ARTICLE 14 - EDUCATIONAL ASSISTANCE

Section 1. The City will make educational assistance/tuition reimbursement for attending classes available to a Member related to the duties of his/her position. A Member shall be reimbursed the cost of the class upon providing the Fire Chief or his/her designate proof of successful completion of the class and receipt of payment. Successful completion shall be evidenced by a grade of "C" or above in graded classes, "Pass" in Pass/Fail classes, or the certificate or license granted as appropriate. Members must obtain prior written approval for the class from the Fire Chief to be eligible for reimbursement. The Department will allow a Member necessary time off without loss of pay to attend approved classes if minimum manning levels are not compromised.

Section 2. An annual educational bonus of \$450.00 shall be paid to any Member who has attained a degree from an accredited institution. To obtain a bonus initially, a Member must submit a copy of his/her diploma to the Fire Administrative Office by November 1st. Bonuses for that year as well as subsequent years will be paid on or before November 30th.

Section 3. The City agrees to provide on-duty in-service training, at no cost to Members to allow them to maintain their emergency medical service or other duty-related technical field certifications as required by the Department for as long as the Department continues to respond to medical emergencies in the community. In the event the City discontinues EMS service/responses, EMT certifications would no longer be a requirement. Off-duty training outside of regularly scheduled work hours authorized by the Fire Chief will be considered work time for FLSA overtime calculations.

ARTICLE 15 - INSURANCE

Section 1. Life insurance for actively employed Members shall be provided in the amount equal to a 1st Class Firefighter's annual salary double indemnity. As of September 8, 2011 life insurance for retired Members shall be provided in the amount of \$17,500.

Section 2. The City shall offer health and dental insurance coverage for active Members and their

dependents to the extent not in conflict with City ordinance regarding spousal coordination of benefits. A representative of the Union, as designated by the President, shall be included in the process of the examination of factors affecting future increases in the rates that Members will be assessed.

Section 3. The surviving spouse and dependent children of Members who die while actively employed shall be provided health insurance at no cost to them. The policy granted shall be the same as that carried by active employees. This coverage shall remain in effect until the spouse is eligible for Medicare or in the case of children until the age of twenty-six (26).

Section 4. Members retiring prior to 1-1-2005 shall be entitled to health insurance retirement benefits as detailed in the Agreement in effect upon the date of their retirement.

Section 5. Members who retire with twenty (20) years of service or more shall be provided health and dental insurance coverage with all premiums contributed/paid for by the City. The policy granted with no premium cost to the retiree shall be the lowest deductible plan. The Member may elect to participate in another plan available to active Members and pay the premium rates equal to active Member rates. For Members hired after 1-1-2014, retiree health insurance premiums are fully funded by the probationary firefighter pay scale and secure insurance at no cost upon retirement. Retired member's spouses shall be covered under the policy regardless of the spouse having qualifying insurance from another employer.

Section 6. Members who terminate service due to a job-related disability pension shall be provided health and dental insurance coverage with all premiums contributed/paid for by the City. The policy granted with no premium cost under this Section 6 shall be the lowest deductible plan. The Member may elect to participate in another plan available to active Members and pay the premium rates equal to an active Member rate.

Section 7. The insurance plans offered to retired Members shall be the same as those offered to active Members, and shall continue to be offered to the retiree until the retiree becomes eligible for Medicare. In the event the City discontinues the specific plan in which the retiree is enrolled, the retiree shall be permitted to enroll in an available plan which most closely resembles, in benefit options, the plan in which the retiree was previously enrolled.

Coverage will be provided for the retiree's eligible family members as of the time of retirement. While family members will be removed from the plan due to age (dependents on their 26th birthdays) or divorce, new members (new spouse or stepchildren) in the family cannot be added.

If the Member's spouse has not yet reached the eligibility age for Medicare at the time the Member becomes eligible, the spouse's coverage will continue to be offered by the City until the spouse becomes eligible for Medicare. In the event the Member dies while eligible for this benefit, the surviving spouse shall be allowed to continue to participate in this benefit until he/she becomes eligible for Medicare.

Section 8. Should either the state or federal government pass legislation mandating all employers to participate in a national or statewide health care plan, the City's contributions for the Members' health care that were negotiated into this Agreement prior to the passage of such state or federal law shall continue to be a part of the Agreement. The City's contributions shall first be applied to the premium cost of the state or federal plan. Any remaining amount shall be used to purchase supplemental coverage for those items covered under the current health care plan that may not be equally covered under any state or federal mandated plan.

