DIGEST SHEET

Department: Fleet Management

Resolution Number: N/ A

Title of Ordinance: Purchase Order Increase for P.O. 26803024

Amount of PO Increase:
\$50,000

Description of Project {Be Specific}:
This is to request an increase to the P.O. amount to continue to purchase non-OEM truck repair parts.

What Are The Implications If Not Approved:
This vendor offers the city best pricing on our non-OEM truck repair -parts. Using other vendors is a higher cost option which is not a viable option currently due to across the board parts increases.

If Prior Approval Is Being Requested, Justify:
NA

Additional Comments: We are not requesting additional funding, only an increase to the P.O. amount.

RE: Selking International NON-OEM
truck parts

The City of Fort Waynes Fleet Department is seeking approval to increase its purchase order with Selking International by \$50,000. This increase is to cover the following:

1. Fleet continues to internalize all city asset repairs.
2. The cost of vehicle parts has risen across all categories due to ongoing inflation and supply chain conditions.
3. The city's Fleet Department has greater capacity to perform all repairs internally, improving efficiency and turnaround times.
4. This request does not require additional funding. The Fleet Department has sufficient funds within its existing 2026 budget to cover the proposed purchase order increase.

Throughout 2026, Fleet Management has made significant strides in improving preventative maintenance across all departments. Prioritizing all our asset repairs has ensured that all city vehicles leaving the Fleet facility meet the highest safety standards. To further grow operations and workforce development, the department partnered with Anthis Career Center and currently has hired 1 of our past interns after graduation, supporting ongoing maintenance efforts and contributing to one of the safest, most reliable municipal fleets in recent years.

If you have any questions, please feel free to contact me at 427-6391 to discuss this or our Fleet goals.