ARTICLE 16 - PHYSICAL EXAMINATION

Section 1. The City shall continue its practice of providing an annual physical to each Member at no cost to the Member. No changes in the components of the physical shall be made without 30 days prior notice to the Union. The physical will be scheduled for on duty time and will be considered work time for the purpose of FLSA overtime calculations.

Section 2. The annual physical examination shall include, but not be limited to, the following:

Section 3. Additional diagnostic tests that are required by the City Physician and are needed to determine a Member's fitness for duty will be paid by the Department. Treatment for a non-duty related diagnosis shall be paid by the Member or his/her health plan.

Section 4. The City will use its best efforts to continue to pursue implementation and maintain the Wellness-Fitness standards established by the International Association of Fire Chiefs and the International Association of Fire Fighters.

Section 5. Retired or disabled members may elect to participate in an annual physical examination at the City's negotiated rate pursuant to their City provided insurance plan.

ARTICLE 17 - STATION BID

Section 1. "Station bid" as defined in this Article shall mean that non-ranking Members in the Operations Division shall have the right to bid for the station that they would most like to serve. Department seniority shall prevail in bidding for job openings within the Operations Division.

Section 2. The Fire Chief or his/her designated representative shall record all bids and observe the engine houses as they fill to ensure shift equality. Once the bids have been completed, those jobs shall be held until a job opening occurs.

Section 3. The City recognizes the following positions available in the Operations Division for the bid and bump system:

3 bid spots per apparatus

Minimum of 4 people per day per apparatus, extra personnel will be shipped out to cover vacancies per ship out policy. Assigned positions take priority over bid positions.

Probationary firefighters will be assigned by the Administration.

Section 4. The following are the rules governing Station Bids:

A Member may remove his/her name from the bid by submitting a desire to do so via email to the Fire Chief or his/her designee while the bid is still open.
- H. A temporary job opening is defined as one resulting from sickness, injury or other leave of absence that will have a duration of not more than one year. These temporary job openings may be filled at the Fire Chief's discretion by non-bid personnel.

ARTICLE 18 - BUMP SYSTEM

Section 1. In the event it becomes necessary to close an engine house, put a manned piece of apparatus out of service, or a Member is removed from or voluntarily resigns his/her position rank, those Members affected shall be afforded the right to exercise their seniority and bump into existing jobs providing they meet the job specifications. Those Members displaced by being bumped shall then exercise their seniority rights for jobs in like manner. Failure to exercise these rights within fourteen calendar days after notification will result in losing of the right to bump. This bump system pertains only to those positions identified in Article 17, Section 3.

Section 2. Once the decision has been made to displace a Member, the station affected will be notified. Members at the station will be given 72 hours to make a decision to stay in their bid positions or accept the bump. The process will begin by asking the most senior Member to the least senior Member until the bump has been accepted. Each Member making a decision will indicate his/her decision in writing to the Fire Chief or his/her designee.

Section 3. The Member accepting the bump will have up to fourteen calendar days to exercise his/her bump rights-or lose it. He/she will be considered non-bid personnel until he/she exercises his/her bump right.

Section 4. Those Members accepting a bump may bump to any station where there is a Member with less seniority in a bid position.

Section 5. An FD-51 "Station Bid Form" must be submitted for any bump with the word "BUMP" at the top and the Member's bump selection.

Section 6. Members voluntarily leaving an ancillary, appointed, or promoted rank, prior to serving 12

The loss of personnel will not require replacement through the hire back procedure unless the loss extends ten hours or beyond. It is generally recognized that Apparatus may be manned with fewer than four firefighters not to exceed 10 hours or beyond through the course of a shift.

Section 6. As the City establishes additional Fire Stations, the City agrees to furnish each new facility with sufficient items for the operation and maintenance of the station and for the convenience of the Members assigned there. Any untimely complaint shall be summarily dismissed. In the event of a timely complaint, the President and the Fire Chief shall meet, at a mutually convenient time and place, to review the merits of the Member's complaint. If the Fire Chief and the President reach an agreement on the resolution of the complaint, that resolution agreement shall be controlling and final and no further appeal shall be provided to the Member. Any agreed resolution between the Fire Chief and the Union President, however, shall control only the pending complaint and may not be cited by either the City or the Union as binding precedent in the event of a future complaint arising under the same or similar directive. If the Fire Chief and the President cannot reach an agreed resolution of the complaint, the President or Fire Chief may,

within fourteen days of disagreement, appeal the matter to the Deputy Mayor for final resolution.

ARTICLE 23 - DEPARTMENT SENIORITY

Section 1. "Seniority," as defined in this Article, means the total length of continuous employment within the Department. For purpose of lay-off, the Member with the least seniority shall be laid off first. If more than one Member was hired on the same date, seniority shall be determined by chance draw of the cards, with Social Security numbers used to rank those Members for the draw of cards. The total social security number is used with the lowest number considered first. Each Member shall draw his/her own card for seniority. In the event the Member cannot be there, an alternate shall be appointed to draw for him/her by the officer conducting the draw. Seniority draw shall be conducted on or before graduation from the Fire Academy. Once a position has been established that position shall be held thereafter. Recall after lay-off shall be by seniority.

Section 2. Seniority List: The City will furnish an updated Department-wide seniority list showing name and date of employment to be posted on a bulletin board in the Fire Station, and to be given to the Union annually each January and whenever the list is updated due to new hires.

Section 3. Probationary Employee Defined: All new Members shall be considered probationary employees for a minimum of twelve months from the date they are sworn in and until completion of all probationary training requirements, and may be disciplined or discharged at will during the probationary period in accordance with the merit rules and without resort to the grievance procedure set forth herein. Probationary employees shall otherwise be covered by all terms and conditions of this Agreement unless otherwise prohibited by state law.

Section 4. A. The standard schedule for Members assigned to the Operations Division shall be 24 hours on duty followed by 48 hours off duty, with reporting and relief time being 0700 hours. However, Battalion Chiefs shall have reporting and relief times of 0630 hours.

Members assigned to the Operations Division may work other schedules on a temporary basis when necessary to accommodate training if agreed between the Member and the Fire Chief. If a Member agrees to participate in training after receiving notice of the training schedule, the Member's participation will be considered as his/her agreement to the schedule. When training results in a schedule change pursuant to this Section, the firefighter will be paid overtime only as required by the overtime provisions of the FLSA set forth in 29 CFR § 553.230(c) as applicable to their regular pay period, *i.e.*, the temporary schedule change will not result in paying contractual overtime or changing the designated FLSA pay period computation.

The hourly rate to be used for both contractual and FLSA overtime calculations for personnel assigned to a 24/48 schedule shall be calculated using the FLSA methodology for calculating the "regular rate" as set forth in 29 CFR

§ 778.109, *et seq.* Members assigned to the Operations Division will be compensated based upon a pay period of 7 to 28 days, as determined by the City, and will be compensated for FLSA overtime as set forth in 29 CFR § 553.230(c).

B. The standard workweek shall be forty hours per week for all Members assigned to any division outside the Operations Division, with the following exceptions: The standard work schedule for Fire Investigators may be 24 hours on-duty followed by 48 hours off-duty.

The reporting and relief times for Members not assigned to the Operations Division may be set as best satisfies the duties of the divisions or the positions.

The hourly rate for both contractual and FLSA overtime calculations for personnel assigned to a 40-hour schedule shall be calculated using the FLSA methodology for calculating the “regular rate” as set forth in 29 CFR § 778.109, *et seq.*

C. Members temporarily placed on other work schedules to accommodate training will not be required to work their regular scheduled shift for at least 24 hours prior to the start of the training and at least 24 hours after the training ends. Any regular shift hours a Member does not work due to this provision will be entered as administrative time.

Section 2. Overtime:

- A. At any time it becomes necessary to hold over or call back a Member, said Member shall be compensated at the rate of one and one half times his/her “regular rate” as defined above for each one-tenth hour worked. Overtime earned shall be paid on the next available regular paycheck following the occurrence.
- B. A Member who is called back to work after he/she has been released from his/her regular day’s work shall be paid for the actual time worked at the FLSA overtime rate. Time shall start when the Member reports for duty.
- C. The City agrees to maintain records of all overtime work by shift and classification, and to the maximum extent possible distribute overtime equally among employees within a classification.

(a) While on paid sick leave, a Member may not work for any other employer or work in a self-employed capacity during the Member’s regular Fire Department work schedule. Once the Member is capable of part-time work, he/she will be considered eligible for alternate duty. The Fire Chief or his/her designee may investigate whether part-time employment interferes with a Member’s rehabilitation as decided by the Member’s physician and the City’s physician. If the part-time employment is determined to interfere with rehabilitation, the Fire Chief may require that the Member not work his/her part-time job for the period recommended by the physicians. A member on alternate

duty will remain on his/her currently assigned working schedule unless otherwise agreed by the Member.

ARTICLE 28 - BEREAVEMENT LEAVE

Section 1. Bereavement leave shall be granted to Members, without loss of pay, upon the passing of relatives. All bereavement leave must be taken within thirty days of the date of death, unless an exception is granted by the Fire Chief for good cause. Bereavement leave for primary immediate family and immediate family may be taken in one or two blocks of consecutive full workdays off.

It also includes other relatives who have resided in the Member's household continuously for over one year.
 - 4. Relatives do not include previous spouses or relatives of such previous spouse, nor do they include in-laws or step relatives other than those named.
 - 5. Working day shall mean a Member's regular bid/assigned shift day, which excludes days agreed to under Article 26 and the Trade of Time Policy.

ARTICLE 29 - PERSONAL DAYS

Section 1. Personal days shall be granted to Members for urgent or unforeseen matters.

Members working a 24/48 schedule shall be entitled to two 24-hour personal days off. Members working a 40-hour schedule shall be entitled to five 8-hour personal days off. Personal days not used during the current year may be carried over to the following year.

Members with 15 years of service or more may elect to float up to 5 days (10 days for 40 hour Members). Float days not used during the current year may be carried over to the next year.

Section 4. Members leaving employment of the Department due to retirement, disability or death shall be granted earned time from their date of separation back to January 1 of the year of retirement. To determine retirement earned time, the following calculation will be used: The number of days worked in the retirement year will be divided by 365; the quotient is then multiplied by the number of earned days for which the Member is eligible.

Example: $200/365 = .597 \times 13 \text{ earned days} = 7.12 \text{ days}$

2022-2024/2025-2026 COLLECTIVE BARGAINING
AGREEMENT

AGREEMENT

This Agreement is entered into between the City of Fort Wayne, Indiana ("City"), the Fort Wayne Fire Department ("Department"), and the Fort Wayne Professional Fire Fighters Union, Local 124 Inc., Professional Fire Fighters Union of Indiana, International Association of Fire Fighters, AFL-CIO, CLC ("Union").

WITNESSETH

The Members of the Department ("Members") are engaged in providing an essential public service to the community which affects the health, safety, comfort and general well-being of the citizens of the City; and the parties hereto expressly agree to be bound by the terms of this Agreement in consideration of the premises and mutual covenants herein set forth and in further consideration of the high and proper purposes, aims and intentions of the parties hereto; and in order to achieve such purposes, the parties agree as follows:

ARTICLE 1 - UNION AND CITY RELATIONSHIP

Section 1. The Union and the City agree to cooperate fully for harmonious relations, good working conditions, and fair, reasonable and impartial discipline.

ARTICLE 2 - UNION RECOGNITION

Section 1. The City hereby recognizes that the Union represents a majority of the Fire Fighters of the City. The City, therefore, recognizes the Union as the sole and exclusive bargaining agent for Members in matters pertaining to rate of pay, wages, hours of employment, working conditions, and other conditions of employment and further agrees to bargain with no other such agent.

ARTICLE 3 - JURISDICTION

Section 1. The bargaining unit shall be as follows: All Fire Fighters covered by the Indiana Burns Statute Pension Acts of 1937 and 1977, who are permanent and paid employees of the City wherever assigned to duty, but ~~the following shall not be covered by this Agreement excluding:~~

- A. Fire Chief
- B. Deputy Chief
- C. Assistant Chiefs

ARTICLE 4 - MANAGEMENT RIGHTS

Section 1. The Union recognizes the authority of the City to hire, discipline, transfer, promote, demote, suspend and discharge, assign work and the number of hours to be worked, including overtime work, to increase and decrease the work force, to establish staffing levels per apparatus and vehicles, to establish standards and methods, transfer work or otherwise perform work in the Fire Department as required by the demands to maintain the efficiency of public safety as well as to direct the working force of the Department.

Section 2. The City, in exercising the rights set forth herein, recognizes that certain express conditions of employment are set forth in this Agreement, which limit and restrict these defined employer rights. Therefore, the City agrees that in exercising the rights herein, nothing shall be construed, or applied, in any manner which negates, modifies or supersedes the rights of Members or the Union, where such rights are expressly set forth in this Agreement.

ARTICLE 5 - UNION MEMBERSHIP AND SECURITY

Section 1. All sworn Members of the Fire Department who are hired and who complete their probationary

period subsequent to the effective date of this Agreement may ~~either join the Union and pay monthly dues and initiation fees as required or pay an agency fee as designated by the Union.~~

~~Section 2. All Members who are hired subsequent to the effective date of this Agreement shall, as a condition of employment, sign a statement of understanding and a release from liability against the City and the Union if said Member is discharged from employment under the Union Security Article. A sample of the Agreement for Payment of Union Dues for Representation Fees appears in Appendix A of this Agreement.~~

ARTICLE 6 - DUES DEDUCTIONS

Section 1. The City shall accept a signed dues deduction authorization or agency fee deduction authorization by any Member, active or retired, of the bargaining unit covered by this Agreement as equivalent to a continuing voucher by such Member of the bargaining unit in the amount of monthly dues, or initiation fees or assessments, and insurance premiums as applicable, and service charges otherwise due to the Union.

Section 2. Deduction of Union dues shall be made from the payroll of the first pay ending date of the month, following the month in which the authorization was received, and monthly thereafter by the same method. Deductions provided herein shall be deposited to a bank account specified by the Treasurer of the Union the same day the deductions were made and shall include all deductions requested.

The City shall furnish, with the deductions remitted, an alphabetized listing of each Member for whom a deduction is made showing the exact amount of each respective deduction made.

ARTICLE 7 - DISCRIMINATION

Section 1. The City will not interfere with, restrain or coerce the Members because of membership in or activity on behalf of the Union. The City will not discriminate in respect to hire, tenure of employment or any term or condition of employment against any Member covered by this Agreement because of membership in, or activity on behalf of, the Union, nor will it discourage or attempt to discourage membership in the Union or attempt to encourage membership in another union.

Section 2. The City and the Union agree that it will not discriminate against any applicant for employment, or any present Member, in the payment of wages, assignment to jobs, seniority, promotion, demotions, training, transfers, layoff, recall, discipline, discharge, pension benefits, working hours, physical facilities, retirement age, insurance coverage, job classification, classified advertising, recruitment, testing, or any other term, condition or privilege of employment, because of race, color, religion, sex, ~~sexual orientation, gender identity, national origin, age (as required by law), disability,~~ political affiliation or activities, ~~or occupationally irrelevant physical handicap,~~ or the exercising of any rights under the grievance procedure, and protection from reprisal for lawful disclosure of information.

Section 3. The City further agrees that any violation of Title VII of the 1964 Civil Rights Act as amended, the Equal Pay Act as amended, or Executive Order 11246 as amended, will be deemed a violation of this Agreement and subject to the grievance and arbitration provisions embodied in this Agreement. However, no duty to arbitrate such a claim shall exist if the Member involved files an administrative claim or civil action with respect to the claimed violation.

Section 4. If any provisions herein should be determined to be in a conflict with the federal American with Disabilities Act ("ADA"), the applicable provisions of the ADA shall control. ~~Any dispute as to any provision of the ADA superseding any provision herein shall be subject to the grievance and arbitration provision embodied in this Agreement unless prohibited by the ADA. However, no duty to arbitrate such a claim shall exist if the Member involved files an administrative claim or civil action with respect to the claimed violation.~~

ARTICLE 8 - UNION LEAVE

Section 1. The President of the Union ("President") must advise the Fire Chief ~~thirty (30) days after ratification of this 2024 amendment to this Article, and annually thereafter~~ thirty (30) days prior to the annual vacation draw, regarding his/her choice between two possible assignments with the Department for the upcoming calendar year. The President may choose to work forty (40) hours per week in his/her role as President or may

choose to work in the operations division on a twenty-four (24) hour on-duty followed by forty-eight (48) hour off-duty schedule at his/her merited rank.

Section 2. If the President chooses and is assigned to a twenty-four (24) hour on-duty followed by forty-eight (48) hour off-duty schedule, any time spent conducting union business must be directly related to his/her duties to City of Fort Wayne firefighters who are members of this bargaining unit, and must be charged against the Union time bank hours. However, when the President has elected to work in the operations division, time spent on union business pursuant to Article 8, Section 7, will not be charged against Union time bank hours provided that if the time requires the President to leave the station, he or she must provide notice of his or her absence from duty through the union time request distribution list and specify the qualifying reason for absence as set forth in Section 7, e.g., legitimate collective bargaining business, grievance handling, impasse procedures, etc. Unless the President's absence from the station requires less notice due to urgent circumstances, he or she must provide notice seventy-two (72) hours prior to the absence.

If the President chooses to work as a full-time union president, he/she shall receive pay and benefits for a 40-hour position at his/her merited rank. The Union shall reimburse the City on a quarterly basis for the full cost of the President's pay and benefits, which shall be invoiced to the Union. Failure of the Union to pay the full cost of the President's pay and benefits within 45 days of the invoice will result in the President returning to the operations division on a twenty-four (24) hour on-duty followed by forty-eight (48) hour off-duty schedule for the remainder of the calendar year at his/her merited rank. In the event this occurs, the President must align his remaining vacation with available days on the vacation calendar.

Section 3. While serving as the President, and engaging in matters on behalf of the Union, he/she shall not suffer any loss of seniority; any loss of financial remuneration; and, he/she shall be compensated as a full-time Fort Wayne firefighter employed by the City at his/her merited rank.

The President's eligibility for promotional examinations shall not be affected by his/her Presidential duties. The last evaluations used in his/her last promotional exam/process prior to becoming the President shall be used for any subsequent promotional exam he/she may take.

The President shall continue to participate in any legally mandated training including training that would maintain a required certification. The President shall also continue to comply with Department rules, regulations and grooming standards that are not inconsistent with Union activities.

Once the President assumes office, he/she will remain at the pay level he/she was entitled to according to his/her merited rank. However, the President shall be entitled to any annual wage increase received by other Members. He/she shall also continue to be afforded all rights and privileges provided to other Members.

When a President no longer serves as President, he or she will be returned to the operations division on a twenty-four (24) hour on-duty followed by a forty-eight (48) hour off-duty schedule at his/her merited rank.

Section 4. The City shall donate two thousand (2,000) hours annually to the Union Time Bank ("UTB") to be used at the discretion of the Union; however, the Union may only use up to four hundred (400) hours in the UTB for State, National, International business and to attend conventions. The Fire Chief must approve, in writing, any request for UTB hours in excess of four hundred (400) per year for State, National, International business and to attend conventions. The Union may not use UTB hours to lobby members of the Indiana General Assembly; or, to provide testimony before the Indiana General Assembly including regular session, special session or committee hearings. The Union may not carry over UTB hours from one calendar year to the next.

Section 5. State and Local Officers (President, Vice President, Secretary, Treasurer and Trustees) of the Union shall be granted time off without loss of pay as needed to attend to Union activities, provided prior written request is received by the Fire Chief or his/her designee. In emergency circumstances, when prior written notice cannot be given, the Union will give prior oral notice followed by written notice as soon as possible. Hours requested under this Section 5 will be deducted from the UTB.

A minimum of two (2) non-officer members of the Union shall be granted time off as needed to attend Union activities at the request of the President provided the request is made seventy-two (72) hours prior to the date and time the time off is to be used and further provided that the request does not interfere with any prescheduled Department events such as scheduled training, or with manpower needs associated with a declared emergency. Any denial of requested time off subject to the Fire Chief's discretion may be based on the ability of available

personnel to provide required services but may not be based on any contractual obligation to pay overtime under Article 19 Section 5. Hours requested under this Section 5 will be deducted from the UTB.

The Fire Chief shall have the discretion to allow more than two (2) non-officer members of the Union time off to attend Union activities or to deny any time off if less than seventy-two (72) hours of notice is provided.

However, such discretionary approval shall not be arbitrarily withheld. Hours requested under this Section 5 will be deducted from the UTB.

Section 6. A minimum of one (1) Member per day, as designated by the President, shall be granted time off as reasonably needed without loss of pay to represent the Union and the Department at any Line of Duty Death funeral in contiguous states to which the Union desires to send representatives. Hour requested under this Section 6 will be classified as administrative time and will not be deducted from the UTB.

A minimum of two (2) Members per day of the Honor/Color Guard shall be granted time off as reasonably needed without loss of pay to perform at funeral showings or services or other activities as requested by the Fire Chief or the President. Hours requested under this Section 6 will be classified as administrative time and will not be deducted from the UTB.

Section 7. No deduction in wages shall be made against Union representatives for hours chargeable to the union time bank or used in connection with legitimate collective bargaining business or grievance handling, including impasse procedures or for investigating potential grievances or problems which could prevent disruptions of harmonious relationships desired by both the City and the Union. The Union is entitled to a negotiating team of not more than four (4) Members. Every effort shall be made to mutually agree to schedule meetings when the smallest number of Members of the negotiating team shall be on duty.

Section 8. The City shall recognize grievance representatives as designated by the Union in writing. Union representatives shall be afforded such reasonable time as needed to carry out their grievance responsibilities. Any grievance representative who finds it necessary to leave his/her workstation to transact legitimate grievance business may do so after notifying his/her supervisor who will release him/her in a reasonable amount of time. The representative will notify the supervisor of the legitimate grievance business. The Union agrees to make reasonable effort in the conduct of grievance matters to minimize interference with production and the orderly operation of the City, and further agrees that alternates will process grievances only in the absence of the representative. No deduction in wages shall be made against Union representatives for time spent in meetings with Management

Section 9. The Union President and any Union representative may only use the Union time bank and/or receive wages from the City for work directly related to City of Fort Wayne firefighters who are members of this bargaining unit.

Section 10. Time chargeable to the union time bank, or otherwise considered to be union leave, is not considered work time under the FLSA or this Agreement, but shall be paid as provided in this Agreement.

ARTICLE 9 - GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. Grievance Defined: Should any dispute or difference ("grievance") arise between the City or its representative and the Union as to the meaning and application of any provision of this Agreement, such grievance shall be settled in accordance with the Grievance Procedure. Suspensions, dismissals, and reductions in grade cannot be grieved or arbitrated. Any matters governed by statutory provisions shall not be considered grievances and subject to the grievance procedure herein.

Section 2. First Step: The complaint of the Member shall be presented to the Fire Chief or his/her designee in writing within ~~thirty-fourteen~~ calendar days following knowledge of the action giving rise to the grievance. When the grievance results from an announced change to terms and conditions of employment, the fourteen calendar day period commences upon the Union's knowledge of such change. If the Union submits a request for information to the City within fourteen days following the notification of a proposed change, the time limit for filing a grievance will be measured from the date of the City's response to the request. If the grievance relates to the announcement or proposal of a change or modification claimed to be in conflict with the application of any provision of this Agreement, the date of the "action giving rise to the grievance" shall be the first date of the implementation of the change or modification, and not the date of the announcement or proposal of the change or

modification:

The grievance shall be detailed on an approved grievance form provided by the Union and shall be signed by the aggrieved employee and a Member of the Union Executive Board or its designee. The Fire Chief or designee shall thereupon arrange a meeting with the aggrieved Member and/or any Union representative to help present his/her case. Said meeting shall be held not later than ten calendar days after the Fire Chief or designee has received the written grievance. The Fire Chief or designee shall give a written answer within ten calendar days after this meeting. Reasonable effort shall be made by management to conduct all grievance meetings on a scheduled workday of the grieved employee between the hours of 8:00 a.m. and 5:00 p.m.

Section 3. Second Step: If the grievant is not satisfied with the result of Step 1, ~~the Union Representative may the grievance shall be~~ advanced the grievance to Step 2 by ~~submitting a written request to the Labor Relations Manager~~ within ten days of the written answer, ~~by the Union Representative, who will discuss the grievance with the Director of Human Resources~~ The Labor Relations Manager, or his/her representative, ~~shall meet with the Union Representative to discuss the grievance within ten days of receiving notice that the grievance has been appealed.~~ Within ten days of the discussion, ~~the Director of Human Resources~~ Labor Relations Manager or his/her representative shall give a written answer to the Union. ~~If the position of Director of Human Resources is not filled by the City, the second step process will be to advance the grievance to the Chief of Police.~~

Section 4. ~~Third Step: If the grievant is not satisfied with the result of Step 2, the grievance shall be presented to the Deputy Mayor of the City by a representative of the Union Executive Board within ten days after the written answer. The Deputy Mayor will assign a Hearing Officer. A meeting between the Hearing Officer and Members of the Union Grievance Committee shall be scheduled after delivery of the grievance. If the grievance is not settled at this meeting, the Hearing Officer shall give his/her written answer at the next scheduled meeting. Nothing in Step 3 shall prohibit the Fire Chief, or his/her designated representative, from meeting with the Union representative and settling the grievance during this time period.~~

Section ~~5~~4. Arbitration Procedure: If the above procedure has been followed and the parties are still unable to settle the grievance, the Union shall, within twenty-five days following receipt of the City's ~~third~~second step answer, notify the City of the Union's intent to arbitrate the dispute. ~~Such notification shall be in writing to the Labor and Employee Relations Manager, with a copy to the Fire Chief.~~ Upon receipt of such notification, the City and the Union shall submit a request for a list of seven arbitrators from the Federal Mediation and Conciliation Service. ~~Should FMCS fail to provide a panel within 14 days of a request and payment being made, either party may request a panel from AAA or another mutual agreeable entity. The parties will split the cost of the first panel. Each party may request one additional replacement panel if that party is dissatisfied with the panel presented. The party requesting the additional replacement panel must pay the cost of that panel.~~ After receipt of the panel of arbitrators, the parties shall draw lots to determine who shall strike the first name from the list, and then continue striking names on an alternate basis. The last remaining name shall be deemed the arbitrator by mutual consent of the parties.

The arbitrator shall not have the authority to alter, amend or ~~change~~add to the terms or provisions of this Agreement. The ~~answer~~decision of the arbitrator shall be in writing and rendered within 30 calendar days of receipt of the parties' briefs, if briefs are submitted, or the close of the evidentiary hearing if no briefs are submitted unless otherwise agreed on by both parties. The arbitrator's decision shall be final and binding on the parties, and in the event either party ~~shall fail~~s or refuse to abide by the decision of the arbitrator, the offended party can bring an action in the appropriate court. The court in its discretion will award the prevailing party reasonable attorney fees in addition to any other relief ~~ad-~~judged. The Union and the City shall equally share the fees of the arbitrator, including any mutually agreed upon services relating to the arbitration proceedings.

Section ~~6~~5. Time Limitations: All time limits prescribed in Article 9 may be extended by mutual agreement of the parties. Failure of the party charged to respond within the time limits shall constitute a basis for escalating the grievance to the next step. Failure of the aggrieved party to process the grievance to the next step within the time limits shall constitute a basis for the party charged to deny the grievance.

ARTICLE 10 - PREVAILING RIGHTS

Section 1. All rights, privileges and working conditions permissible by law enjoyed by Members at the present time which are not included in this Agreement shall remain in full force, unchanged and unaffected in

any manner, during the term of this Agreement unless changed by direct order of the Fire Chief. However, prior to such changes being made, the Fire Chief shall give fourteen calendar days written notice of such change to the Union, setting forth the circumstances which necessitate the change. Upon receipt of such notice, the Union shall have the right to meet with the Fire Chief to discuss any objection to the change. Where reasonable objections are made by the Union, the Fire Chief shall make a reasonable effort to satisfy such objections.

Any Member who is transferred within the guidelines established and answering all requirements for the job transferred to, and who within six months, is determined not to have the ability to perform such job shall be advised of the specific reasons resulting in the disqualification. A Member shall be reimbursed the cost of the class upon providing the Fire Chief or his/her designate proof of successful completion of the class and receipt of payment. Successful completion shall be evidenced by a grade of "C" or above in graded classes, "Pass" in Pass/Fail

classes, or the certificate or license granted as appropriate. Members must obtain prior written approval for the class from the Fire Chief to be eligible for reimbursement. The Department will allow a Member necessary time off without loss of pay to attend approved classes if minimum manning levels are not compromised.

Section 2. An annual educational bonus of \$450.00 shall be paid to any Member who has attained a degree from an accredited institution. If the part-time employment is determined to interfere with rehabilitation, the Fire Chief may require that the Member not work his/her part-time job for the period recommended by the physicians.
